Stirling Board of Education Has Schools Ready For Opening Tuesday

Public School Attendance Shows Increase — Mrs. G. Bailey on High School Staff

Stirling Board of Education held its regular meeting in the High School on Monday evening with Chairman C. I. Hutton presiding and J. B. Belshaw, R. E. Fox, C. E. Macklin, W. Wright, R. A. Patterson, H. R. Tompkins and Dr. E. A. Carleton in attendance. Principal C. A. Wells gave a brief report on his survey of the attendance at the Public School for the coming year, showing an increased attendance over last year. Some twenty-five new seats were needed and the supply of lumber and gas for shop work had been procured. The purchase of the new seats was being investigated by the purchasing committee.

J. B. Belshaw, chairman of the property committee, reported some plaster had fallen in a third storey room in the High School, but the roof would have to be repaired before replastering. He also stated four panes of glass had been broken in the High School, and that some repairs were needed to cupboards in the Home Economics room.

The roof on the Public School was in bad shape and should have a coat of roofing paint to preserve it until a decision was reached on a new school. The various repairs were left in the hands of the property committee.

H. R. Tompkins, chairman of the Teachers' Committee, reported that the teaching staff had been re-engaged for the local schools with the exception of Miss I. Muirhead, of the High School staff, who had resigned and was being replaced by Mrs. Gordon Bailey, a former member of the local staff.

Following are the accounts:
Public School — C. Barnard, \$8.00; Dominion Store, \$5.92; J. B. Belshaw, \$2.40; H. C. Bird, \$16.18.

High School — Bell Telephone, \$7.75; Ray Petty, lumber, \$61.20; H. R. Tompkins, phone acct., \$6.40; Dominion Store, \$1.80; H. C. Bird, \$10.89.

Special Services At Grace Chapel

Commencing on Tuesday, special services will be held in Grace Chapel, Stirling, with George T. Pinches, Bible Teacher, Pella, Iowa, giving an exposition of the Book of Revelation. Service will be held each evening at 8 p.m. as follows:

Tuesday, Sept. 6th — World Conditions in the Light of Prophecy
Wednesday, Sept. 7th — Silence in Heaven and Trumpet Storms
Thursday, Sept. 8th — Witness on Earth and War in Heaven
Friday, Sept. 9th — The Rise of Antichrist: Final World Dictator

Further announcements of topics for the following week's services will be made in next week's issue.

Don't miss one address; all concern you.

Honoured On 70th Birthday

A number of friends and neighbours gathered at the home of James McDonnell, River Valley, on the afternoon of August 12th, to honour Mrs. Frances Hoad on the occasion of the 70th anniversary of her birthday. During the afternoon, Mrs. Frank Carr made the presentation of a flashlight to the guest of honour on behalf of those present, after which dainty refreshments were served.

Awarded Bus Route

D. M. Sine, of Minto, has been awarded the school bus route comprising the Minto and Wellman districts, for the coming year and will transport the pupils to Stirling High School. It is understood one more route is to be allotted.

Band Attends Toronto Ex.

Members of Stirling Citizens Band are attending the Canadian National Exhibition in Toronto today (Thursday). The trip was made by bus.

Won Gate Prize

The twenty-five dollar gate prize offered to advance ticket holders for the Rotary Club softball game on Saturday night last was won by Grant Stapley, of Stirling.

Playoffs Open Wednesday

The play-offs in the Centre Hastings Softball League get under way on Wednesday night next, with Stirling Juniors meeting Minto and Stirling Legion clashing with Sidney in a semi-final two-out-of-three series.

Labour Day At the P.O.

Monday next, September 5th, being a Dominion Holiday, all business places will be closed in Stirling.

At the Post Office, the public wicket will be open from 8 to 9 a.m. only, but the lobby will be open as usual during the day for the benefit of boxholders. There will be no rural mail delivery.

Home Garden Club Achievement Day

The achievement day for the Home Garden Clubs of South Hastings, is being held in the Community Hall, Stirling, this (Thursday) afternoon. Some thirty girls are displaying their garden produce under the direction of Miss Elsie Irvine, Home Economist for the County.

Bowl At Campbellford

Four pairs of Stirling Bowlers attended the mixed doubles tournament in Campbellford on Wednesday of last week. Dr. E. A. Carleton and his daughter, Miss Grace Carleton, won high honours for one win, while Mr. and Mrs. Earl Fox, Mr. and Mrs. W. T. Elliott and Mrs. R. Burgess and A. Brooks each won two games but failed to reach the prize circle.

Over 1400 Fans See Softball Tilt

Over fourteen hundred fans filled the bleachers and surrounded the playing field at the community Recreational Centre on Saturday night to witness a thrilling game between the Sunday Morning Class Ladies' Softball team, of Toronto, and an All-Star team picked from the Centre Hastings Rural League. The final score was 6 to 4 in favour of the All-Stars. The teams traded batteries, with Potts and A. Ray sharing the pitching and Kreh and G. Sine the catching for the girls, while the visiting girls' battery performed for the All-Stars.

The Stirling Rotary Club sponsored the event and the proceeds will be used for benevolent purposes. Previous to the game the two teams and Stirling Citizens' Band made a tour of the Village on trucks supplied by President "Dick" Hadley. After the game, both teams, along with the Rotary Midget team, were entertained by the Rotary Anns at the Stirling Community Hall.

The members of the Rotary Club are deeply appreciative of the splendid patronage by the citizens of Stirling and Community and wish to sincerely thank all who assisted in any way in making the visit of the Sunday Morning Class such a splendid success.

Stirling Prize List Available

Twenty Rinks Participate In a Three-Game Draw — Ladies Served Hot Supper

The prize lists for Stirling Fall Fair to be held on September 16th and 17th, have been published and distributed.

The Directors have spared no effort to make it attractive, with the amount of prize money being increased in several instances, while a large number of specials have been donated by outside firms and local citizens.

Horse Classes
The horse classes have each been revised and added specials have been added, which should result in one of the best shows of horses at Stirling Fair in years.

Ladies' Work
The ladies' work section of the Prize List has been completely revised and attractive prizes offered.

Public School Section
A special section for public schools in Sidney, Rawdon and Stirling has also been added, with good prizes being offered for school parades, and exhibits in various classes; see prize list for particulars. There is also a Junior Farmer Section and the Stirling Calf Club Achievement Day.

The farmers and their wives, as well as local citizens, are urged to get a prize list and be an exhibitor in one of the many classes offered. The Agricultural Society sponsors the Fair entirely in the interests of the farmers of the surrounding district and should be encouraged.

Copies of the prize list may be obtained from E. D. Ketcheson, Secretary.

Local Happenings of Interest About Town

Mr. and Mrs. R. A. Patterson and Tom left Tuesday to spend a week in Toronto.

Mr. and Mrs. S. Harter, of Herkimer, N.Y., are visiting at the home of Mrs. Hugh Morton.

Mrs. Hugh Morton spent a few days last week with Mr. and Mrs. J. G. Beatty, Toronto.

Mr. and Mrs. Harold Juby spent the week end in Peterborough with Mr. and Mrs. Roy Juby.

Mr. and Mrs. Gordon Bailey and Mr. and Mrs. J. S. Whitehead are attending Toronto Exhibition today.

Mr. and Mrs. Jas. Cranston, Joan Cranston and Isabelle Fox attended C.N.E., Toronto, on Wednesday.

Mrs. A. Leach has returned home from Thomasburg, after spending a week with Mrs. Blanche Scott.

Mr. and Mrs. W. K. Bailey and family, of Toronto, were guests on Tuesday, at "Bay Lee" Farm, Harold.

Mr. and Mrs. Chas. Davies and Pat of Aurora, were week end visitors of Mr. and Mrs. C. W. Duff, Oak Lake.

Miss Mary Agnes Fox is spending a few days with Miss Margaret Wilson, Fonthill and friends in Toronto.

Mrs. Robert Kerr has returned home from Toronto after spending several weeks with her son, Mr. Harry Kerr.

Mr. and Mrs. R. B. Bell and son, David, left yesterday for Syracuse, N.Y., where they will spend a few days with relatives.

Mr. and Mrs. Harold Dingman, and son, Bobby, of Montreal, spent last week with the latter's parents, Mr. and Mrs. Walter Barker.

Mr. and Mrs. Clifford Hatton, Bob and Mr. and Mrs. Chas. Porter, of

Local Rinks Tops In Tourney

Increased Number of Special Prizes Offered Exhibitors on Sept. 16th and 17th

Stirling bowlers won top honours in the annual Men's Trebles Tournament sponsored by the local Club yesterday afternoon and evening. Twenty rinks were in competition including five from Belleville, four from Campbellford, three from Madoc, two from Kingston, one each from Trenton, Brighton, Havelock and Coburg and two from Stirling. Three 15-end games were played with a maximum of 15 points allowed and some exceptionally keen bowling was witnessed.

Rain in the evening retarded the play and the finish was not reached until approximately 1 a.m. A hot supper was served by the ladies of the Stirling Club.

A Stirling rink consisting of A. Brooks, Dr. E. A. Carleton and H. R. Tompkins, skip, proved the best for the day, taking first prize, with three wins and a score of 45 plus 16. Collapsible aluminum chairs were given as prizes. In second place another Stirling rink, X. P. Mayhew, E. Ketcheson, and R. E. Fox, skip, had a score of 41 plus 7. Sport shirts were the prizes. A Wonnacott's rink, of Belleville, won third place with a score of 39 and received shirts as prizes. Archie Meyers, L. Glover and Dr. O. Watson, of Campbellford, were the high two-game winners, with a score of 37 plus 7 and received clocks as prizes. For one win, Joe Black's rink of Belleville, were high with a score of 34. A. Black and A. Symons were the other members of the rink. Socks were given as prizes.

Passes C.L.U. Exams.

Friends are extending congratulations to Mr. E. D. Ketcheson, local representative of the Canadian Life Assurance Company, on passing the final exams. on his C.L.U. course.

Died Suddenly

James Cavers, of Hamilton, died suddenly from a heart seizure at the cottage of Rev. Donald McInnes, Oak Lake, on Sunday morning. Mr. Cavers was a week end visitor of Rev. and Mrs. MacInnes.

Schools Reopen September 6th

Holidays are practically over for the hundreds of school children in Stirling and the surrounding community. Announcement has been made by the Department of Education, Toronto, that schools will re-open on Tuesday, September 6th, for the fall term. As it is, pupils will get an extra few days because the Labor Day holiday is so far advanced this year.

Honour Member Of Bridge Club

Members of a local Bridge Club honoured Mrs. G. L. Clute, who is leaving shortly for Toronto, at a dinner party on Wednesday evening at the Dutch Mill Inn, Trenton. Later the party was entertained at the home of Mrs. C. I. Hutton, Stirling, where Mrs. Clute was presented with a gold compact.

Completes Specialist's Course

Word has been received by Mr. C. A. Wells, principal of the Stirling Public School, that he has been awarded his specialists' certificate in Industrial Arts and Crafts. In addition to his specialists' certificate, Mr. Wells hold a permanent Elementary Manual Training Type B, a permanent Industrial Arts and Crafts, Type A, and Intermediate Arts and Crafts certificates and is qualified to teach shop work in any High School or Collegiate Institute. His many friends join in extending congratulations.

Nice Fishing!

J. R. Montgomery, of Toronto, son of Mrs. James Montgomery, Edward St., experienced some good luck fishing in the Trent River recently. On Sunday, August 21st, he hooked a muskie weighing 28 lbs. and measuring 42 inches in length, and on Thursday last he landed an eighteen-pounder measuring 36 inches in length.

Mr. and Mrs. Montgomery have been holidaying at Rainbow Fishing Camp on the Trent at River Valley for a number of years and this was his first big catch.

Legion Wins Second Place

In a game to decide second position in the Centre Hastings Softball League played at the Recreational diamond, Monday night, Stirling Legion defeated Minto 4 to 3 in eight innings.

The game was a pitchers' battle between Geo. Noble on the mound for the winners and Ray and Irvin Potts, for Minto. All turned in an excellent display and it was a tough one for either to have to lose. The Legion led three to two in the seventh and looked to be on the way to victory but Minto rallied and put across the tying run and had the winning run on third when the final out was called on a very close decision at first base. Legion put across the winning run in the eighth on a hit and a couple of errors in the Minto infield.

The final standing of the first four teams in the League is as follows:

	W	L	Pts.
Stirling Juniors	11	3	22
Legion	10	4	20
Minto	9	5	18
Sidney	8	6	16

Honoured Prior To Departure

Purse of Money Presented To Rev. and Mrs. R. W. Barker By Congregation

On Tuesday evening a community gathering was held at the home of Mr. and Mrs. Arthur Pyear in honour of Rev. and Mrs. R. W. Barker and family, prior to their leaving for their new pastorate. Mr. Ed. Pyear, acting as chairman, called the gathering to order and introduced the programme.

Verna Brown and Joyce Bailey played piano numbers. Mrs. Ross Hart and Douglas Pyear rendered vocal solos and Mrs. Joe Grills, Mrs. Ray Hagerman and Mrs. Ernest Grills gave readings. Mr. Harry Brown read an address from the congregation and Mr. Chas. Bailey presented a purse of money. Mrs. Harry Brooks read an address from the Young Adult Group when silver salad forks were presented to Rev. and Mrs. Barker and hymn books to Paul and Thomas.

The recipients made suitable replies. "Blest Be the Tie that Binds" was sung. Lunch was served and a social time enjoyed.

Rev. and Mrs. Barker and family left today for their new home in Wilton Grove, Ont.

Large Potato

On display at the News-Argus Office is a large potato grown in the garden of Norman Ray, local barber. The tuber measures 1½" by 12" and weighs one pound, thirteen ounces. According to our informant there were two potatoes in the hill from which the large tuber was dug.

Died In Winnipeg

Word was received on Tuesday by Mrs. Arthur Gordanier of the death of her sister-in-law, Mrs. J. A. Rodgers, in Winnipeg on Monday. Mrs. Rodgers, and her husband, visited relatives in Stirling and district this past spring and her many friends and relatives will regret to learn of her death.

West Huntingdon Won First of Finals

West Huntingdon Midget Softball team scored a convincing win over Stirling Merchants in the first game of the finals in the local Midget Softball League on Tuesday night by a score of 22 to 6.

McCurdy, on the mound for the winners pitched an excellent game, limiting the merchants to six hits, one a double by Bronson. He had ten strikeouts to his credit and gave up seven passes to the merchant hitters.

Phillips, Eggleton and Williams divided the pitching duties for the merchants and with the exception of Williams showed a complete lack of control. In all eighteen walks were handed the opposition, enough to lose any ball game.

McAvoy, Ryan, Haggerty, McGee, Lowe and Twiddy led the winners at bat, with McAvoy hitting a homer in the first inning with the bases full. Barney Ingram and Bronson were the best hitters for the locals. The fielding feature was Barney Ingram's catch of a line drive by McAvoy in the third inning.

West Huntingdon took the lead in the first inning, when they scored five runs on an error, five walks and a grand slam homer by McAvoy. They added one each in the second and third, seven each in the fourth and fifth and one in the sixth.

Stirling scored one in the first, two in the second, one in third and two in the fourth.

West Huntingdon — Haggerty, 1b; Post, rf; McCurdy, p; Hagerman, ss; McAvoy, 2b; Lowe, 3b; Ryan, cf; McGee, lf; Twiddy, c.

Merchants — R. Williams, c; Eggleton, 3b; Chanbort, rf; Phillips, p; Bronson, 2b; Anderson, 1b; Ingram, ss; McCurdy, lf; Palmer, cf.

COUNCIL MEETING

Owing to Monday, September 5th being a holiday the regular meeting of Council will be held

Tuesday, September 6th
at 8 p.m.

F. R. MALLORY,
Clerk

W.M.S. Presents Playlet Depicting Need In Europe

The August meeting of Mount Pleasant Rawdon Woman's Missionary Society was held at the church hall with 13 members and two visitors in attendance. The 1st Vice-President, Mrs. Roy Thrasher, arranged the program and presided. Mrs. Ross Hoard played quiet music and accompanied the singing of the hymns.

The worship service as outlined in the Monthly was based on the theme "Freely ye have received, freely give".

The highlight of the afternoon was a playlet entitled "Wanted, Gifts Gal-

lore for Europe and Asia", written by Eunice Byebrown, who visited Europe last summer and given by six members.

Mrs. Roy Thrasher, as narrator, said the setting was in Baarn, Holland, in the common room of a training college for missionaries of the Dutch Reformed Church. Two visitors from Canada, Mrs. Raymond McConnell, and Mrs. Bert Jeffs, continue to ask questions, as they are interested in finding out where the 14,000,000 people (more than the whole Canadian population) can find homes, and what is being done for these refugees. They are also anxious to have the program of "Hilfswerk" explained. This word means "Protestant Church Relief Work". And their slogan is "Many have sacrificed all, you ought

to sacrifice something".

Refugees
Dr. Schwartz (portrayed by Mrs. Elwood Johnson), is a German lady lawyer giving her training and skill to the work of the church, who explained the term "refugees" as referring to those people who were expelled from places where they had been living for hundreds of years. The refugees are mostly old people, women and children, homeless, half starved, wandering around looking for shelter. Many of these people have had comfortable homes and good farms and now they are housed in small camps with inadequate accommodations. Some of the Protestant church leaders have tried to do what they can themselves but Germany has few resources. The relief department at Hilfswerk

is concerned with the general care of those in need. This includes food, clothing and medical care for all ages. It seeks to help orphaned children, cripples, and invalids. Bibles, food and clothing are especially needed for men. Children's layettes are also urgently required.

Great Misery Portrayed
Dr. Peters (portrayed by Mrs. Arthur Phillips), is in charge of a school for training of women workers in the church. She tells of the great misery everywhere; homeless and hopeless youths wander about Germany from one town to another. She is able to interest a few of these young men, and to take them to youth relief homes, established through North Relief Funds.

Sister Marta (portrayed by Mrs. Percy MacMullen), is a deaconess, who stated that there are scarcely any houses in Hamburg, nearly all the people live in cellars. These holes can only be reached by climbing down a ladder and some have to borrow a neighbour's ladder every time they want to leave the hole or get into it. Underwear is badly needed, but any article of good used clothing will meet a real need. For years there will be a big demand for bed linen, and blankets. Even table cloths are needed to strengthen the morale. She read a letter of thanks from a woman who had received clothing for her little girl through the Protestant Church Relief Work.

The narrator pointed out that here in Canada our hands are full, while over in Europe their hands are empty. To us is given the opportunity to lengthen our arms, that out of our abundance we may send food and clothing to Britain, and the courageous churches abroad. Clothing for all ages, bedding and low heeled shoes should be packed and sent prepaid, either by freight, express or parcel post to "Canadian Church Relief Abroad, 250 Ossington Avenue, Toronto, 3, Ontario. Money can also be sent for shipping charges or for food to aid European churches, to the United Church Fund for Overseas Relief to the treasurer at 410 Wesley Buildings, 299 Queen Street West, Toronto, 2B. Anything sent will be greatly appreciated.

The leader continued with a poem, followed by "Fold To Thy Heart Thy

Brother". Mrs. Herbert Smith gave a paper on the subject "Giving".

It was decided to pack a bale in the near future for Europe. The next meeting will be held on September 14, at the home of Mrs. John Hay. Thirteen members answered the roll call with the keyword "Giving".

Mrs. Ruth Linn sang "Sweet Hour of Prayer" with Miss Betty McConnell as accompanist, following which, Mrs. Frank Jeffs synthesized the balance of the study book "West of the Gorges", dealing with the work of pastor Chu at Fowling, a city 150 miles below Chungking, on the Yangtze River. It has a population of about 60,000 people, and is the gateway to a very prosperous country.

Many gains were made by the Christian Church in West China during the war. The churches were always open and became in many instances temporary hospitals, following air raids. The outstanding need is for evangelists who will answer the call to go to China.

Estimate Pony's Age 45 Years' Believed Oldest In Ontario

Believed to be the oldest living horse in Ontario, if not in Canada, a 45-year-old Shetland pony on the farm of Mrs. Thomas Reid, R.R. 1, Bonarlaw, northeast of Campbellford, is living out his days as an honoured pet of the family.

Mrs. Reid purchased the pony nine years ago as a pet for her family of three small children and also to save him from the glue yard.

The early history of the aged pony goes back farther than the memory of most of the residents in the Rylstone

district where the Reid family lives. One or two district farmers recall the pony about 20 years ago but he was an "old" horse even then. Since that time the pony has been owned by at least half a dozen farmers around the Rylstone settlement.

Possibly the greatest champion of the old pony is Mrs. Reid's 13-year-old daughter, Blanche, employee of the Bank of Montreal, at Stirling.

Home on week ends, Miss Reid pampers the old pony and feeds him potatoes and carrots and recalls when she and her younger sister, Cora, used to harness old "Ned" and go fishing or for the mail, and the dozen other things which can be done with a pet pony.

"He used to run away every chance he got," Miss Reid rather proudly asserted. "But he is too old now and we do not hitch him up."

Old "Ned's" back teeth are gone and he cannot eat hay in the winter. As a result during the winter months he is a steady customer for the Reid family's grain bin. In the summer he gets by on grass but the dry pastures this year have told on his condition.

The Reid family realizes that "Ned's" span of life now is about ended, but they are happy in the thought that at a cost of \$10 they saved his life nine years ago. "Ned" will spend his remaining years as a guest on the Reid homestead.

BONARLAW

Mrs. H. T. Thomas and son, George, of Guelph, are spending a few days this week renewing acquaintances in this vicinity and at Springbrook.

Mr. and Mrs. A. B. McComb and son, Jack, spent the week end visiting Mr. and Mrs. Hugh Nicholson and family at The Ridge and called on Mr. and Mrs. Allan Carroll at St. Ola.

DAFOE-KELLAR

On Saturday, July 16th, a pretty wedding was solemnized at the home of Mr. and Mrs. Frank Kellar, when their elder daughter, Marian Ruby, became the bride of Dean Francis Dafoe, son of Mr. and Mrs. Clarence Dafoe, of Foxboro. The ceremony was performed by the Rev. Morley Clark, of the West Huntingdon circuit, assisted by Kenneth Stewart, of Lakefield. Miss Dorothy Reid, of Holloway, furnished the wedding music. Mrs. Floyd Ray, of Holloway, was soloist and sang before the ceremony, "O Promise Me" and during the signing of the register, "I Love You Truly".

The bride wore a floor length gown of blue taffeta with long veil held in place by a halo of braided satin and she carried an arm bouquet of deep pink carnations.

Miss Helen Kellar, sister of the bride was bridesmaid, wearing a floor length gown of orchid moire taffeta, with shoulder length veil and she carried an arm bouquet of pale pink car-

nations.

Mr. George Dafoe, of Foxboro, was groomsmen.

The groom's gift to the bride was a set of travelling cases, to the best man, a cigarette case. The brides' gift to the groom, a gladstone bag, to the bridesmaid, a salad set, to the organist, salt and pepper shakers and to the soloist and serviteurs, China dishes.

Dinner was served by the Misses Jane Gay, Jean Post, Doris Kellar, Rosie Reid.

Mr. and Mrs. Dafoe left by motor for a trip to Toronto, Hamilton and Niagara Falls. On their return they will reside at Foxboro.

Guests were present from Toronto, Lakefield, Belleville, Foxboro, Holloway, Madoc and Ivanhoe.

Seasons, Limits For Fall Shooting Set By Ottawa

The Resources Department has outlined regulations and seasons for

hunting ducks and geese in the various provinces of Canada. In general, the regulations are the same as last year, with a few changes in season dates.

For the first time in history, the regulations extend to Labrador and Newfoundland.

Ontario has a variety of seasons. In Northern Ontario the season for both ducks and geese will be from Sept. 17 to Nov. 10. In Essex County the season will be Oct. 15 to Dec. 8 for ducks, and Nov. 7 to Dec. 31 for geese. In the remainder of the southern district the dates will be Oct. 15 to Dec. 8 for ducks and Oct. 15 to Dec. 8 for geese.

The season also varies in different parts of Quebec. In the northern section the season for ducks, other than elder and wood ducks, and for geese, other than Brant, will be from Sept. 17. In the south, the dates are Oct. 17, the season runs from Sept. 24 to Nov. 17. In the south, the dates are Oct. 15 to Dec. 8.

The Brant season will run from Oct. 11 to Nov. 10 in the northern section, which takes in the Magdalen Islands, Red Islet, White Island, Hare Island, Seal Island and the counties of Quebec, Montmorency, Charlevoix and Saguenay. The season will be Oct.

18 to Nov. 17 in the southern section, which takes in most of the province on the south shore of the St. Lawrence River. In the remainder of the province the season will be from Oct. 15 to Nov. 14.

Bag limits will be seven ducks and five geese in any one day and 100 ducks and 25 geese in a season.

Fourth Series Canada Savings Bonds To Go On Sale

A Fourth Series of Canada Savings Bonds will go on sale across Canada in October. This was announced at Ottawa by the Hon. Douglas Abbott, Minister of Finance, who, at the same time, gave notice that Canada Savings Bonds, Series Three, will be withdrawn from sale on August 31st. The Minister said that the decision to issue a Fourth Series of Canada Savings Bonds was prompted by the enthusiastic response that had attended the previous three offerings.

Since 1946, when the First Series of these bonds was issued, Canadians have made more than three million purchases of Canada Savings Bonds, to a total value of more than \$1 bil-

lion. Last year purchases on the Payroll Savings Plan by employees of thousands of Canadian companies, reached a new high of \$118 million. More than 43 per cent of all employees to whom the payroll plan was made available bought bonds.

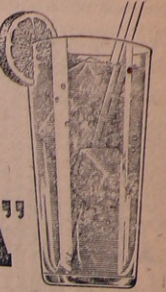

Although terms of the new issue have not yet been announced, it is expected that the Fourth Series will retain the features which proved so popular in the first three. As in the past, the bonds will be available through banks and investment dealers as well as on the Payroll Savings

Plan. Preparations for the Fourth Series are well advanced. The six regional directors responsible for the excellent payroll results in Series Three have been reappointed. They are: British Columbia, L. F. Worsley, Vancouver; Prairie Provinces, H. A. Benham, Winnipeg; Ontario, J. H. Ratcliffe, Toronto; Quebec, G. Gingras and E. S. Morse, Montreal; Maritime, C. T. Watt, Saint John, N.B.

Most men work about one-quarter as hard as they say they do.

THE MARVELLOUS NEW COOKING GAS NOW AVAILABLE FOR YOU IN YOUR OWN KITCHEN!!

You'll hardly believe this at first - but it's all perfectly true!

Any home, anywhere in your county, whether on a farm or in town, can have all the advantages of the most modern gas cooking!

These advantages and benefits include a gleaming white enamel range, instant heat at the touch of a switch, automatic lighting, smokeless, odorless flame, oversize oven with accurate temperature control, easy-clean burners—all at a cost so moderate that you will be amazed!

Essotane is Economical!

A new way of life—a new happiness—will be yours when you have an Essotane gas stove in your kitchen.

Essotane banishes the problems of dry kindling, an expensive supply of coal or wood, laying the fire, tending it, etc., and all the wasted heat when you have a fire and don't need it—to say nothing of the work caused by smoke and soot from a coal or wood stove.

Essotane cuts your kitchen work in half. You will prepare better meals in less time. Better food, better health

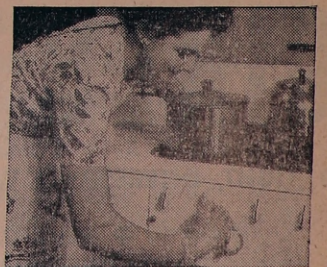

for the whole family. More leisure!

The safe Essotane gas is led to your stove through a small copper tube from a cylinder outside your house. Cylinders are replaced by Imperial Oil Limited so that you have a constant supply of Essotane at all times.

You owe it to yourself to find out how Essotane will make life easier and happier for you. Don't think you've got to put up with the old-fashioned kitchen range all your life. Send the coupon and get the facts!

PERFECT COOKING RESULTS — Gas oven-cooked foods don't dry out as much... cakes get a better bake... roasts are juicier. With Essotane you use a beautiful modern gas range that smartens up your kitchen.

MORE LEISURE. Essotane is the perfect cooking fuel—gives you the exact degree of heat when you want it. Makes cooking a joy. The convenience, speed and cleanliness of Essotane mean extra leisure time for you. Send for free booklet today.

RIVER VALLEY WOMEN'S INSTITUTE

Sept. 1st — Meeting at the home of Mrs. J. Sager.
Keep your books about Bristol in circulation.

Mrs. Brennan, of Campbellford, were Monday afternoon and tea guests of Mr. Alex Johnston and Della.

Mr. and Mrs. Don Johnston and Joyce and Mr. Bob Johnston, of Campbellford, were Sunday visitors at the home of Mr. and Mrs. Ernest Maybee.

Mr. and Mrs. Clifford Clancy and Mr. and Mrs. Carman Nix and Charles spent four days in Ottawa and district last week and attended the Ottawa Exhibition. They also visited the Parliament Buildings and Peace Tower.

Mr. and Mrs. Everett Maybee spent a few days in Toronto and attended the Exhibition.

Mr. and Mrs. Reg. McGee and Donna attended the Field Day at the R.C.A.F. Station, Trenton, on Tuesday.

Marsh Hill

Mrs. Frank Finkle, Leslie Finkle, Frank Lough and Fred Campbell attended the funeral of Mr. John Fenn at Madoc on Friday.

Miss Beverley McKeown, of Bonarlaw, spent a few days with Miss Barbara Brown.

Miss Allison Vanderwater, R.N., of Toronto, having returned from a tour

of the east coast, is spending a few days at the home of her parents, Col. and Mrs. Roscoe Vanderwater.

Mrs. Bill Barlow, of Bonarlaw, spent Thursday evening at the home of Mr. and Mrs. John Brown.

Wilma and Wanda Lough, of Belleville, are visiting their grandfather, Mr. Frank Lough.

Mr. and Mrs. Ralph Campbell left Tuesday evening for Quebec City and will sail from there to Liverpool, England. Ralph will attend Oxford College for two years.

Miss Helen Bartlett, Foxboro, has been visiting her sister, Mrs. Allyn Finkle.

Miss Margaret Vanderwater has returned to Toronto after spending a few days at home.

Mrs. Robt. Campbell spent Monday afternoon at the home of her son, Mr. Fred Campbell.

Mrs. Gena Vanderwater has returned home after visiting in Waterloo.

Rylstone

Misses Marie and Elizabeth Sheppard, from Peterboro, have been visiting their aunts and uncles, Mr. and Mrs. Carl Reid and Mr. and Mrs. Lindsay Finch.

Mr. and Mrs. Clarence Thomson, nee Dorothy Spencer, are proud parents of a baby boy, Brian Herbert, born Monday, August 15th, in Belleville Hospital. Congratulations!

Rylstone United Church will hold their anniversary services on Sunday, September 11th, with Rev. Vaclavik, of the Rawdon Circuit, preaching at both services. There will be special music by the choir, assisted by Springfield choir.

Mrs. Anne Buchanan, of Campbellford, spent a few days recently with her relatives at Rylstone.

Don Reid is recuperating after having undergone an operation for appendicitis in Belleville Hospital.

Laird Melkjohn, of Brantford, is spending his vacation with his father, Richie Melkjohn and Marie and Jack.

Several from here attended Peterboro Fair last week.

SHOE COMPANY OF CANADA LTD.

30th, at approximately 9.30 o'clock, D.S.T. The terrible occurrence took place at the perilous Centre Street railway crossing in town. Four were killed immediately and Faye Milne, aged 10 years, died early Wednesday morning, after removal to Campbellford Hospital.

Ken Milne, 36, Mrs. Ken, Milne, formerly Pauline Ingram, the latter's mother, Mrs. Ernest Ingram, and 8-year-old Betty Milne, daughter of Mr. and Mrs. K. Milne, were almost instantly killed when an Eastbound freight train hit the late model Studebaker car driven by Ken Milne, apparently broadside, and rolled the wrecked automobile some 300 yards up the track strewn the bodies along the railway right-of-way. The only passenger in the car to survive, temporarily at least, was Faye. She died at 6.30 a.m. Wednesday.

—Campbellford Herald

Wellman's Women's Institute

A good attendance of the members of Wellman's Women's Institute met on August 17th at the home of Miss Della Johnston.

The president, Mrs. Chumbley, open-

ed the meeting with the opening ode and the Lord's Prayer.

Miss Ruth Clancy gave the motto for August, "The mind makes the body rich". The minutes of the last meeting were read and approved. The roll call was answered by a trick to refresh a sick room and brought out many suggestions for brightening the room and cheering the sick. Mrs. Todd gave a reading on hints for the home nurse.

Mrs. Pollock had charge of the topic, based on Interior Decorating and discussed colour schemes and window dressing and gave suggestions as to improving the appearance of rooms as to their proportions.

Misses Ruth Clancy and Patsy Pollock gave a demonstration of individual salad plates for the main course meal. These were judged as to nutritional value and colour.

Readings were given by Mrs. Thrasher and Mrs. Chas. Dunham; a solo, with guitar accompaniment by Mrs. Fred Beckett; also a solo, with guitar accompaniment by Mrs. Geo. Watson. A quiz contest on the home was conducted by Miss Della Johnston.

The programme was arranged by Mrs. Clarence Dunham, convener for Home Economics and Health.

NOTICE

To Public School Teachers, Pupils and
Parents of Sidney Township --

Inoculation will be carried out by Dr. D. McMullen, Medical Officer of Health, Sidney Township, according to the following schedule:

(Sections mentioned refer to what they were before the School Area)

WEDNESDAY AFTERNOON, SEPTEMBER 7TH

Riverside	—	S.S. No. 17
Glen Ross	—	S.S. No. 22
River Valley	—	S.S. No. 19
Eggleton	—	S.S. No. 24
Turner's	—	S.S. No. 16
Marsh Hill	—	S.S. No. 20

Teachers are requested to obtain written permission from parents to have the inoculation.

The children will be inoculated for Diphtheria and Whooping Cough and Vaccinated for Smallpox.

A Booster dose, as desired by the parents, will be given to those children who were inoculated four or more years ago.

R. VANDERWATER,
Sec. Board of Health, Sidney Tp.

Minto

Mrs. Richard Clements underwent an operation in Kingston General Hospital on Wednesday of last week. Friends hope for a speedy recovery.

Mrs. J. B. Hagerman spent a few days last week with Mrs. Ethel Hoard, Stirling.

Mr. and Mrs. Delbert Sine and Mr. and Mrs. Ivan Saries enjoyed a motor trip to North Bay during the week end.

Mr. and Mrs. Lindsay Tanner attended the Toronto Exhibition on Saturday.

Miss Beverley Morgan, Stirling, spent last week with her aunt and uncle, Mr. and Mrs. Lindsay Tanner.

Mr. Arnold Creaser preached his farewell sermon at Salem United Church on Sunday.

Mount Pleasant

A former pastor, Rev. F. G. Joblin, Port Perry, attended the evening service at Mount Pleasant Church Hall and spoke briefly. His brother-in-law, Mr. Fred Elgie, of Belleville, was also in attendance.

Mr. and Mrs. Edward Montgomery returned to their home in Foxboro on Thursday evening having enjoyed a three months' holiday across the prairie. Mr. Montgomery spent Sunday with Mr. and Mrs. Percy MacMullen.

Mr. Gordon Reid attended the C.N.E. at Toronto and spent a few days in Buffalo.

Mr. and Mrs. Earl Rutten and Marie of Kingston, are holidaying with her parents, Mr. and Mrs. Clifford Sine.

Mr. and Mrs. James Menzies accompanied Mr. and Mrs. James Campbell, of Oak Hills, and Mrs. E. Wannamaker, of Ottawa, and visited relatives at Morganston, on Sunday.

Messrs. Robert Hoard, Carleton Phillips and Ralph Johnson left on Sunday on a Harvesters' Excursion to the West.

Master Jimmie Johnson, Campbellford, is spending some time with his grandparents, Mr. and Mrs. Elwood Johnson. Jimmie has been undergoing treatments at the Children's Hospital, Toronto, and his hand is slowly improving.

Mrs. James Sharp spent a few days recently with Mr. and Mrs. Hamilton Donnan, Ridge Road.

Mrs. Bert Jeffs and Mrs. Percy MacMullen, officers of Belleville Presbyterian attended a meeting Tuesday afternoon in Bridge street United Church, Belleville, when plans were made for the Belleville Sectional Rally which will be held in Grace United Church, Trenton, the third week of October. The hostess ladies will serve a seventy-five cent dinner.

Mr. Eric Summers is relieving foreman at Lakefield Railroad section. The ladies of Rawdon Parsonage Board spent a day last week housecleaning the old parsonage in Stirling. Mrs. Morris Rose and family have purchased the property.

Mr. and Mrs. Ernest White attended the 50th wedding anniversary of Mr. and Mrs. David Cotten.

Mr. Cecil Nelson, Campbellford, and Mr. James Menzies, and Mr. Jack McEathron visited the latter's brother at Hermon recently.

Mr. and Mrs. Clifford Sine and Doris entertained on Sunday, Mr. and Mrs. Carl Hay and Mr. and Mrs. Bruce Merriott, of Fenella, also Mr. and Mrs. Earl Rutten and Marie, of Kingston.

Several folks from Mount Pleasant attended the ball game Saturday evening, sponsored by the Stirling Rotary Club, when the Sunday Morning Class Girls' Softball Team, Toronto, played Hastings County Rural All-Stars Men's Team, with the latter winning the laurels.

Mrs. Eric Summers and children spent a couple of weeks with her parents, Mr. and Mrs. A. Scriber, Birdsall.

The showers of rain over the week end were deeply appreciated.

Mrs. Ford Stapley and children, of Eggleton, spent a few days last week with Mr. and Mrs. Cyrus Summers.

Mrs. Irvin Reid received word that her brother, Mr. Ray Harvie, Brighton, had lost his barn by fire while a threshing machine was in operation.

Rev. and Mrs. N. Cole, Hastings, Rev. and Mrs. Harold Robbins and daughter, Carol, of Nova Scotia, spent Sunday evening with Mrs. Allen Bailey.

S. G. Robertson Appointed K.C. By Attorney-General

S. Gordon Robertson, Assistant Crown Attorney for Hastings County, has been appointed Kings' Counsel by Hon. Dana Porter, it was announced in Toronto. Mr. Robertson, besides being the Assistant Crown Attorney, is practising law privately in Belleville.

West Huntingdon Presbyterian W.M.S.

On Thursday afternoon, Mrs. John McInroy opened her home for the W.M.S. meeting of St. Andrew's.

The theme was Christian Stewardship. The president, Mrs. J. McInroy opened the worship service by reading a poem, "The Gospel According To You". The hymn "More About Jesus" was sung, followed by prayer.

The roll call was answered by a verse of scripture. A paper on the theme, prepared by Mrs. J. C. Sills, was read by Mrs. Harry Thompson.

A pleasing duet was rendered by Mrs. Howard Cooke and Mrs. Mac Saries. Mrs. Harold Thompson gave a portion of the study book. Mrs. J. McInroy and Beverley sang a duet, "Little Sunbeams".

A few items of business were discussed. "He Leadeth Me" was sung, followed by the Benediction.

The hostess served refreshments. Mrs. Harold Thompson expressed the appreciation of the group to Mrs. McInroy and to the visitors for contributing to the programme.

DOMINION STORES LIMITED

Hello Homemakers! There is a new generation of lunch carriers this month. Many young children begin school and many walk off with their mid-day meal in a box. Only 17 per cent of Ontario's rural elementary schools provide a portion of the noon meal. If more interest could be taken in the child's lunch, the child would show more interest in school studies. Where food can be reheated it is a simple method for the rural teacher to help. Today, we know that milk is the

most perfect food. Many hot milk dishes may be prepared and taken in glass jars with the name written on an adhesive tape label. Then the jars can be heated in a water-bath at the school. In this instance the school board works with the teacher and equips the school with simple cooking utensils. Here are suggestions for the hot jar: Cream of Vegetable soup, Scalloped Potatoes with Sausage, Stew, Creamed Beef, Creamed Eggs, Creamed Cheese and Rice, Creamed Fish, Baked Beans, Corn Scalloped with Bacon, Rice Pudding, Stewed Fruit and Pie Filling. With this main dish prepared the day before, it is wise to wrap up fresh food to complete the lunch. We prefer to buttered brown bread or sandwiches, carrot or turnip sticks, raw tomatoes, radishes or celery, cookies or cake. There are a few schools where a hot dish is prepared under the supervision of an older pupil or the teacher. This luncheon supplemented by some food brought from home, provides an adequate meal. For example: Baked potatoes scheduled for Monday's hot pot may be the cue for mother to prepare meat sandwiches and a jar of pudding. On Tuesday, the dish of baked beans calls for buttered brown bread, a raw apple, cookies and milk. On Wednesday, scrambled eggs may suggest graham muffins, orange, piece of cake and milk. On Thursday, thick vegetable soup goes with egg sandwiches, bunch of grapes and milk. On Friday, scalloped tomatoes and bacon can be rounded out with peanut butter sandwich, carrot sticks and milk.

From these ideas you can tell we are trying to include at least one item from each group of necessary foods. Milk, meat, fish, eggs or peanut butter, whole wheat bread, muffins or cookies of whole grain, raw or cooked vegetable or fruit.

TAKE A TIP

1. Reserve a space in your cupboard for lunch utensils, wax paper and stable ingredients for sandwiches.
2. Provide a well-ventilated metal lunch box. Scald it out daily.
3. Select a tightly covered container with a gold lined lid for milk and puddings.
4. Sandwiches should be wrapped in wax paper, covered with a damp cloth if stored over night.
5. Tuck in surprises such as raisins, marshmallows, or coloured serviette.

THE QUESTION BOX

Mrs. T. J. requests:
TOMATO SANDWICH FILLING
12 medium-sized ripe tomatoes
3 onions
3 cup salt
1 1/2 cups granulated sugar
4 red sweet peppers
1 green sweet pepper
6 teaspoons dry mustard
1 1/2 cups flour
1 cup vinegar
Cook tomatoes and onions until soft. Put through sieve. Add salt, sugar and vinegar, then the pepper which have been put through food chopper. Heat this mixture. Add mustard and flour which have been mixed together with enough vinegar to make a smooth paste. Stir well and cook until thick. Pour into sterilized jars and seal with paraffin. Yield: approximately 3 pints.

Mrs. M. R. requests:

CEREAL MEAT LOAF

- 1 cup quick-cooking rolled oats
 - 3 cup tomato juice
 - 3 cup tomato ketchup
 - 1 pound minced lean beef
 - 2 teaspoon salt
 - 2 teaspoon pepper
 - 1 tablespoon chopped parsley
 - 1 cup finely-chopped onion
 - 1 cup mashed, cooked, seasoned turnip, cold
 - 1 cup finely-chopped raw celery
 - 1 egg
 - 2 tablespoons fine-flavoured dripping
- Combine the rolled oats, tomato juice and tomato ketchup and let stand while mixing the other ingredients. Loosen the minced beef with a fork and sprinkle with the salt, pepper and parsley; add the onion, turnip and celery; mix lightly together.

Beat the egg slightly and add to rolled oats mixture. Add oat mixture to meat mixture and again mix lightly. Turn the soft moist mixture into a greased loaf pan and smooth the top. Dot top with the dripping. Bake in a moderate electric oven, 350 degrees, about 1 1/2 hours.

TEN THOUSAND TRACTORS FINANCED UNDER FIRA IN SIX MONTHS

The farmers of Canada borrowed eleven million dollars under the Farm Improvement Loans Act to finance the purchase of 10,000 tractors in the first six months of 1949. Another five million was borrowed to finance other agricultural implements and trucks.

This Interim Report on operations under the Act shows total loans to June 30th amounted to eighteen million dollars, an increase of 45 per cent over the same period last year.

These loans are made to farmers through the chartered banks of Canada and guaranteed in part by the Government. They are made up to \$3,000 from one to ten years.

Loans may be obtained for every purpose for the improvement and development of farms and for the improvement of living conditions thereon.

Early the average farmer who in the past has frequently not been able to secure bank credit for these purposes. It provides credit under terms and conditions which are convenient and suitable to the needs and conditions of the particular farm borrower and to the part of the country he lives in.

For example 689 loans were made in the first six months of 1949 amounting to \$309,713 for brushing and clearing over 36,000 acres of land in the new agricultural areas opening up in Canada. Also, \$72,000 was borrowed for the installation of farm electric systems and \$960,000 for farm building and repairs.

For the past four years of operations under the Farm Improvement Loans Act the farmers in the Western Provinces have used the facilities to a much greater extent than the farmers in the East. However, this Interim Report shows that loans in Ontario have increased 68 per cent, Quebec 132 per cent and the Maritime Provinces 99 per cent as compared with 31 per cent increase in the Prairie Provinces.

Death Takes No Holiday Doucett Warns Week Enders

Recipe for danger-filled Labor Day week end is given by Highways Minister George Doucett who states flatly that unless all of us behave sensibly while driving or walking a terrible accident total will be recorded for this period.

"Take the thousands of Canadian and American tourists bringing their children home for school opening," he explains, "add the thousands of others headed for the Canadian National Exhibition and other points, mix with those taking advantage of the last public holiday of summer, and the hordes of children having their last carefree fling before school opens, and you have an explosive condition that can strew death and destruction the length of our highways."

The Minister urges that all heed the grim lessons of other holiday week ends — of last Labor Day when 11 were killed, of Dominion Day, 1949, when the accident death toll was 13, of the recent August civic holiday that chalked up 11 traffic fatalities.

"There are traffic rules laid down by law and rules of conduct that our own common sense should dictate," Mr. Doucett emphasizes. "If we obey the laws to the letter and heed our own decent instincts by courteous conduct, we will be more certain of a Labour Day holiday that doesn't end in tragedy."

Though the majority of citizens respect the rights of others, there are, points out Mr. Doucett, too many who due to impatience, irritability and plain bad manners make themselves a constant menace to their fellows. Provincial and municipal police will be watching for these offenders, warns the Minister. Those who cause accidents for any of these reasons will on conviction have their drivers' licenses and owners' permits suspended.

ATTENTION !

ALL WHEAT and SMALL GRAIN GROWERS

... Try "NA-CHURS" LIQUID FERTILIZER CONCENTRATE this year

Last year several wheat farmers treated seed wheat with "NA-CHURS" LIQUID FERTILIZER CONCENTRATE and apparently had good results.

Using "NA-CHURS" Liquid Fertilizer Concentrate for this purpose is still in the experimental stage but we believe you should try it. Preliminary tests indicate a quicker start which may aid in earlier maturity and better yield.

The cost is very little and if it will increase your wheat yield, it is too good to pass up. Many enthusiastic growers have written about the fine results obtained with "NA-CHURS".

ASK US TODAY !

ABOUT THE ONE GALLON TEST !

One gallon of "NA-CHURS" will treat 8-10 bushels of seed grain at a cost of approximately \$1.00 to \$1.25 per acre.

Enjoy These Advantages

★ Completely Safe -- No Burning

★ Easy To Apply -- No Bulky Weights

★ Economical -- No Waste

FOR MORE INFORMATION ON "NA-CHURS" LIQUID FERTILIZER CONCENTRATE, COME IN OR CALL US TODAY !

W.A. Meeting

The August meeting of the W.A. was held at the home of Mrs. Ed. Pyear and Mrs. Helen Neal. The president, Miss Marion Carlisle, was in charge of the devotional and business periods. It was decided to hold a cooking sale at Oak Lake later in August. For the programme, Mrs. Mabel Megginson gave an interesting address on her trip and holiday in California last winter, interspersed with humorous incidents. Verna Brown and her girl friend sang a chorus. Lunch was served by the hostess.

Mr. and Mrs. Arthur Pyear and Mr. and Mrs. Douglas Pyear and Barry spent last Sunday with Mr. and Mrs. Herb Caskey, Norwood.

Mrs. Russel Hubel spent a few days with Mrs. Roy Wilson, Napanee. Miss Marian Carlisle entertained four of her nieces on their holidays last week.

Mr. and Mrs. Jack Brown and Mr. and Mrs. Harry Brooks enjoyed a day's trip to Algonquin Park recently. Mr. and Mrs. Harry Brown and Verna visited Mr. and Mrs. Gordon Burley, Deseronto, on Sunday and Verna remained for a few days.

At the church service on Sunday evening, Rev. R. W. Barker held a baptismal service. Barbara Cecile, daughter of Mr. and Mrs. Clayton Stapley and Barry Douglas, son of Mr. and Mrs. Douglas Pyear, were christened.

Mr. Wm. Carlisle is confined to his bed with shingles.

Mr. and Mrs. Clifford Hubble visited their daughter, Louise, at Thistle-down Hospital, near Toronto, where she is being treated for polio.

Springbrook

Mr. and Mrs. George Thompson, Mr. and Mrs. Joe Thompson, Mr. and Mrs. Clayton Thompson and boys spent a week recently camping at Salmon Lake.

Mr. and Mrs. Earl Green and family of Stirling, were guests of Mr. and Mrs. Wesley Heath on Sunday.

Mr. and Mrs. Wm. Fleming and boys, of Mount Pleasant, were dinner guests of Mr. and Mrs. A. Runnalls on Sunday.

Mrs. Walter Potts spent a few days recently with Mr. and Mrs. Malcolm Mason and family.

Mr. and Mrs. Everett Boldrick, of Belleville, were week end guests of Mr. and Mrs. Percy Mumby.

Mr. and Mrs. Frank Tanner and Carol, Toronto, spent the tea hour on Friday with Mr. and Mrs. Hiram Mumby and Mariel.

Mr. and Mrs. A. McMurray, Gilmour, were recent guests of Mr. and Mrs. W. A. Flavell and Wayne.

Mr. and Mrs. John Burkitt were recent guests of Mrs. S. McComb and Mrs. A. McInroy.

Mr. and Mrs. Neil Pane, of Trenton, were week end guests of Mr. and Mrs. Ed. Bateman.

Mr. and Mrs. Reg. Morgan, Long Branch, were week end guests of Mrs. Thos. Morgan. Tommy Morgan, who has been holidaying here returned home with them.

Mr. and Mrs. Malcolm Mason and Lois spent Thursday at Toronto and attended the C.N.E.

Miss Ruth Bateman, Belleville, spent the week end with Mr. and Mrs. Percy Bateman.

Mr. and Mrs. Clayton Burkitt and Denton attended Sports' Day at the R.C.A.F. Station, Trenton on Tuesday.

Mr. and Mrs. Percy Smith are spending a few days visiting relatives at Teeswater.

West Huntingdon

A number of friends and neighbours attended the funeral of the late Mrs. Archie Adams on Sunday afternoon. Mrs. Lainson left Monday to visit friends in Buffalo.

Mrs. Don Haggerty, Jean and Miss Lois Weaver motored to the United States via Ivy Lea on Tuesday morning.

Mrs. Dr. Moran and family returned home after holidaying with the former's parents, Mr. and Mrs. W. Bray.

Miss June Bound, of Warkworth, and Miss Carol Thompson, of Corbyville spent last week with their grandparents, Mr. and Mrs. Harry Thompson.

Mrs. E. Post and baby daughter, Brenda, have returned home after spending the past week at Mrs. E. Bailey's.

Mrs. Morley Haggerty spent a few days last week with her sister, Mrs. A. Watt, of Toronto.

Friends of Mr. J. C. Sills will regret to learn that he is seriously ill in the hospital at Kingston.

Mr. and Mrs. Delbert McCurdy and family were dinner guests of Mr. and Mrs. Earl Fox, Carrying Place. Leo Fox returned home having visited his cousins Donald and Reggie McCurdy, during the previous week.

Mr. and Mrs. C. Fargey are spend-

ing a few days in Toronto and points West.

Mrs. Jim Gunning and Mr. and Mrs. A. Gunning, of St. Thomas, called on Mrs. S. McCurdy and family recently.

Mrs. Barton Haggerty and James Thomas arrived home from Belleville Hospital on Sunday.

Mrs. Peter McInroy is visiting her daughter, Mrs. A. Campion, of Marmora.

Mrs. Smith, of Niagara Falls, is spending this week at the home of her brother, Mr. J. C. Sills.

Mrs. V. Barrager has been visiting friends at Madoc.

Mr. and Mrs. C. Fargey, Mr. Don Fargey and Carol attended the Good-fellow-Atkins wedding on Saturday.

Mr. Arnold Creaser was a tea hour guest at the home of Mr. Herb Burke on Sunday evening.

River Valley

Farmers in the community have been busy picking corn this past week and hauling it to the canning factory.

Miss Eleanor Bush enjoyed a few days holiday this week visiting friends in Peterborough.

Mr. and Mrs. Ernest Carr and Donnie spent Sunday with Mr. and Mrs. Wilbur Bateman, of Tweed.

Mr. and Mrs. Edward Kent and family spent a few days in Toronto this week and attended Toronto Exhibition.

Congratulations to Mr. and Mrs. Edward Heasman on the arrival of a baby girl born August 28th at Belleville General Hospital.

Congratulations to Mr. and Mrs. Ernest Carr on the arrival of a baby boy, born August 31st at Belleville General Hospital.

Engagement

Mr. and Mrs. George Sables, Stirling, wish to announce the engagement of their only daughter, Barbara Dawn, to Jack Reginald, son of Mrs. W. J. Haggerty, Stirling, and the late Mr. Haggerty, the marriage to take place in St. Andrew's Presbyterian Church, Stirling, on Saturday, September 24th, at 2 p.m.

Bancroft Tax Rate 108 Mills

At a regular meeting of the Bancroft village council held recently, the council set the mill rate for 1949 taxes at 108 mills. This is the highest rate ever paid in the village, and is due to the increased cost of village improvements and the additional cost of Education Instruction.

Dedication Service At Eggleton Church

On Sunday next, September 4th, a pulpit Bible presented to Eggleton United Church by the Sunday School in memory of Ross Bridges, will be dedicated. Rev. Morley Clarke will conduct the service which opens at 2.30 p.m. The late Mr. Bridges was the efficient secretary of the Sunday School for some time and died July 19th last.

Council Holds Special Meeting

Village Council held a special meeting on August 19th to discuss the route by which the new highway from Campbellford would enter the Village. L. Langlois, County Roads Engineer, of Belleville, and J. Bell, of Marmora, Chairman of the County

JUST A SUGGESTION

The fibre content of the 1949 crop is higher than usual. Would it not pay dividends to have your grain ground and mixed with a concentrate to meet your requirements and satisfaction?

Directors Complete Plans To Make Stirling Fall Fair The Best Yet

Good Programme Promised — Green Shows, Midway, Garden Bros. Entertainers

Plans for the finest Fall Fair ever put on by the Stirling Agricultural Society in the Stirling Fair Grounds are nearing completion as members of the Fair Board meet regularly to discuss final arrangements for September 16th and 17th next.

Garden Bros. Entertainers

The programme committee has lined up various attractions, including the Green Shows for the midway and Garden Bros. Entertainers for the concert in Stirling Theatre on Saturday night, September 17th. Garden Bros. have supplied entertainment for several fairs, including the Belleville Exhibition, and have established a reputation for good, clean entertainment. Patrons of Stirling Fair are assured of the best in entertainment.

Harness Races

Harness races, including the Free-For-All for \$200. purse, and a 2.25 Class for \$1500. purse, will highlight the Saturday afternoon programme. A special prize will also be given to the driver driving the fastest heat in each class. In addition, there will be bicycle races for the boys and girls, drawing contest, tug-of-war, Old-time Fiddler's contest, singing contest, step dancing, nail-driving contest, baby show, 3 classes; hog-calling contest, etc.

Beauty Contest

The Beauty Contest, which proved such a success last year, has again been arranged for. Liberal prizes will be offered and the ladies of the district are urged to place their entries with secretary E. D. Ketcheson, as soon as possible.

Remember the dates, September 16th and 17th, and plan to meet your friends at Stirling Fair. Watch the local paper for more complete details in later issues.

Teaching At Wellington

Mr. and Mrs. Edgar W. Mathews and Dawn have moved recently from Concession to Wellington, Prince Edward County. Edgar has been engaged as teacher in Hillier School where he taught for four years some years ago. This is the second school where he has instructed children of former pupils, having for the past two years taught in Ameliasburg Township where he began his teaching career. This year he is President of the County Men Teachers' Federation and is Secretary of the Prince Edward Teachers' Institute. Mrs. Mathews is also teaching in Hillier township where she has taught for many years. She is President of the County Women Teachers' Federation. Both Mr. and Mrs. Mathews have been granted Permanent First Class Certificates during the past year.

Annual Bible Convention Very Successful

Grace Chapel, Stirling, Bible Convention, held in Stirling Community Hall, was a great success. Large congregations gathered for three daily meetings on Sunday and Monday.

Delegates came from Toronto, Ottawa, Belleville, Trenton, Bancroft and numerous places over a wide area.

Mr. George Rainey and Mr. George T. Pinches were the preachers. They were followed with deep interest as they delivered Bible teaching at each session.

Mr. Pinches gave the first of a series on "Coming Great Events" on Sunday night to a large and greatly interested audience. This series will continue over two weeks in Grace Chapel. Mr. Pinches is an experienced Bible Teacher of fifty years in Canada, the British Isles and the United States.

Mr. Rainey went to Belleville, and Mr. Pinches was again heard Tuesday night in "Present World Conditions in the Light of Prophecy". The prevailing interest in these timely themes is most gratifying and will increase nightly.

Awarded Contract

Maurice Bell, local painter, has been awarded the contract for redecorating Mount Pleasant and Wellman's United Churches. The work has already started and the Wellman's Church will be finished during the present month.

Attend O.B.C.

Misses Mary Agnes Fox and Arline Tammon, of Stirling, began their studies at Ontario Business College, Belleville, this week.

Breaks Hip

Mrs. Geo. Drewry, of Belleville, a former resident of Stirling, had the misfortune to break her hip on Saturday and is now in Belleville Hospital.

Compete At C.N.E. Judging

Eight boys from Hastings County, accompanied by A. O. Dairymple, Agricultural Representative and G. McLeod, Assist. Representative, were in Toronto yesterday competing in the Inter-County Livestock Judging Competition at the Canadian National Exhibition.

Those representing the County were Messrs. Glen Wilson, Stirling; Bob Armstrong, Frankford; Garnet Reid, Trenton; Claude Comerford, Eldorado; Glenn Rollins, Madoc; Clinton Hill, Deseronto; Carl Maracle, Shannonville; and Wm. Leeming, Belleville.

ENROLMENT UP AT LOCAL SCHOOLS

Stirling schools opened on Tuesday morning and from primary room to upper grades students trooped to class after their long holiday. Registration and information as to books needed were the main activities on the opening day and Wednesday the year's work began in earnest.

According to figures released by Principal C. A. Wells, the total enrolment at the public school is 196 an increase over last year. In room one there are 33 beginners. In grade eight there are 17 pupils, grade seven, 21; grade six, 24; grade five, 18; grade four, 33; grade three, 34; grade two, 26 and grade one 43.

At the High School, registration showed 123 pupils in attendance, an increase of eight over last year's opening day. Grade IX has an enrolment of 46. There is one change in the staff, Mrs. Gordon Bailey replacing Miss I. Muirhead.

Presented With 25-Year Jewels

On Tuesday evening of this week the officers and members of Springbrook Lodge I.O.O.F. No. 429 presented 25-year jewels to two of their members, Past District Deputy W. J. Barlow and Past Grand Allan B. McComb. The presentation was made by District Deputy Grand Master Woods at a social gathering held immediately after the Lodge session. The ladies were also invited and attended in goodly numbers.

After the presentation a short program was given and a tasty lunch was served.

The following members assisted, Bros. Barlow and McComb expressed their thanks for the jewels received; short addresses were delivered by Dist. Deputy Woods, County Warden S. A. McCarey, W. Courtney and W. J. Jeffrey, Tweed Lodge, and J. F. Baker and Lindsay Mumby, of Springbrook Lodge. Bros. Courtney and McComb gave an exhibition of some clever step dancing and J. F. Baker contributed a comic song. Violin music and guitar accompaniment were supplied by Mr. and Mrs. Delbert McComb. The Noble Grand, Bro. Frank Cosbey, acted as chairman and expressed his pleasure to the visitors for their attendance and thanked those who contributed to the programme.

West Huntingdon Midget Champs

Overwhelm Stirling Merchants In Second Game To Take Series Two Straight

West Huntingdon Midgets became Champions of the District Midget Softball League on Saturday evening when they completely outclassed Stirling Merchants in the second game of the play-offs to win 29 to 3.

The winners scored six runs in the first inning and from then on the result was never in doubt, with the score mounting higher and higher every inning. The locals tallied their three runs in the first inning.

McCurdy was on the mound for the winners and pitched his usual steady game. Williams and Phillips divided the pitching for the losers, and their lack of control and several fielding lapses by the infield contributed to their defeat.

West Huntingdon — Haggerty, Pounder, McCurdy, Hagerman, Hammond, Lowe, Browning, McGee, Twiddy.

Stirling — Williams, Phillips, Eggleton, Heasman, Palmer, Anderson, Whiteman, McCrory and Ingram.

Score by innings:
West Huntingdon 6 3 2 5 3 5 5 — 29
Stirling 3 0 0 0 0 0 — 3

Local Happenings of Interest About Town

Mrs. R. P. Coulter left on Wednesday to visit her daughter in Toronto.

Mr. and Mrs. D. R. Patterson are spending this week in Toronto.

Mr. Wm. Vardy, of Maynooth, spent the week end at his home here.

Misses Marguerite and Ruth Cole of Corbyville, spent a day recently with Miss Eileen Cooke.

Mr. and Mrs. R. T. Burgess and family spent the holiday week end in Toronto and attended the Exhibition.

Mr. Robert Rodgers spent a few days recently at the C.N.E. and Niagara Falls.

Mr. and Mrs. James Logan, of Toronto, spent the week end with Mr. and Mrs. Ivan Caldwell.

Mr. and Mrs. Walter Wilson and children, of Madoc, were recent guests of Mr. and Mrs. S. Holden.

Miss Virginia Bradburn, of Kingston spent the holiday week end with Miss Marilyn Eggleton.

Mr. and Mrs. W. L. Jones, of St. Catharines are guests at the home of Mrs. Hugh Morton.

Mr. and Mrs. George Rupert are holidaying near Trenton with Mr. and Mrs. B. Meyers and other relatives.

Mr. Chambers and Mrs. Edith Sager, of Belleville, were recent guests of Mrs. C. A. MacConnell.

Miss Evelyn Bailey, of Harold, and Miss Cora Bailey, Peterborough, were Wednesday guests of Mrs. E. Cooke.

Rosemary Plindall returned to her home in Batawa on Friday after spending a few days with June Sleeper.

Mr. and Mrs. Earl Green, Joan and Jimmy, returned home on Sunday after spending a week in Levack and Toronto.

Mr. and Mrs. Chas. Porter, of Windsor, were guests of the latter's parents, Mr. and Mrs. Clifford Hutton last week.

Mr. and Mrs. M. S. Harter returned to Herkimer, N.Y., on Tuesday after spending ten days with Mrs. H. Morton.

Mr. and Mrs. Geo. Crown and daughter spent the week end holiday with Mr. and Mrs. Harold E. Baker, Pembroke.

A. V. Greenley, manager of the local branch of the Bank of Montreal, and Mrs. Greenley are spending a vacation on Manitoulin Island.

Mrs. H. B. MacConnell has returned to her home in Port William, after spending the past two weeks with Mrs. C. A. MacConnell.

Miss H. Scarle and Miss Mary Hume, of Toronto, were guests of Mr. and Mrs. C. E. Macklin on the holiday.

Mr. and Mrs. Clifford Hutton are spending a few days in Toronto this week, guests of Mrs. C. Mullen and Molly.

Mr. and Mrs. Felix McGee and Mr. and Mrs. F. Green, of Toronto, visited Mr. and Mrs. J. Clinton McGee over the holiday week end.

Mr. and Mrs. Ivan Caldwell and Mr. and Mrs. James Logan, Toronto, were guests at the Wilson-Gough wedding in Foxboro on Saturday.

Bursaries Won By Stirling Students

Ilda Ketcheson and Gladys Clarke Going To Normal — H. Barlow Won Scholarship

Two Dominion-Provincial Student Aid Type "A" Bursaries have been won by students of Stirling High School in the June examinations according to an announcement by Principal John L. Good.

Misses Gladys A. Clarke and Ilda M. Ketcheson were each awarded a type "A" Bursary for Normal School, amounting to \$250. To win this award a student must have an average of at least 66 per cent on five papers in Upper School.

Won Cooke Scholarship

It has also been announced by Principal Good that Hedley Barlow, of Bonarlaw, is the winner of the Hon. J. R. Cooke Scholarship, value \$50, for Stirling High School. This award goes to the pupil with the highest standing in eight papers in the Upper School Examinations.

Mrs. J. S. Whitehead and grandson, Joey, spent a few days this week guests of Mr. and Mrs. Fred Rutherford, Campbellford.

Freak Potato

A vegetable freak in the nature of a potato which bears a resemblance to a duck is on display in this office. The potato came from the garden of R. Hermiston, Front St.

Enter Training

Three Stirling girls, Misses Doreen Fox, Barbara Faulkner and Margaret McIntosh, have enrolled in the nurses' training class at Belleville General Hospital and began their duties this week.

Buys Property

A real estate deal was completed this week when Ray Mallory, of Foxboro, purchased the H. Davidson property, (formerly owned by the late Archie McGee), Front St., West. E. Ketcheson, local realtor, completed the business transaction.

Bowling Notes

Three rinks of Stirling bowlers attended the Mixed Rinks Tournament in Kingston on Labour Day, but none got into the prize circle. Those attending from here were Dr. and Mrs. E. A. Carleton, Miss Grace Carleton and A. Livingstone; Mr. and Mrs. X. P. Mayhew and Mr. and Mrs. W. T. Elliott, and Mr. and Mrs. R. E. Fox and Mr. and Mrs. H. R. Tompkins.

On Wednesday, Miss Rosa Spry, Mr. and Mrs. R. E. Fox and F. R. Mallory attended a mixed rinks tournament in Trenton.

SWATS AT BEE CRASHES TRUCK

Swatting at a bee in the cab of a half-ton truck owned by C. I. Hutton Hardware, of this village, Basil E. Lee, the driver, lost control of the vehicle and rolled it over on Highway No. 14 on Sunday afternoon.

The accident occurred just west of Foxboro on the Stirling road and resulted in serious injuries to two of three hitchhikers riding in the back of the truck, as well as considerable property damage to the truck.

The injured are Larry Brohm, 12, who suffered a broken thigh bone, and Don Rose, 19, both of Belleville, possible internal injuries. The latter acted as sports director at the Stirling Community Recreational Centre during July and August. A third youth, George Bay, also of Belleville, escaped injury.

W. P. Rodgers Died In Vancouver

Word has been received by relatives here of the death of W. P. Rodgers, in Vancouver, on Tuesday, September 6th. The late Mr. Rodgers was a native of this district being the son of the late Mr. and Mrs. Robert Rodgers, and a brother of Messrs. Arthur and Louis Rodgers, of Stirling; Robert Rodgers, of Belleville; A. E. Rodgers, of Minnesota; J. A. Rodgers, Winnipeg; Mrs. Arthur Gordianer, of Stirling; and Mrs. Helena Wickert, of Saskatoon. His wife also survives. He received his education in local schools and was well known by many of the local residents.

The funeral is being held today in Vancouver.

Special Services Grace Chapel

Mr. George T. Pinches, Bible Teacher, of Pella, Iowa, U.S.A., will speak on the following great themes the coming week:

Sunday — "Heavenly Singing and Angelic Preaching"

Monday — "Mighty Preparations for Armageddon"

Tuesday — "The Marriage of the Lamb and Train of Triumph"

Wednesday — "The Glorious Millennium"

Thursday — "The New Heavens and New Earth"

Friday — "The Supreme Court of the Universe"

Sunday night at 7:30; week nights at 8 o'clock.

Everybody needs to know what God says regarding the prevailing world confusion and crisis.

Village Council Holds Session

Permission Given I.O.O.F. To Hold Tag Day — Rawdon Creek To Be Cleaned

The regular monthly meeting of Stirling Village Council was held on Tuesday evening with Reeve H. J. Wells presiding and all members of council in attendance.

Following the adoption of the minutes of the last regular and subsequent emergent meetings, Clerk F. R. Mallory tabled correspondence from the Dept. of Municipal Affairs announcing a one-day school for municipal officials of Hastings and Prince Edward Counties in Court House, Belleville, on Tuesday, October 4th; from Kingston General Hospital, re municipal liability for indigent patient; from the C.N.R. Tax Dept relative to map showing C.N.R. right-of-way in Village; and from Dept. of Highways, Kingston, re interim subsidy on Streets expenditures.

Council decided to dispute responsibility for the indigent patient at Kingston, after which correspondence was received and filed on motion of Councillors Bailey and Bradshaw.

An account against B. Woodbeck for piping was ordered written off in lieu of drainage work done by Mr. Woodbeck for the municipality at the corner of North and Wellington Streets.

Permission Granted For Tag Day

On request of Councillor G. Bradshaw, permission was granted the I.O.O.F. to hold a tag day in Stirling on September 17th.

Reeve Wells stated he had received a complaint from a parent regarding lack of protection against children falling off the sides of Henry St. bridge. Council decided to view the scene on Wednesday and if the complaint was worthy, necessary action would be taken.

Mr. E. Ketcheson was present and on being asked by the Reeve, read the correspondence from the Insurance Company carrying the Village Public Liability Insurance with regard to a local claim for damages. No action was taken by council.

Creek To Be Cleaned

The levelling and cleaning out the Rawdon Creek bed south of the bridge was discussed and Council authorized the street committee to spend up to \$50.00 on the work.

The following accounts were passed for payment.

Mrs. E. Ketcheson, \$5.00; E. D. Ketcheson, \$15.85; C. B. Rollins, \$11.25; Bell Telephone, \$2.90; Stirling News-Argus, \$29.00; J. R. Geen, taxi fare, \$13.00; Sam Bowen, \$76.05; County of Hastings, roads, \$52.66; F. R. Mallory, express and stamps, \$9.25; Stirling Machine Shop, \$1.50; Thos. McAvoy, \$5.00; Bickle-Seagrave, \$297.00; T. C. MacConnell, \$5.00; F. R. Armstrong and Son, \$1.07; Stirling Hydro, \$240.00; Stirling Waterworks, \$5.86.

COMING EVENTS

Mr. And Mrs. Clayton Tucker Celebrate Golden Wedding

The home of Mr. and Mrs. Clayton Tucker was the scene of a happy event on Monday evening, August 19th, when more than one hundred guests called to pay tribute to them on the occasion of their fiftieth anniversary.

The house was tastefully arranged with flowers, many of them gifts to the honored couple.

The guests were received by Mrs. Frank Moon and Mrs. Mabel Weaver. After duly congratulating the bride couple of fifty years, they were invited to the reception.

Porting tea were Mrs. J. Morrison, Mrs. C. Holmes, Mrs. P. Deacon and Mrs. C. Clancey. Assisting were Mrs. H. Elton, Miss L. Morton, Mrs. C. Bishop, Mrs. C. Montgomery, Mrs. K. Ray, Miss A. Martyn, Mrs. C. Seene, and Mrs. G. Bristol.

Mr. and Mrs. Tucker were the recipients of many beautiful gifts, cards and telegrams.

On August 30th, 1899, Emily Morton and Clayton Tucker were united in marriage at the home of the bride's father, Mr. Robert Morton, of Sine, by Rev. W. D. P. Wilson.

Mrs. Blake Totton, of Toronto, who was present Monday evening, was bridesmaid at the wedding. The groomsmen, Mr. Ogden Coutts, of Trenton, was unable to be present.

Mr. and Mrs. Tucker resided on the fourth concession of Rawdon for many years, later moving to Trent Road, Belleville. A few years ago they took up residence in Stirling.

They have two daughters, Mrs. Frank Moon, Sidney and Mrs. Mabel Weaver, Belleville; also one grandson, Frank Weaver, Belleville.

Members of Rawdon township council at their August meeting passed the necessary by-law fixing the tax rate to be levied for 1949.

County rate for next year will be 16.5 mills; township rate, 2 mills; special school rate, 6.6 mills; township road, 4 mills; snow removal, 2.5 mills; Federation of Agriculture, 2 mills; and township high school area, 4 mills, making a total of 37.6 mills. This is an increase of 5.8 mills over the 1948 rate.

After nearly five years as editor of The Trenton Courier-Advocate, Mr. James H. Ormiston terminated his employment there to return to grounds equally as familiar as Trenton to him, Whitby and Oshawa.

Mr. Ormiston has been in the newspaper business for over 30 years and prior to coming to Trenton was on the staff of the Times Publishing Company, Oshawa. He was active in civic life in Whitby and for a time a member of the town council there.

In 1944 the Times Publishing Company purchased The Courier-Advocate from Mr. Harry Moore and on October 1st of that year the company moved Mr. Ormiston to Trenton to edit the paper.

SECOND ROUND WON BY CAMPBELLFORD

Campbellford won the second round in the OASA semi-finals at Frankford Saturday night by defeating Tweed 8-7. Going into the last inning Tweed was leading 7-5 but a double by Fralick and a hot grounder by Hay garnered in the winning counters.

WOOLER DEFEATS PORTSMOUTH, 7-6

After 11 innings Wooler defeated Portsmouth 7-6, at Deseronto, Monday night, in the fourth and deciding game of the second round COASA intermediate playoffs. The winners will now meet Parham.

Big Barney McColl, the Trenton policeman, proved the hero of the piece when his slashing hit of a bad ball drove in what proved to be the winning run.

The teams were tied 4-4 in the ninth. Wooler put over three in the 11th, two counting on McColl's clout of a high ball after three balls had been pitched and the strategy was to walk the dangerous hitter. Portsmouth tried hard but fell one run short.

RETURNS TO OSHAWA

After nearly five years as editor of The Trenton Courier-Advocate, Mr. James H. Ormiston terminated his employment there to return to grounds equally as familiar as Trenton to him, Whitby and Oshawa.

Mr. Ormiston has been in the newspaper business for over 30 years and prior to coming to Trenton was on the staff of the Times Publishing Company, Oshawa. He was active in civic life in Whitby and for a time a member of the town council there.

In 1944 the Times Publishing Company purchased The Courier-Advocate from Mr. Harry Moore and on October 1st of that year the company moved Mr. Ormiston to Trenton to edit the paper.

Trenton Boy Killed

The cave he was digging with playmates became a grave for 11-year-old Morris Jackson, of Trenton, on Friday.

The lad was playing with his brother, Allan, 9, and several friends on an embankment near the CPR tracks on the west side of the Trent River. He was alone in the cave at the time, his pals having left him for a few minutes to cross the tracks.

When they returned they found there had been a cave-in and Morris had disappeared. The earth along the sides of the hole made by the boys had collapsed, burying the boy.

Rescue workers dug him out in 15 minutes, but he was past help. Artificial respiration measures were applied for an hour without effect.

The victim was the son of Mr. and Mrs. Lewis Jackson, 19 Frederick St., Trenton. Besides his parents, there are his brother and two sisters.

Team Play At Queen's Park Makes For Safer Highways

Two Departments of Ontario's Government co-operate to make our highways system one which can be travelled conveniently in comfort and safety—the Department of Highways and the Department of the Attorney-General.

By highway and traffic engineering, and a constant review of the provisions of the Highway Traffic Act, the Highways Department under the Hon. Geo. Doucett keeps up a continuous effort to give the motorists of Ontario and motoring visitors, maximum protection on the "common path". The Ontario Provincial Police and the municipal police under the Attorney-General administer the enforcement of our laws, including the Highway Traffic Act.

The steady expansion in the number of motor vehicles using Ontario's highways provides everchanging problems in engineering, driver and pedestrian education and enforcement.

During peak traffic periods, such as week ends and especially public holidays, vehicle concentrations tax road facilities to the limit, and each driver contributes an equal share to the congestion. The driver who does not choose to conform to the highway code and imperils others by his driving habits, whether it be driving too slowly on busy highways, driving at excessive speeds, or by his action disregards the safety of himself and others, is regarded as a menace. The Traffic Act provides same driving regulations under which such drivers are removed from the highways for the common good.

Convictions for violations of the Highway Traffic Act for such offences as speeding, careless driving, racing, operating a car with faulty or non-existing brakes or other equipment,

can very often result in license suspension. Suspensions may be effective for a few weeks, months or even a year or more, depending on the nature of the offence.

There are very severe penalties for those who ignore orders of suspension of their drivers' licenses or motor vehicle permits, including heavy fines, confiscation of their vehicles or imprisonment.

The Hon. George Doucett, states that several vehicles, "forfeited to the Crown", because of convictions for "unlawful operation of same," or "for procuring registration illegally" are at present being held in storage by the Department and will be offered for sale to the public at a later date. The owners because of their disregard of suspension orders not only lost their cars but in addition paid substantial fines or were imprisoned.

What Others Say!

CARELESSNESS HEADS THE LIST

(Guelph Daily Mercury)

One of the interesting bits of information of the month comes from the American National Safety Council, which reports that contrary to his fellow motorists,

popular belief, it is not the drunken driver, who is the greatest menace on the highway, but the plain, ordinary careless driver.

Of the many thousands of automobile traffic fatalities in the United States, less than two per cent were caused by drunken drivers, the Safety Council reports. The completely sober driver who failed to exercise proper care was by far more dangerous.

People have been pretty well educated to the fact that a man with a quantity of liquor in his stomach has no place behind the steering wheel. They have not yet realized that no man has any business driving a car unless he keeps his mind on his job every second, abstains from too great speeds, observes the rules of the road scrupulously, and keep always in the back of his mind the consciousness that the slightest lapse on his part may cause tragedy.

There is no excuse for carelessness on the part of any person at the wheel of an automobile. The highways are no place for the driver who has not a full realization of his responsibilities and who is not prepared to exercise due precaution while on the road to assure his own safety, that of those who may be with him, and of his fellow motorists.

Mr. And Mrs. Lindsay Pollock Celebrate Silver Wedding

A very happy event took place on Tuesday night, August 30th, at Wellman's Corners, when relatives and friends gathered to honour Mr. and Mrs. Lindsay Pollock (nee Irene Good of Thomasburg), who were celebrating twenty-five years of married life.

At nine o'clock about forty-five guests sat down to a daintily decorated table of pink and white and silver to partake of a bountiful repast.

A toast to the bride and groom was proposed by Rev. Alfred Poulter, of Madoc, who officiated at the wedding ceremony twenty-five years ago.

Rev. H. C. Vaclavik, pastor of the Rawdon Circuit, proposed a toast to the oldest married couple present, Mr. and Mrs. W. J. Webb, of Tweed, who have celebrated their fifty-sixth anniversary. Another honoured couple was Mr. and Mrs. Wesley Mar-five years ago was Miss Marjorie Hagerman, of Stirling. She is now Mrs. Ken Stapley and she and her husband were among the guests seated at the bride's table.

Miss Ella Booth, of Tweed, one of the waitresses at the wedding, assisted with the serving of the anniversary dinner.

A birthday cake, made by Mrs. Pollock and decorated by Mrs. Angus Mamby, of Moira, was lighted in honour of Mrs. Wesley Martin, and Mrs. Albert McTaggart, of Tweed, who were celebrating birthdays.

The youngest guest was four-week-old, Irene Pearl Pollock, the first grandchild in the family. Thus four generations were present, as the bride's father, Mr. Ed. Good, of Moira, was among the honoured guests.

During the evening, Rev. and Mrs. Vaclavik delighted the guests with appropriate musical numbers.

The bride and groom were completely surprised, the same evening, by a charivari gang of neighbours and friends. Mr. George Watson, speaking on behalf of the group, wished Irene and Lindsay many more years of happiness and Mrs. Carman Nix presented them with a bouquet of gladioli in a silver vase.

Many other beautiful gifts and congratulatory messages from far and near were also received by the honoured couple.

Mr. and Mrs. Pollock have lived their entire married life in Wellman's Community. They have five children. Ted, who is married and resides on a farm at Ivanhoe; Doris, the teacher at S.S. No. 3, Rawdon; Don, the cheese-maker at the Kimberly Factory, near Campbellford; and Jim and Patsy, at home.

"Mr. Ford says that was the worst wreck of a Ford car he ever saw, so he sent a new one."

There were no extras on the early Model T's. There was no storage battery. The lights ran directly from the magneto. The faster you drove the brighter the lights. The darker the night the faster you had to drive to get enough light to see. There was lots of fun driving a Model T after dark. Probably that's why young couples got into the habit of parking a while on a dark road—not in search of excitement but simply to rest the nerves.

The original Model T's were touring cars with a top like a buggy. They didn't make much speed so most owners drove with the top down. It was like a glorified buggy top and it took four people to put it up when a storm came along. By the time the top was up, the storm was likely to be over, and everyone was soaked to the skin. There were side curtains tucked away in the top and they were like shower curtains in a bath and let in considerable water. People who had a Model T did not need shower baths.

There were no self-starters on the early models. Later, you could buy one for \$85 extra. "You can do a lot of cranking for \$85," the agents would say.

But the real characteristic part of the Model T was the transmission. We understand the heart of the apparatus was a planetary gear and it was operated by three pedals ranged in a row on the floor. The difficulty was that human beings have only two feet. It is necessary to play them like a pipe organ with hands and feet both in tune—and those who don't play the proper notes at the right time were apt to get into trouble indeed. The car would go into reverse instead of low, or it would be in low gear when the driver wanted to stop. The result was apt to be disastrous either way.

A farmer at Ennotville proved the same thing in a different way. He drove into his barn and put his feet down. Half-way down on one pedal, all the way down on the other, put it in neutral. All the way down on one pedal put it in low; all the way on a third pedal and half-way down another put it in reverse. The farmer pushed the two outside pedals all the way down. The car did not stop. He is said to have yelled "Whoa" with no results. The car continued on through the end wall of the barn and dropped on the soft manure pile. Neither car nor driver was much the worse. Those old cars were tough, their drivers had to be.

403 ONTARIO STUDENT-ATHLETES TRAINED AT LAKE COUCHICHIING SUMMER CAMP

(Continued from Page 6)

evergreen landscaping. Facilities include a full-scale football and sports field, sleeping cabins, dining hall, workshop, wash houses, and a fully equipped water-front area.

On registration day, incoming boys are transported from the nearest railroad station, enter camp and, under normal circumstances, never leave the grounds until the end of the course, except for one group visit to Geneva Park, or for particular religious services that are not available in camp. Surprisingly enough, no one goes A.W.O.L.

Each boy is designated as a "Leader" and the crest on the T-shirt of the special uniform he purchases at cost price bears this stimulating title.

Thus he is made aware of his position as a representative of his school, and takes back this leader idea to his subsequent school life.

If he is a Leader among leaders, a boy will be elected Cabin Leader, and, as such, will be responsible for the discipline and organization within his sleeping quarters. Further, he will sit on the Leaders' Council which is called at the request of its chairman or the Camp Director to debate and decide on matters of administration, programme or discipline. On the rare occasions when faced with a major infraction of camp rules, this Leaders' Council has rendered a wise and just verdict on the culprit.

The camper's day begins at 7.30 in the morning, and at 8 o'clock he must be in line behind his cabin Leader at the door of the large screened dining-hall. Breakfast, like the other meals, is ample and healthful. Milk consumption alone runs well over 50 gallons a day. All meals are provided by a catering service, with permanent kitchen staff. Boys from each table act in turn as bus-boys to service the tables before and after meals.

For instructional purposes, the Camp is divided into 3 groups of 36 to 40 boys each. For seven hours a day each group rotates from one teaching area to another for group instruction by experts. One hour per day is devoted to each of the four major subjects—football, basketball, aquatics and track and field. The remaining three hours are devoted to soccer, softball, tennis, golf and archery. Opportunity is given to referee games, and to organize athletic programmes. In special classes, a boy may secure his certificate in life-saving. Over 40 instructional films are in constant use.

The instructional programme is not designed to create star athletes. The emphasis is definitely placed on fundamentals of each sport, taught and drilled in daily group activity. Thus the young athlete returns to his school well equipped to improve under his own coach, playing for his own school team.

Using information on the boy's previous athletic record, the instructors are able to draw him into the teaching process. On assignment, he prepares and carries out his portion of the lesson, and thus shares with others the benefits of his developed abilities. At the same time, the boy realizes the satisfaction of individual self-expression.

Several factors combine to make discipline a minor problem at Couchicling. Fair rules, sound organization and a good staff all contribute to this end. But within the boys themselves there seems to develop very quickly an obvious respect for the democratic rules which govern the camp. They quickly acquire a conscious sense of active, responsible citizenship.

The experience of Ontario teachers has been that one or more boys so trained and equipped in a school can do much to balance the much-publicized irresponsibility of today's teen-age youth. With this fact in mind, the Ontario Department of Education hopes to make O.A.T.C. training available to even more boys from the province's high schools in future years.

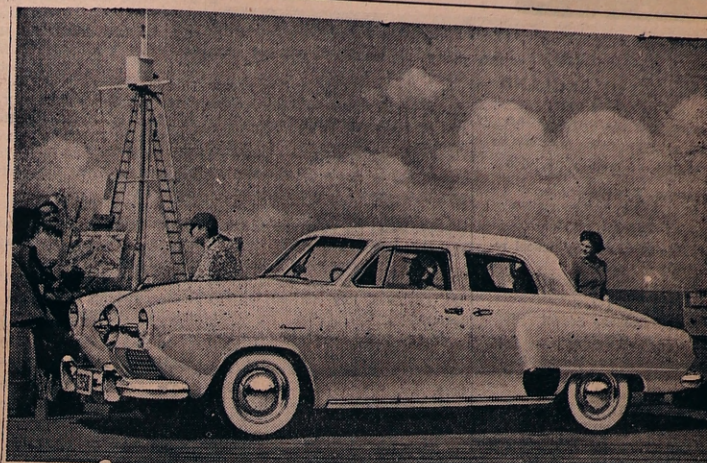

DON'T BLAME THE TELLER

If you try to cash a cheque at a bank or retail store, where you're not well-known, don't get sore if the banker or storekeeper asks for identification, perhaps refuses to cash the cheque, writes D. G. Maclean in The Financial Post.

So many cheque frauds are being attempted just now that prudent people won't take a chance. Retail

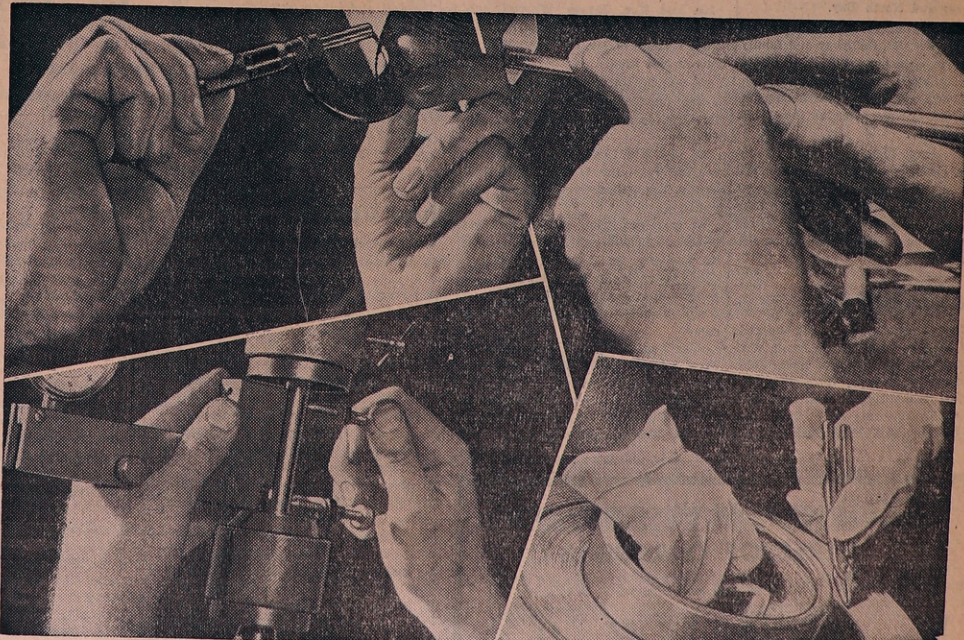

merchants the specially named as being the victims of the cheque crooks. Forged payee signatures and raised figures are the most common form of cheque frauds but they also include forged cheques drawn on accounts of well-known firms and cheques against non-existent or inadequate accounts. Government cheques, however, seem to be the class of cheque most favoured by these crooks. One factor lies in the millions of cheques being issued for family allowances, war service pensions, return of compulsory savings, and income tax refunds. The last named figure especially prominent in cheque frauds, at present.

Delicious Flavour!

The "next look" lines of the 1950 Studebaker Champion sedan. In addition to the advanced styling by Raymond Loewy Associates, there is new riding comfort resulting from Studebaker's self-stabilizing coil spring front suspension. Luxurious interiors and maximum passenger space characterize all Studebaker models.

HANDS IN TRAINING...FOR ONTARIO

Learning to Work With Copper and Brass

IN Ontario the wheels of industry turn for the benefit of every single one of us. Our lathes, dynamos, drill presses, farm combines, tractors, business machines, etc. are producing goods and services which earn dollars. These dollars provide food, clothing, medical care and other necessities which contribute to our security and high standard of living. Every single one of us, therefore, has a very personal interest in the flow of a steady supply of trained workers to industrial plants. These workers will operate machines which are important to our way of life.

We should appreciate, then, the co-operative efforts of government, industry and labour in the field of employee training. In schools and in factories our workers, young and old, are given the opportunity to develop new and specific skills in every field of business and industrial activity. For instance, every effort on the part of workers to become proficient in the art of shaping and moulding copper and brass, will mean greater industrial progress—will help to make Ontario a finer place in which to live and work.

THE BREWING INDUSTRY (ONTARIO)

Our Way of Life Rewards Trained Hands

Ontario workers know they can earn more, have executive responsibility and enjoy a higher standard of living in direct ratio to the skills they acquire and the way they make use of them. That's always true in a free economy—that's why our competitive system will continue to make Canada great and a great place in which to live.

Recalls Motoring In 'Model T' As An Adventure

By Hugh Templin
in the Fergus News-Record

The Model T Ford was popularly known as "Tin Lizzie". Its body was neither beautiful nor built to modern safety standards. They used to tell about the farmer up near Arthur who had the galvanized iron roof blown off his barn. It was just a tangled mass of metal. Apparently it wasn't worth anything. But a neighbour suggested Henry Ford might pay something for it as scrap. So it was crated up and shipped to Detroit. A few days later, the local Ford agent drove up with a new Model T.

WE DELIVER

Donnan, Frederick, Md. Mrs. T. Donnan, Mr. and Mrs. Jas. Chambers, Stirling; Mr. Allan Donnell, Ottawa; Mr. and Mrs. P. D. MacMullen and Herbie Demorest, Stirling.

Mr. and Mrs. Arthur Anderson and Mr. Ern. Travers, Silver Spring, Md., and Miss Essie Loper, Waterloo, S.C., are spending a month at the former's summer home here.

Mr. and Mrs. Chas. Butler, of Calgary, Alta., are spending a couple of days with Mr. and Mrs. Walter Lindendfield.

Mr. and Mrs. Fairhead, Mr. and Mrs. Swayne, of Belleville, Mr. Peacock, of Foxboro, and Mr. Ken Peacock, of Batavia, were Sunday guests of Mr. and Mrs. Jim Campbell.

Miss Joan Campbell returned Monday from a ten-day visit with relatives in Ottawa.

Frances Elaine Lindenfield is one of those who for the first time hit the trail to the little brick school at River Valley on Tuesday morning and the same eventful morning saw Wayne Campbell taking his first walk toward higher learning at the Marsh Hill School. Here's to them! — and all small beginners.

Mr. and Mrs. Wm. Stevens, of Concord, N.H., spent the past week visiting in Canada. Prior to departure for home a farewell party was given in their honour in Ivanhoe Town Hall on Wednesday evening.

Mrs. Stevens is the daughter of the late Belle Fleming and David Whytock. Relatives were present from Belleville, Stirling, Tweed, Madoc, Crookston and Ivanhoe. A pleasant evening was spent in singing, games and dancing. Mrs. Stevens was presented with a lovely

lace table cloth. A delicious lunch was served.

Mrs. A. W. Johnston, David, Billy and Peter, Toronto, Mrs. C. B. Hamm and Miss Jane Scott, of Belleville, visited relatives here on Friday.

Mr. Wm. McAvoy is visiting his brother, Mr. Philip McAvoy.

Mrs. Milton Shaw and Wayne spent Thursday and Friday with Mr. and Mrs. Roy Thrasher, of Mount Pleasant.

Miss Eileen Kerby, Toronto, spent the week end at her home here.

Mr. and Mrs. George Wood, Jack and Judy, Mr. and Mrs. Milton Shaw and Wayne attended the motorcycle races held in Picton on Monday.

Miss Aleatha Reid spent the week end with her mother, Mrs. Albert Wannamaker.

Mr. and Mrs. Bonter Rollins, Mr. and Mrs. Harper Rollins, of Stirling, Mrs. Henry Wallace and Mr. Milton Shaw spent Thursday evening with Mr. and Mrs. Wm. Shaw.

Lorne and Ross Ray, of Harold, spent the past week with Marvin Cooney.

Mr. and Mrs. Earl McMaster spent the week end in Algonquin Park and points North.

The many friends of Mr. James Benson, who underwent a major operation in St. Joseph's Hospital, Toronto, will be glad to learn he is progressing favourably.

Mount Pleasant

Mrs. C. M. Sine, Salem, has been spending some time with Mr. and Mrs. Clifford Sine.

Mr. Allan Donnell, Ottawa, a former editor of the Stirling News-Argus, spent the week end with Mr. and Mrs. Percy MacMullen and while in this district, he called on Mr. and Mrs. Ormel MacMullen, Belleville, Mrs. Jas. Currie and family, Oak Lake, and Mr. and Mrs. George Luery, Stirling.

Several from Mount Pleasant attended Hoard's anniversary on Sunday.

Mr. and Mrs. Will Potts entertained several relatives over the week end to the family re-union.

Several farmers are drawing water from the Trent River for the stock—a distance of several miles.

Mr. and Mrs. John Holmes spent the week end camping at Carrying Place.

Mr. Robert Hoard and Mr. Ralph Johnson are at Colonsay, Sask., and busy stooking grain.

Mrs. Will Jeffs was taken to Kingston Hospital on Tuesday suffering with polio.

Master Herbie Demorest, Stirling, spent a few days last week with his grandparents at "Sunrise Lodge" while Mr. and Mrs. Sid. Demorest attended the C.N.E.

Mr. and Mrs. Ross Hoard and James attended Hoard's anniversary and were dinner guests of Mr. and Mrs. Walt Sharpe and Mr. and Mrs. Carman Gunning.

Rev. H. C. Vacklavik is in charge of Rylstone anniversary on September 11th and Rev. Mr. Beare, Springbrook, will officiate on Rawdon circuit.

Mrs. Frank Jeffs is spending some time with Mrs. Fred Jeffs and Mr. Will Jeffs and children.

Mr. and Mrs. Earl Rutman and Miss Doris Sine spent several days in Toronto and attended the C.N.E.

Reckless driving may get you there—careful driving will. The Dept. of Highways urges all motorists to watch for and obey all traffic signs.

Holloway

Misses Gwendoline and Lila May Beatty of Agincourt, have been visiting with Mrs. Osterhout and Mr. MacInnis recently.

Mrs. Laidlaw from Peterboro has taken over the duties as teacher for S.S. 16, Sidney, this year.

Miss Lugo Prest attended the Wilson and Gough wedding in Foxboro on Saturday.

Mr. Gordon Reid, of Windsor, spent the week end at his home.

Miss Evelyn Blecker, of Toronto, spent the week end with her parents, Mr. and Mrs. Ben Blecker.

Miss Norma Belcour, of Belleville, visited with Miss Lugo Prest over the week end.

Mr. and Mrs. Norman Sexsmith and family spent the week end with relatives in Marlbank.

The B.Y.P.U. was held at the home of Mrs. Dan Smith and all enjoyed a corn roast.

Wellman's

Mr. and Mr. Jack Hutcheon and boys of Toronto, spent the week end and holiday with Mr. and Mrs. Walter Scott.

Mr. Edgar Graham and Mr. Glenn Watson attended the Toronto Exhibition on Thursday.

Miss Stella Fletcher, of Toronto, is visiting with Miss Delia Johnston.

Mr. Maurice Bell is engaged in the redecorating of Wellman's Church.

Glad to report that Mrs. Alice Lain is progressing favourably after her operation in the St. Joseph's Hospital at Peterborough, on Friday morning.

Miss Doris Pollock returned home last Tuesday from the 9,000 miles Teachers' Tour.

Mrs. Ernest Runions, of Hamilton, and Mrs. Hubert Andrews spent Thursday with Mr. and Mrs. Russell Johnson.

Miss Ruth Dunham, of Mount Pleasant, visited for a few days with Miss Shirley Dunham.

Masters Billy and Jimmie Andrews, of Bonarlaw, spent a week with their grandparents, Mr. and Mrs. Russell Johnson.

Mr. and Mrs. H. Williams and Dorothy and Mr. and Mrs. Elton Williams and Brian, of Toronto, were week end guests of Mr. and Mrs. Burton Morton.

Madoc Junction

Mr. and Mrs. Wesley Bolbus, of Oshawa, spent Sunday with Mr. and Mrs. Carl Brydges and family.

Mr. and Mrs. Warren Harlow and June White were dinner guests on Sunday of Mr. and Mrs. Harry Kelly and spent the tea hour with Mr. and Mrs. George Nelson, of Warkworth.

Mr. Cyril Gotschalck, Mr. and Mrs. Douglas Clancy, of Wellman's were Sunday guests of Mr. and Mrs. Marg-

ice Clancy.

Several from here attended the funeral of the late Mrs. Adams, West Huntingdon.

Mr. and Mrs. Clarence Fitchett are enjoying a few days motor trip this week.

Mrs. Maurice Clancy entertained the pupils of her Sunday School Class on Tuesday afternoon. The afternoon was spent in completing work in Class books and making a scrap book to be sent to the Sick Children's Hospital. A social time was spent singing songs. Musical numbers were given by Misses Donna Stapley and Joanne Reide. Others present were Misses Joan Woodcock, Myrtle Wannamaker, Thelma Prest, Marlene Madill, June White, Marilyn Reids and Grace Clarke. A delicious and dainty lunch was served by the hostess assisted by the Sunday School Supt. who was present for the lunch hour.

River Valley Women's Institute

The September meeting of River Valley W.I. was held at the home of Mrs. J. Sager with eleven ladies in attendance.

The vice president, Mrs. Don Donohoe, presided and roll call was answered with an exchange of plants and gifts.

Mrs. J. L. Donohoe read several letters of thanks for fruit and flowers. An invitation was received to attend "The Club Girl Stands In Guard".

A joint meeting of Institutes, Stirling, River Valley, Pine Grove and Chatterton, will be held in Stirling Community Hall on Thursday afternoon, September 29th, when Miss Grace Hamilton, of the Department, will conduct a lecture and discussion on "Modern Medicines and Their Uses". All ladies interested in this topic are urged to attend. It is free to all.

The lovely hand-worked runner and eight place mats, which was sent by the W.I. members of Abbott's Leigh, Bristol, were on display and it was decided to sell tickets on this lovely set in October.

The October meeting will be held at the home of Mrs. Alex Bush with Citizenship as the theme.

Mrs. Earl Morrow gave a splendid paper on "How To Prepare A Perennial Bed". She gave first hand information on the care of roses, portulaca, phlox, peonies, etc. A perennial bed should always have bloom and while flowers are a lot of work, their gorgeous beauty pays richly for labour involved. She closed with a poem by Longfellow.

Mrs. Roy Bush very ably demonstrated how to arrange beautiful bouquets for dining room and living room. She stressed flowers on the table every day and used very common dishes to

Jack Stewart, Peterborough, R.R. 7
(2 miles east of Peterborough on No. 7 Highway)
40 FALL FRESHENING COWS AND HEIFERS
Pure Bred and Grade — T.B. and Blood Tested
A GOLDEN OPPORTUNITY
(1) To improve your milk quality! (3) To increase your income!
(2) To raise your butterfat! (4) To buy Golden Guernseys!

hold the lovely blooms. She said, "Plant your flowers for a purpose in the spring. You can easily pick your table bouquet in your garden along with the vegetables". Such varieties as scabiosa will bloom along with the carrots. She also used several varieties of foliage to make a pretty bouquet.

The lunch committee served refreshments, topped off with ice cream and a vote of thanks was tendered for hospitality and programme.

WHY WOMEN LIVE LONGER

Lethbridge Herald
There are probably countless medical reasons why women live longer than men, but we are inclined to believe that the main cause is the fact that the average man works much harder during a lifetime than the average woman. Being the breadwinner, the man has to sit up many a night devising ways and means of keeping the family larder full without going into debt. He not only has to worry about providing for the home, however, but he has to get up at the most finchish hours and work at least seven or eight hours, often at tasks which are anything but beneficial to the health.

No wonder many a poor male dies at 55 or 60 from coronary thrombosis, high blood pressure or angina pectoris. If women worked or worried half

as hard, they'd probably suffer more frequently from the same ailments. Of course, there are numerous women who work just as hard as men. Businesswomen, for instance, often have the same problems as businessmen. And then there are the harried housewives who often have to cook for a dozen people at a time. But on the whole, man works and worries much more than women, and that is why he doesn't live as long.

PROPERTY OWNERS WILL VOTE ON MUNICIPAL BUILDING
Tweed Municipal Council at a recent meeting ratified the by-law concerning the proposed new municipal building for Tweed village. The question of proceeding with the construction, will later be voted upon by all property owners and if the by-law is approved, it will be placed before the municipal board for their sanction.

BUY AT HOME
Protect your merchants. All you have to do is confine your business to this community. . . many citizens take trips into the city to save 50 cents on an article and in turn spend much more than that for meals while there. . . Next time you think of buying in the city, give your local merchant a thought. He is relying on your support. — Rainy River (Ont.) Record.

Lunch Served

Hello Homemakers! There is one thing wrong with home economists: we can be so well acquainted with homemaking that sometimes we do not give detailed instructions. On the other hand, we realize that you are not amateurs. However, we are always glad to give more information when requested.

There is the instance of a good cook who took a summer hotel job to prepare meals for fifty people. As an experienced meat and vegetable cook, the woman sought our suggestions for

desserts. Among the pastry items, pumpkins and squash pie were tried time and time again with poor results — we had neglected to say scald the milk to prevent the filling becoming watery or curdled.

There may be much discussion about recipes for pumpkin pie — some like brown sugar, some like maple syrup, while we prefer white sugar. There's one recipe that makes a light coloured filling by the use of lemon juice but we do not like the flavour — in preference we suggest a little rose water. For years we have tested exact measurements of ground spices because we like a dark coloured, spicy pie. The difference, we found, was the variety of pumpkin or squash.

For both pumpkin and squash, double the salt in the pastry. It brings out the flavour of the filling.

PUMPKIN PIE

- 1 cup milk or light cream
- 2 eggs
- 1/2 cup light brown sugar, firmly packed
- 1/2 cup sugar
- 1 teaspoon cinnamon
- 1 teaspoon ginger
- 1/2 teaspoon salt
- 1/2 teaspoon cloves
- 1 1/2 cups fresh cooked or canned pumpkin, drained and mashed
- Unbaked 9" pie shell

Set oven hot 425 degrees, heat milk. Beat eggs lightly. Sift all dry ingredients together once removing the lumps from the brown sugar. Mix into pumpkin thoroughly. Add eggs and beat until smooth. Stir in warm milk (heating the milk and beating the eggs makes a smoother filling). Cream, incidentally, makes a richer filling. Pour filling into unbaked pie shell and bake for 10 minutes in electric oven at 425 degrees. Then reduce heat to moderate, 350 degrees, and bake another 30 minutes.

SQUASH PIE

- 1 1/2 cups milk
- 2 eggs
- 2 1/2 cups fresh cooked or canned squash, drained and mashed
- 1/2 cup sugar
- 1 teaspoon salt
- 1/2 teaspoon ginger
- 1/2 teaspoon nutmeg
- 1/2 teaspoon cinnamon
- Unbaked 9" pie shell

Set oven hot 450 degrees. Heat milk. Beat eggs slightly. Stir in squash and all dry ingredients, then the warm milk. If filling looks thin to you, don't be alarmed. It thickens up in cooking. Pour mixture into unbaked pie shell. Bake in hot oven, 15 minutes, then reduce heat to moderate, 350 degrees, and bake 30 minutes more. The filling should be firm right across the pie. You can make certain it's done by tipping the plate slightly. If the center moves, it needs a little more cooking. Cool before you serve it.

TAKE A TIP

1. Pumpkin does not take quite as long to cook as squash, you'll notice.
2. Serve pumpkin pie slightly warm or cold with good sharp cheese.
3. Don't chill custard-type pies too fast. It makes them soggy.
4. Whipped cream on top of a pumpkin pie is delicious. With a few slivers of candied ginger it's most delicious.
5. Cut a pumpkin pie with a knife greased with butter. The result is smooth-sided sections.

THE QUESTION BOX

Mrs. G. M. wants to know how to cook Brussels sprouts so they are not grey coloured or strong in flavour.

Answer: Discard blighted leaves of sprouts. Soak vegetables in cold water 15 minutes to get rid of grit and insects. Rinse. Cook, uncovered, in large quantity of rapidly boiling, salted water for 8 to 12 minutes. The very minute sprouts are tender, drain well.

Mrs. L. K. asks: What makes pickled beets turn white and taste bitter? Answer: White vinegar may be too strong. Cook washed beets with an inch of stems left on without salt. Remove skins. Pack into sterilized jars. Mix 1 1/2 cups vinegar, 1/2 cup water, 1 cup white sugar and 1 tbs. salt. Bring to a boil and pour over beets. Seal tightly.

Anne Allan invites you to write to her in care of the Stirling News-Argus. Send in your suggestions on homemaking problems and watch this column for replies.

COMPOST HAS LIMITATIONS

The commercial fertilizer business has grown to a sizeable industry in Canada during the last quarter of a century, and with it many compost materials have appeared on the market.

Compost is not a substitute for commercial fertilizer. But good compost has a place in agriculture if the cost of the material and the labour involved does not exceed its value. It can be used for window-boxes, potting plants and lawns, or in intensified farming like market gardening where it is difficult to maintain the organic matter in the soil.

If available refuse is gathered and nitrogen material added to hasten decomposition, a valuable product is produced. But plant material must be grown somewhere and if it is merely taken from one area to be used as compost for another, naturally the first area suffers. Usually it is more economical to use manures when they can be obtained, says G. W. Michael, (Fertilizers), Dominion Department of Agriculture, Ottawa.

Conditions are different in such intensified farming areas as are found in Japan and China, where commercial fertilizers and manures are scarce. There, farmers cannot afford to waste organic matter. Compost material is most important and farms are equipped with concrete tanks, usually built in the shade, or so that they can be shaded with straw or brush. All suitable refuse including leaves, is collected and is dumped into the tank. A proper amount of nitrogen material and water is added, and the bulk is turned from time to time. Quite a rigid procedure, which involves considerable labour, is followed in making the compost and in applying it to the land. Certainly it would not be very practical for Canadian farmers.

FOUR WEEKS TOUR OF BRITISH ISLES FOR GOLD MEDAL WINNERS

A four weeks' tour of the British Isles with all expenses paid will be awarded gold medal winners in both the horse and tractor plowing "Esso Champions Trans-Atlantic" classes at this year's International Plowing Match, V. C. Porteous, president of the Ontario Plowmen's Association, announced recently.

The 1949 International Plowing Match is being held at the farm of H. W. Amy, 10 miles west of Brantford, Ont., Oct. 11 - 14. The plowmen's annual classic will be officially opened on Oct. 12 by Brig. O. M. Martin, of Brantford. Premier Cecil Frost, of Ontario will be the guest speaker at the banquet marking the close of the match.

Second prize winners in the Trans-Atlantic classes, which are sponsored by Imperial Oil, will each receive a silver medal and \$150 in cash. Twelve other cash prizes totalling \$165 will be awarded in each class.

Those qualified to compete in the tractor class include all "Esso Champions Special" winners at Ontario Plowmen's Association branch matches and all plowmen from other provinces. Medal winners in this class at previous International Plowing Matches will not be eligible.

In the special horse drawn plow classes all plowmen who qualified at branch matches after Oct. 17, 1947, and plowmen from other provinces are qualified to compete. Medal winners in this class in previous years are not eligible.

During their free trips to the British Isles the gold medalist will visit plowing matches, study British agriculture, and see historic sites. They will be accompanied by a manager appointed by the Ontario Plowmen's Association. The tour, which includes a short stay in New York, will take about four weeks.

River Valley Missionary Society

On the afternoon of July 19th, twenty-four members and friends of

the R.V.M.S. gathered at the home of Mrs. Jack Sager for the July meeting. "O Master Let Me Walk With Thee" was sung as the opening hymn, followed by a very fitting and beautiful prayer led by the president. The minutes were read and approved and the various secretaries reported. Seven home and thirteen hospital calls were reported.

The programme was then handed over to Miss Eleanor Bush. Mrs. Gerald Brooks assisted in preparing the programme. The opening hymn "Rise Up O Men of God" was sung. Adeline Bush read the Scripture lesson which was taken from Luke 10, verses 30-37. All joined in singing the old favourite hymn, "Blest Be The Tie That Binds". All answered the roll call from slips that had previously been passed around. Mrs. Alex Bush gave a reading entitled "Friends". Miss Marjorie Bush delighted all with a piano solo. A reading written by Billy Kidd was well given by Mrs. Stanley Irvine.

The meeting was then handed back to the president and Mrs. Barker was invited to take an honoured chair. Mrs. Sager, Sr., read a very appropriate address and Mrs. Alex Bush presented her with two beautiful China cups and saucers as a remembrance from the R.V.M.S. In a few well-chosen words Mrs. Barker thanked her friends for the lovely gift. All the R.V.M.S. and friends shall certainly miss Mrs. Barker from their meetings and wish to thank her from the depths of their hearts for all she has done. All the best wishes for their future success and happiness we hope will go with her and her husband and family wherever their new home may be.

All repeated the benediction. Then everyone adjourned to the sun-porch where a delicious lunch was served.

403 Ontario Student Athletes Trained At Lake Couchiching

Last week 403 boys returned to some 200 Ontario high schools better equipped than they were last June to give active leadership in their schools and communities. These tanned, fit youngsters are the envy of their athletically-minded classmates, for each has had the benefit of two weeks at the Ontario Athletic Training Camp at Lake Couchiching, sponsored by the Ontario Department of Education, which closed after another successful 60-day season's operation.

The Lake Couchiching camp is more than an athletic training ground. It is conducted in an atmosphere charged with essential atoms of responsible citizenship. A boy would be a dunce if he failed to absorb moral as well as physical benefits from his attendance at the camp . . . and dunces don't go to Couchiching!

Last Spring the Department of Education asked every High School principal to submit camp applications for one or more boys between the ages of 15 and 18, on the basis of leadership, scholarship and athletic ability. The successful applicants were then assigned to the most convenient of the four 15-day courses. School Boards are

urged to provide the first \$10.00 of transportation costs, and all sums over this amount are paid by the Department of Education. Except for camp uniform and pin money, the lucky scholar doesn't need a dime. The Provincial budget provides for his board and training.

Camp Director is John E. McCutcheon, Assistant Professor of Physical Education, University of Toronto. He is responsible for the conduct of the Camp, through officials of the Department of Education, to the Minister of Education. Mr. McCutcheon heads a highly qualified teaching administrative staff from Ontario schools and Universities. All qualified teachers of Physical Education, they include many noted athletes and team coaches.

In addition to his instructional duties, every staff member acts as a counsellor. Every staff member also takes his regular tour of duty as "offices of the day", when he is responsible under the Camp Director for all details of camp administration and routine.

The camp is built on 80 acres of terraced grass land, twenty miles from Orillia on the east side of lovely Lake Couchiching. Sturdy, attractive frame-buildings fit snugly into the planned

(Continued on Page 3)

Skinny men, women gain 5, 10, 15 lbs.

Get New Pep, Vim, Vigor

What a thrill! Body limbs fill out; only hollows fill up; neck no longer scrawny; body loose half-starved, sickly "lean-pole" look. Thousands of girls, women, men, who never could gain before, are now proud of healthy, healthy-looking bodies. They thank the special vitamin-building, iron-building, tonic, OTCOR. Its tonic, stimulating, invigorating, iron, vitamin B₁, calcium, sulphur blood, improves appetite and digestion so food gives you more strength and nourishment; put OTCOR on bare bones, the 5, 10, 15 or 20 lbs. you need for normal weight. Costs little. New "get acquainted" size only 50c. Try famous OTCOR Tonic Tablets for new vigor and added pounds, this very day. At all drug stores.

ATTENTION !

ALL WHEAT and SMALL GRAIN GROWERS

... Try "NA-CHURS" LIQUID FERTILIZER CONCENTRATE this year

Last year several wheat farmers treated seed wheat with "NA-CHURS" LIQUID FERTILIZER CONCENTRATE and apparently had good results.

Using "NA-CHURS" Liquid Fertilizer Concentrate for this purpose is still in the experimental stage but we believe you should try it. Preliminary tests indicate a quicker start which may aid in earlier maturity and better yield.

The cost is very little and if it will increase your wheat yield, it is too good to pass up. Many enthusiastic growers have written about the fine results obtained with "NA-CHURS".

ASK US TODAY !

ABOUT THE ONE GALLON TEST !

One gallon of "NA-CHURS" will treat 8-10 bushels of seed grain at a cost of approximately \$1.00 to \$1.25 per acre.

Enjoy These Advantages

★ Completely Safe -- No Burning

★ Easy To Apply -- No Bulky Weights

★ Economical -- No Waste

FOR MORE INFORMATION ON "NA-CHURS" LIQUID FERTILIZER CONCENTRATE, COME IN OR CALL US TODAY !

NEWS FOR THE BUSY FARMER

FARM SHEEP FLOCKS OFTEN TOO SMALL

Among the many factors influencing the returns from sheep on the farm, the size of the flock is an important one. The census for 1947 shows that the average number of sheep in a flock in Canada was 24.3 head. This, of course, includes the large range flocks of Western Canada. When the average is calculated for Ontario, Quebec and the Maritime provinces the figure is only 15.8. As the census figures are collected just when the lamb crop is at its highest figure, June 2nd, the extremely small size of the average flock is apparent.

Farm flocks of this size are far from economical, says S. B. Williams, Animal Husbandry Division, Central Experimental Farm, Ottawa. The charge for the flock sire and his maintenance must be divided among very few ewes. Building and equipment costs are likewise too heavy on a per head basis or as is more often the case, adequate buildings and equipment are not provided with a consequent reduction in returns due to increased mortality and decreased thrift.

The minimum efficient flock size is that which can be handled by one man that is 40 to 50 ewes. When the farm flock is this size, it does not become the "poor relative" of the barnyard and adequate provision is made for care and feeding both summer and winter. Proper equipment can be justifiably be made or purchased. A superior ram can be purchased and the flock becomes a stable source of income and a matter of pride to its owner.

GOVERNMENT TO BUY CHEDDAR CHEESE

It was announced recently by the Acting Minister of Agriculture that the contract with the British Ministry of Food for 50 million pounds of cheese has been completed. As production during the current year was planned in the light of the price established in the contract, which has been completed at an earlier date than was expected, the Cabinet has approved the purchase by the Government of cheddar cheese at the same price as, under similar conditions to those under which cheese was purchased for the British Ministry of Food. The arrangements is for the balance of the calendar year and applies to cheese produced in Ontario and Quebec after

August 1, 1949.

Purchase will be made by the Dairy Products Board, the price to be 30 cents per pound, basis first grade f.o.b. factory.

In making the announcement, it is emphasized that the arrangement for purchase of cheese is temporary. It is designed to maintain stability in the market during the present production season and to give an opportunity to the industry to make adjustments in the light of probable.

ONE-PLOW TRACTORS POPULAR ON FARM

In the last four years, there has been an increase in the number of one-plow tractors being used on farms. In 1947 about 900 were used in Canada as compared with over 5,000 in 1948. This increase can be attributed to the low initial cost and the fact that many of the field operations can be performed by the one-plow tractor and its equipment.

Although the one-plow tractor costs approximately one-half as much as the two-plow tractor, and will normally accomplish at least half the amount of work, the new cost per drawbar horse power is usually 25 per cent greater for the one-plow tractor than for large tractors. It has been estimated that a one-plow tractor will plow an acre of land for about \$4 while the two-plow tractor will do an acre for about \$3.50. This higher cost for the one-plow tractor is partly due to the increased labour cost, since one man can do approximately half as much with a one-plow tractor as with the two-plow tractor. These costs are based on operations under average field conditions. The above figures indicate that the one-plow tractor involves less investment but does not necessarily result in a reduced cost per acre when compared with the larger tractors says Allan Magee, Field Husbandry Division, Central Experimental Farm, Ottawa.

The complementary mounted implements available are usually well designed and cost less than similar equipment for larger tractors.

Many farms are using a one-plow tractor in place of two or three horses. This size of tractor will haul most two horse equipment under normal field conditions. In addition, the tractor will supply belt power for various operations.

Large farms that use two tractors or more, may find the one-plow tractor useful, as it will do many of the lighter jobs which are always numerous on a large farm.

When operating a one-plow tractor it should not be overloaded. For example, some operators endeavour to draw a 5-foot tandem disc harrow, and greatly overload the tractor which may be designed to pull a 5-foot single disc. This results in reduced efficiency and dissatisfaction.

These few observations leave little doubt as to why the one-plow tractor has become popular. It is really a small unit as versatile as the large tractors.

CANADIAN CO-OPS. SHOW PROGRESS

In an address given recently at the annual meeting of the American Institute of Co-operation, University of Wisconsin, J. E. O'Meara, Dominion Department of Agriculture economist said that membership in Canadian co-operatives reached the million mark for the first time during the fiscal year 1947-1948.

A total of 2,249 co-operatives of all types in Canada did a volume of business amounting to \$780,084,955 in 1947-48 and there is every indication that the movement will continue to expand and gather strength said Mr. O'Meara.

While marketing co-ops. have been the big thing to date, Mr. O'Meara pointed out that purchasing co-ops. are now being organized more frequently than marketing ones. A good illustration of this trend was the fact that marketing co-op. business volume is only four times that of the purchasing co-ops. today, whereas in 1940 it was ten times greater.

The expansion of co-ops in Canada, the speaker said, was not entirely a matter of greater numbers of co-operatives or a greater volume of business. The co-ops are reaching out into new fields and activities.

Enthusiastic in their plans to develop their domestic business, Canada's co-ops. are interested in the possibilities of international co-operative trading, too. They have been in touch with overseas buying agencies and have taken membership in international co-operative trading associations.

"With the return of more normal economic times," said Mr. O'Meara, "they hope to see the principles of co-operation attacking successfully the barriers to international trade that now exist between the co-operatives of the world."

TWO CHAMPIONS HONORED AT LONDON, ONTARIO

Two champion Holstein cows and their owners were honored at London, Ontario, when farmers from the district gathered to see the final milking of the fourth consecutive record over 30,000 lbs. completed by Lonelm Textal Happy owned by R. M. Berry, London, Ontario. "Happy" is one of only two cows in the world with four consecutive official records on three times-a-day milking, each above 30,000 lbs. milk. Her only competitor is the English Holstein, Manningford Faith Jan Graceful. No other cow in the Americas has completed more than two 30,000 lb. records on three times-a-day milking. In addition to being the American champion for milk and fat for four consecutive lactations on

three-times-a-day milking, Happy is the Canadian champion Holstein for fat production for four consecutive lactations regardless of times milked daily.

Co-star of the occasion was Rath Holme Rag Apple DeVries owned by Archie Rath, Mossley, Ontario, who has recently completed a World Record for 305 day production of butter-milking of 20,080 lbs. milk containing 876 lbs. fat, average test 4.36 percent butterfat. "DeVries" replaces as World Champion in this class another Canadian Holstein, Sweetholm Rag Apple Belle, owned by E. L. Sweet, Belmont, Ontario, with her record of 870 lbs. fat from 20,076 lbs. milk that was made in 1946.

Official figures on Happy's latest

record are available only for 256 days of her lactation but her 365 day production is unofficially given as 30,453 lbs. milk and 1114 lbs. fat. As a five-year-old she produced 30,711 lbs. milk containing 1101 lbs. fat; as a seven-year-old 30,710 lbs. milk containing 1086 lbs. fat; as an eight-year-old 30,279 lbs. milk containing 1086 lbs. fat; as an eight-year-old 30,279 lbs. milk containing 1169 lbs. fat, and now as a ten-year-old, better than 30,000 lbs. of milk containing 1100 lbs. fat.

MILK REPORT

The following is the Milk Report of the Stirling Dairy for the month of July from the Ontario Department of Health:

B. Coli count, 352; Standard Plate count, 10,000; Per cent Butter Fat, 3.6; Result of Phosphatase Test, A.

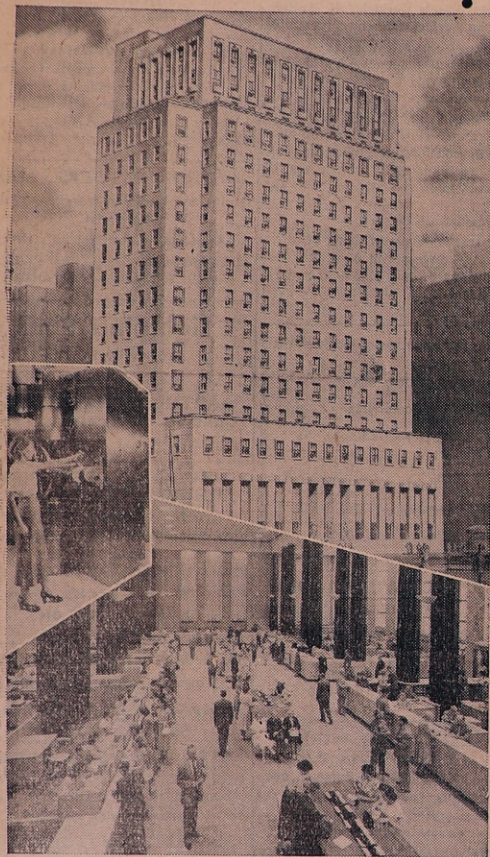

Whenever you are near a school—Follow Safety Sally's rule.

Yes—when you approach a school SLOW DOWN—be on the alert to avoid an accident. The rules of highway safety are simple to observe. Exercise care, and don't take chances.

The "Pony" that replaces a Team

WITH the introduction of the "Pony" tractor, Massey-Harris extended the advantages of power farming to practically everyone who makes his living from the soil. There are thousands of farmers and market gardeners whose acreage does not justify the investment in large-size tractor equipment. Such men were barred from the use of power machinery until the "Pony" came into the picture. Today, it is helping them to increase their farm output, reduce production costs, and eliminate old-fashioned drudgery.

The "Pony" is an outstanding example of the farm-minded engineering that lies behind every Massey-Harris machine. In designing the "Pony", Massey-Harris engineers were not content merely to build a small-size low-cost tractor. They studied the kinds of work

that a small tractor would have to do, in practical farm use, to give satisfaction to its owner... and they calculated the requirements of power, traction, weight, and endurance that such work would call for. As a result, the Massey-Harris "Pony" out-weighs, out-pulls, and out-works every other tractor in its class. It will do more work than a team, and much more work than a little walk-behind tractor.

Going further, Massey-Harris engineers designed an assortment of quick-mounted tools for the "Pony"... exactly the right size to yield the maximum amount of finished work per hour of time and per gallon of gasoline. With these tools, the "Pony" not only does more work than a team, but does it better, faster and cheaper.

St. Paul's Women's Association Holds Opening Fall Meeting

The September meeting of St. Paul's United Church Women's Association was held at the home of Mrs. Oliver Stapley on Tuesday afternoon, September 6th, with a splendid attendance. Due to the unavoidable absence of the president, secretary and treasurer, Mrs. Percy Utman, 1st Vice Pres., acted as President, Mrs. J. B. Thompson, secretary, and Mrs. J. L.

Good, treasurer. The meeting opened with the singing of the theme song and prayer by Mrs. Utman. The minutes of the last meeting were read by Mrs. J. B. Thompson and all other communications received during the past two months, and also reported thirty-eight cards and three letters sent during July and August. Mrs. J. L. Good presented a very complete financial report. Mrs. J. L. Good and Miss Huffman were appointed auditors for 1949. The calling committees for the two months reported thirty-six calls. Mrs. A. E. Good and Mrs. C. Pitman will be the calling committee for Sept. Mrs. W. T. Elliott, Pres. and Miss Della Caldwell were appointed to look after the exhibits at the Stirling Fair. The invitation from Scott's United Church W.A. to attend their afternoon meeting on September 14th was accepted. The secretary was instructed to write Mrs. R. Barker a letter of appreciation for her interest and untiring efforts on behalf of the organization during her sojourn in Stirling. Mrs. G. Bailey's resignation as treasurer was presented and after some discussion it was moved and seconded that Mrs. Bailey keep the treasurer's books for the balance of the year and Mrs. Thompson will take financial statement to the meetings and take receipts of meetings to Mrs. Bailey.

The annual W.A. Bazaar, Afternoon Tea, Sale of fancy aprons, knitted goods and Home Cooking will be held on November 17th. The next W.A. meeting will be held at the home of Mrs. C. I. Hatton on Tuesday, October 4th. The programme of the afternoon was capably directed by the convener, Mrs. V. Richardson, and opened with the singing of hymn 15. Mrs. Sid. Demorest read the Scripture Lesson followed with prayer by Miss Florence Maynes. The topic assigned for this meeting was "Communism" and was divided into two parts. Mrs. V. Richardson took the first part, stressing the fact that all should be familiar with Communism to understand what it is and its dangers. The goal of the Communist party is the total destruction of all organized Christianity and other religions and the conversion of the entire population to Atheism. The world is becoming increasingly aware of the dangers of Communism. Very few persons in Canada have examined the principles and workings of Communism. It is not a party program; it is a philosophic system. We must put Christianity as an equal weapon. This statement is backed up by reviewing the Italian elections held recently. The Italian elections were a victory of Christianity over Communism and not a victory of Democracy. In conclusion the speaker gave five points which should be considered and learned in connection with Communism: 1. Communism is a religion and as such has fervent adherents; 2. A real Communist in a capitalistic country, is disloyal to that country; He will always be engaged in Fifth Column activity; 3. Communism must be fought with a better ideology; 4. Communism does not allow for compromise. Capitalistic and Communist ideals cannot be mixed or exist in harmonious relationship; 5. As long as Communism is existent we will be the attacked society.

Mrs. C. Macklin and Mrs. R. Stapley favoured the W.A. with a very pleasing duet, accompanied at the piano by Mrs. Harold West, pianist. Mrs. A. Armstrong gave the second part of the topic, telling how Communism spread to other countries. She related John Hladum's striking and concrete example to help us to understand the influence of Communism. He says "he is thoroughly convinced of the error, evilness of Communism, and that he intends to spend the rest of his life fighting it. As we listen to news reports day by day, we must know that in their battles with Communism, the democracies of the world have a real and serious conflict. In Europe, Russia, as the chief exponent of Communism has cast her greedy eyes around and against the will of the majority, communistic dictatorship has been imposed on country after country. For years they have been extending their claws farther and farther into Asia, North Korea, Manchuria and now China has fallen to the Communistic force and more force enables them to steadily increase their holdings. It is no particular church or sect they attack, but every faith which asserts the world holds more than materialistic values. They try to spread their deadening dogma by trying to get men to give up thinking for themselves and conform to a common pattern. The Communist Aim is the destruction of the human personality and they certainly are clever in devising means of doing it. It will take all the resources of the free people to keep their people free. These two excellent papers left a stirring message of real interest with all listeners.

The meeting closed with the singing of hymn 214, and the Mizpah Benediction.

Engagement

Mr. and Mrs. John W. Heagle announce the engagement of their daughter, Emma June to Mr. Raymond Leonard Hedger, son of Mrs. Walter James Hedger and the late Mr. Hedger, of Belleville. Marriage to take place on Saturday, September 24th, 1949, at 2 p.m., Wellman's United Church.

Given Promotion

J. Borden Rollins, son of Mrs. S. B. Rollins, Tweed, has been named Sales Manager of Dominion Lined Oil Company and also McArthur-Irwin Paint Co. of Montreal. He will be in charge of sales for both companies which are jointly operated. Mr. Rollins graduated from Tweed High School and also Queen's University and prior to moving to Montreal, he was on the staff of the Nichols Chemical Company at Sulphide. His advancement comes after several years with McArthur-Irwin and his new post will necessitate considerable travel in the United States and Canada.

STIRLING FAIR, SATURDAY, SEPT. 17th

SPLENDID PROGRAM ARRANGED FOR AFTERNOON AND EVENING

Large Entry List Assured In Various Classes — Concert And Dance Saturday Night

With the annual Fall Fair sponsored by the Stirling Agricultural Society scheduled for Friday and Saturday, September 16th and 17th, the committee in charge of the various attractions in front of the grandstand have lined up a programme for Saturday, September 17th, which should appeal to all, and indications point to its being one of the best ever seen locally.

In preparing the programme, the committee has ever kept in view that the fair is primarily for the agriculturists of the Community and has endeavoured to make it of particular interest to farmers. However, the urban dwellers have not been overlooked and there are many items that should appeal to them as well. It is the hope of the Society that the citizens of Stirling and Community will show their appreciation of the efforts put forth by the directors by giving their wholehearted support to the fair, not only with their attendance, but by competing in as many events as possible.

Acknowledge Donations

The directors desire to thank the citizens of Stirling and Hastings County who by their generous donations, have assisted them in arranging for the prize lists and entertainment for this year's fair.

Trials of Speed

All of the familiar events are again on the agenda and a good afternoon's entertainment is promised for Saturday, September 17th. Horse racing enthusiasts will again be able to enjoy their favourite sport as trials of speed — 2.25 class and a Free-For-All with good purses — are included in the programme.

There will also be the pony race and bicycle races.

Drawing Contest

One of the features of the Fair will be the Drawing Contests for teams with good cash prizes and this event which attracted great interest last year is assured of another large following Saturday, with \$45 offered in prizes.

Good Exhibits

There will also be the usual good cattle exhibits, as well as sheep and swine. In the main building will be found the ladies' work exhibit, cheese exhibit, High and Public School exhibits, Horticultural Show, Cooking display, etc. The farm machinery companies will also have their usual display on the grounds.

Platform Performance

The platform performance in front of the grandstand, with Bart Haggerty acting as master of ceremonies, will include the Ladies' Nail Driving Contest; Old Time Fiddlers' Contest; Square Dance Contest; Hog Calling Contest; Singing Contest for boys and girls, under 14 years, and Mouth Organ Contest.

Beauty Contest

One of the highlights of the Fair will be the Beauty Contest, open to contestants from Hastings County and district. Thirty-five dollars is offered for prizes with twenty dollars going to the first prize winner.

Baby Show

The Baby Show will again be a feature, with three classes, babies under 6 months, babies 7 to 12 months and twins, one year and under. Liberal prizes are being offered by the local druggists, Dr. Wm. Cornett, Dr. E. A. Carleton, Stevenson's Ladies' Wear, and the Meyers and McCormack studios, of Belleville.

Good Midway

Arrangements have been made with the Green Shows, for a midway with several rides and shows for both the children and the adult patrons of the fair.

Dance and Concert At Night

The programme will conclude with a concert in the Stirling Theatre presented by Garden Bros. Entertainers, of Toronto, and a dance in the Main Building at the Fair Grounds.

In presenting the programme the

Fair Concert Tickets On Sale

Tickets for the Concert, sponsored by the Stirling Agricultural Society, on Fair Night September 17th, in the Stirling Theatre, are now on sale and may be procured from E. D. Ketcheson, secretary, and at Bob Patterson's Store, and Stirling News-Argus.

Garden Bros. Entertainers, of Toronto, will provide the program and a real good show is promised the patrons. Tickets are going fast, according to Mr. Ketcheson, and if you want to be assured of a seat on Saturday night you had better procure your tickets early. First come, first served — no reserve.

On Holidays

C. E. Macklin, local manager of the Dominion Store, left Sunday for his annual two-weeks' vacation. Mr. Harry Butcher, of Napanee, is relieving during Mr. Macklin's absence.

Business Association Recognized

Fifteen years of happy business relations between the McColl-Frontenac Co. and McIntosh & Wells, local garage operators, were fittingly recognized last week when Messrs. S. McIntosh and H. J. Wells were each presented with a suitably engraved silver tray, together with a gold award button by the former company.

Dunham -- Fleming Nuptials on Saturday

Trinity United Church of Madoc, Ontario, was the setting for the marriage of Freda May, daughter of Mr. and Mrs. Fred Fleming, to Mr. Jack Burton Dunham, son of Mr. and Mrs. Charles Dunham, Wellman's, on Saturday, September 10th, at twelve o'clock noon. Rev. A. Poulter conducted the ceremony.

The church was decorated with multi-coloured gladioli and fern, and white satin bows marked the guest pews. Mrs. McKinley Rankin, accompanied at the organ by Marion Robertson, sang "O Perfect Love" before the ceremony and "I'll Walk Beside You" during the signing of the register.

The bride, given in marriage by her father, wore a floor length gown of white slipper satin with flange collar, long lily-point sleeves, and lace yoke. Her finger-tip veil was held by a coronet headdress. Her only jewelry was a triple strand of pearls, a gift of the groom, and she carried as her bouquet, a cascade of Poinsettia rose buds and white stephanitis.

Miss Joyce Fleming was maid-of-honour for her sister, and the bridesmaids were Marjorie Fleming, sister of the bride, and Mary Rogers, of Toronto. They were gowned in dresses of brocade taffeta, patterned similar to the bride's, with short sleeves. The maid-of-honour wore petal green with matching headdress of taffeta and net, and net mitts. She carried a bouquet of yellow and bronze baby's breath. The bridesmaids, wearing daffodil yellow gowns, headresses and mitts, carried bouquets of orchid-coloured baby's breath.

Reg. Dunham, of Tweed, was his brother's groomsmen. The ushers were Byron Seeley and McKinley Rankin.

The reception was held at the home

(Continued on Page 8)

committee feels it should have the support of the community and given good weather, the attendance should be the best ever. All roads lead to Stirling Fair Grounds on Saturday and citizens of the surrounding district will be out in force to lend their support to the Agricultural Society. Be sure to meet your friends at Stirling Fair.

Lands and Forests Exhibit at Fair

The children of our district, as well as the adults, may look forward to a pleasant surprise at Stirling Fair on Saturday.

The Department of Lands and Forests is co-operating with our Fair Board and will have an exhibit of deer, foxes and beavers in the main hall at the fair grounds.

This exhibit is extremely interesting and educational and should prove of great interest to the children and adults visiting the Fair.

High School Achievement Day

This year the achievement day of the Stirling High School will be held in connection with the Stirling Fair. The exhibits will be in a separate section in the main display building.

St. Andrew's Presbyterian W.M.S. Holds Memorial Service For Departed Member

The September meeting of St. Andrew's W.M.S. was held at the home of Mrs. W. L. Anderson. Mrs. Don Fargy acting for the Home Helpers department had charge of the devotional part of the meeting. Roll call was responded to by fourteen members. Mrs. Ken Ray and Mrs. C. Rollins were appointed the visiting committee for the next month.

Mrs. W. L. Anderson led the meeting in a short "In Memoriam" service for Mrs. M. Tompkins. She spoke feelingly for the loss of a dear friend. The Society has suffered a great loss. She was a true friend and a wise counsellor. Mrs. Harper Rollins led the meeting in prayer urging for loyalty and helpfulness. Hymn "The Sands of Time Are Sinking" was sung. Silence followed. Mrs. C. Tummon spoke sincere words of tribute to her memory.

Miss Gena Spry conducted the remaining part of the meeting in the absence of Mrs. Chas. Fargy. Mrs. Harold McGee gave a most fitting topic for this particular time, "Have Faith in God". We need faith in ourselves but most of all we need faith in God who is our Heavenly Father. He will supply our every need if we but

Local Happenings of Interest About Town

Mrs. R. Sutcliffe, of Gananogue, is a guest of Mrs. Robert Kerr.

Mrs. Mabel McMullen, of Harold, spent Friday with Mrs. Janet Utman.

Mr. and Mrs. Walter C. McConnell, of Weston, spent Wednesday with Mr. and Mrs. Fred McKee.

Mr. and Mrs. S. Chappelle, Campbellford, were recent guests of Mr. and Mrs. A. Scott.

Mr. and Mrs. Claude Tucker spent the week end at Bowmanville, guests of Mr. and Mrs. J. R. Metcalfe.

Miss Jeandotte Villette left last week to attend Bishop Strachan School, College Heights, Toronto.

John McCaughen, of Toronto, spent a few days recently with Mr. and Mrs. Carleton Wright.

Mr. and Mrs. A. Scott attended "The Worlds Fair" at Shannville Saturday.

Mr. and Mrs. Henry Tulloch spent Sunday afternoon with Mr. and Mrs. Jack Tulloch, of Oak Lake.

Guests of Mr. and Mrs. Don Heath on Sunday were Mr. and Mrs. Roy Heath, of Belleville, and Mr. and Mrs. Roy Walker, of Burnbrae.

Mr. and Mrs. Edward Powers, Buffalo, N.Y., and Miss Evelyn Shea, Albany, N.Y., were recent guests of their sister, Mrs. Frank Long.

Dr. and Mrs. P. V. Helliwell, of Hepworth, Ont., were guests of their daughter, Mrs. W. Wilkins, and Mr. Wilkins for several days this week.

Rev. and Mrs. W. H. V. Walker returned home on Friday after spending

NEW PARKING LOT BEING PREPARED

In an endeavour to solve Stirling's parking problem and facilitate shopping by the customers from the surrounding district, the Village Council has made arrangements with the business men on the north side of Front St. to use the ground at the rear of their stores for parking purposes. A bulldozer was employed on Tuesday levelling off the ground, and it is expected it will be ready for use in the near future. A street lamp will also be installed on the lot for the convenience of motorists. When completed this lot along with the one on the corner of Church and Emily Streets, should go a long way towards solving Stirling's parking problem.

Attend O.B.C.

Messrs. Garnet Thain and Ross Hermiston began their studies at In-tario Business College, Belleville, last week.

Tree Removed

The large maple tree on North Street opposite the Post Office, which has been an annoyance to transport drivers in that it hung over the highway and scraped the top of their vans, was taken down by Ontario Department of Highways employees on Wednesday afternoon. The curbing along the east side of the Highway at this point was also removed and the road-bed will be widened.

Rochester Jurist Visits Here

Mr. and Mrs. David Dalrymple, Rochester, N.Y., spent a few days recently at the home of the latter's sister, Mrs. Frank Long. Their friends in this vicinity might be interested in the following clipping from a recent copy of the Rochester Democrat and Chronicle —

"David W. Dalrymple, of 704 Manchester Rd., who was graduated from Syracuse Law School last month, has been named a court attendant by the Appellate Division, First Department. Mr. Dalrymple holds B.A. and M.A. degrees from the University of Notre Dame, and has taken graduate study at the University of Toronto. He is a former assistant professor of philosophy at Notre Dame College of Staten Island. He served three years in the Army in World War II. At Syracuse he was first editor-in-chief of the new Syracuse Law Review, and also President of Justinian, the honorary legal fraternity."

Old Copies of News-Argus Wanted

This office is in need of several old copies of the News-Argus of August 11th. If any of our readers have a copy of this issue and will return it to this office, we will greatly appreciate their kindness. — Editor

Sidney and Stirling Jrs. Winners In Opener Rural League Play-offs

The play-offs for the Championship of the Centre Hastings Rural Softball League got under way last night at the Community Recreational Centre with a doubleheader.

Legion vs Sidney

In the first game Sidney defeated Stirling Legion in a thrilling game by a score of 13 to 11. The winners got away to a flying start with five runs in the first inning, added two in the third and had their big inning in the sixth, when they batted Geldard, Legion's starting pitcher from the box and counted six runs. Noble came in to shut off the rally and blanked them for the remainder of the game.

The Legion counted three runs in the first, third and fourth to lead 9 to 7, but couldn't hold it. They added two in the sixth.

Latta started on the mound for Sidney but was replaced by Shorey with one away in the third.

Sidney — Wickson, 2b and 3b; Latta, p; Shorey, ss; Kingston, 1b; Ketcheson, c; Sine, 3b and lf; Donaldson, rf; Fisher, cf; Nicolson, lf. Woods at 2b in second.

Legion — Bastedo, 2b; Rose, ss; Shannon, 3b; Kreh, c; Patterson, rf; Geldard, p; Royle, lf; Noble, cf; Abernethy, 1b.

Umpires — plate, Kane; bases, Wright.

Minto vs Juniors

In the second game, Stirling Juniors overwhelmed Minto by a score of 21 to 0. In fairness to the losers, it must be stated they were minus the services of Arnold Ray, who is out with a sprained ankle, while, Irvin Potts, who did the pitching, was just over a battle with old man flu, and not at his best. However, the Juniors played ed sparkling ball and hammered the offerings of Potts to all corners of the lot for seven runs in the first inning. They added one in the second, eight in the third, two in the fourth and three in the sixth.

"Baldy" Faulkner was in rare form

Brooklin Custs Local Juniors

Series Ended Here Friday Night When Visitors Won Game By The Score of 8-4

Staging a four-run rally in the ninth inning Brooklin eliminated the Stirling Juniors from the O.A.S.A. Junior "B" play-offs by defeating them 8 to 4 at the local Recreational Centre on Monday night. The first game of the series was played in Brooklin on Friday last, and resulted in a win for the home team.

The game was a nip and tuck battle all the way and was witnessed by only a fair crowd. The visitors took the lead in the third inning, when Johnston got a life on an error and after working around to third on put-outs scored on Davidson's single. Stirling tied it up in the fourth on walks to Wright and Bush and Faulkner's single. Brooklin again took the lead in the first half of the sixth on a double by Crossall and a single by Arksey, only to have the locals score three runs on an error, two walks and singles by Faulkner, Mason and Wamnamaker. The winners added one in the seventh when Faulkner had difficulty with his control and gave up three walks and one in the eighth when he loaded the bases on singles by Burt and Mackey and a walk to Arksey. Bush came in to fan Johnston, but Haire hit to Mason at short who tossed to Bush to force Mackey, and bush threw to Haslett who tagged Arksey going to third for a double play. Meanwhile Burt scored the tying run. The locals argued that the run didn't count but to no avail. In the ninth Davidson singled and Williams homered when a line single got past Faulkner, who was in right field for two runs. Faulkner came back to the mound and Don Rose went to right field. The next two batters went out, Burt walked and Arksey and Mackey got singles for two more runs (Continued on Page Eight)

Sidney and Stirling Jrs. Winners In Opener Rural League Play-offs

on the mound for the winners, limiting the opposition to five hits and having seven strikeouts to his credit, while the fielders gave him good support. Dobson and Wamnamaker led the Junior hitters, with 4 each, while Lanigan homered and Bush tripped.

Stirling Juniors — Mason, ss; Wamnamaker, cf; Lanigan, 3b; Dobson, 1b; Wright, c; J. Rose, lf; Bush, 2b; Anderson, rf; Faulkner, p; Donnan, rf in fifth, and R. Ray, rf in 7th.

COMING EVENTS

COMING — Evangelistic Meetings in Salvation Army Citadel, Tweed, during the week of Sept. 23 to Oct. 3rd; also a Street Meeting in Stirling, on Saturday, Oct. 1st, at 8 p.m. All meetings to be conducted by Major and Mrs. W. Mercer, Toronto. 46-3

A TAG DAY, SPONSORED BY REBEKAHS and Oddfellows, in aid of the C.P. and T. Fund, (Cancer, Polio and Tuberculosis), on Saturday, September 17th. 45-2

MEMBERS SPRINGBROOK L.O.L. 442 will attend Divine Worship in St. Mark's Anglican Church, Bonarlaw, on Sunday, September 23rd, at 3.30 p.m. Members please assemble at the church at 2.15. Visiting Brethren welcome. H. Cotten, W.M., F. Bateman, R.S. 46-2-p

ANNIVERSARY SERVICES WILL be held at the Presbyterian church, Burnbrae, Sunday, September 25th. Guest speaker, Rev. Peter Reid. Pictorial special music by the choir and guest soloist from Belleville. Everybody welcome. 46-2

What Others Say I

SIMPLE LIFE

With the coming of September most seekers of the simple life have returned to their ordinary jobs. The quest is still unsatisfied, is not capable of satisfaction if the return from lake or sea or mountain is dictated by the need of getting the children back to school. No parent ever leads a simple life.

Whether the simple life is possible or only an unattainable goal remains a matter of opinion. Thoreau, with his motto of "Simplify, simplify," was really a complicated person. He may be admired for his acceptance of a jail sentence in lieu of paying a tax that he considered unjust, but the ac-

tion was not consistent with his creed of simplicity. Tolstoy's theatrical simplicity caused more trouble to himself and others than living an ordinary life could ever have brought about. The simple lives of the Doukhobors, for whose migration to Canada, he was partly responsible, have not brought complete peace of mind either to themselves or their neighbours.

Getting close to Nature is a phrase sometimes used as a synonym for simplicity of living, but the users of the phrase overlook the complications that attend the process. Go close to Nature, give her the least chance, and she'll start getting close to you with such unwelcome attention as sunburn, mosquito-bites and poison ivy. Her ants and wasps insist on sharing the simple picnic fare, and her winds

blow smoke in your face.

The truly simple life seems, on analysis, to be that which is lived in familiar surroundings. The value of holidays is to provide a contrast. Farmers and woodsmen should take their recreation in the city, returning to their accustomed work with a heightened appreciation of those rural virtues that the city man appreciates best from a distance. To the city man, after his annual bout with Nature, and even more to the city woman, the simple life exists in the world of washing machines, gas stoves, unlimited hot water and automatic heat and refrigeration. — The Printed Word.

IT PAYS TO ADVERTISE IN THE NEWS-ARGUS

RADIO LICENSE BOOST

(Brockville Recorder and Times) As for the CBC's high-handed request for doubling radio fees, we hope it is given the cold shoulder, and that the public rises up in its wrath against this unwarranted increase. The CBC is becoming an all-encroaching monster, and no one knows where and when it will cease biting the taxpayers of this country.

SHORTAGE OF WORK

(Windsor Star) Anyone who knows Ottawa knows that there are many civil servants who hardly earn their keep. This is not their fault necessarily. It is often that there just isn't enough work for them to do. We know one civil servant who almost quit because he could do all his work in a half hour each morning and became utterly bored by idleness. Finally he convinced someone that he should have more work to do.

IT'S STILL TRUE

It's unwise to pay too much, but its worse to pay too little. When you pay too little, you sometimes lose everything, because the thing you bought was incapable of doing the thing it was bought to do. The common law of business balance prohibits paying a little and getting a lot — it can't be done. If you deal with the lowest bidder, it is well to add something for the risk you run. And if you do that, you will have enough to pay for something better. — John Ruskin, 1819-1900.

THE PUBLIC HAS RIGHT TO STRIKE TOO

Now that strikes are directed against the public rather than the employer, whether the employer is a government, a company, or an individual, the public has a right and a duty to strike back against those who strike against the people.

Strikes are the strongest weapon in labour warfare. The objective of all warfare is to create such extensive public suffering that the leaders of the people will be compelled to capitulate. If it is right for labour to deprive the public of the essentials of life in order to compel the government to coerce the employer, whether a government corporation or otherwise, then it is at least equally right for the public to deprive strikers of other essentials of life. Obviously neither course is right. A democracy must either find the means of establishing competent courts which will adjudicate labor differences and enforce decisions or be prepared to cope with strikes of revolutionary character and proportions by using its armed forces to maintain essential services.

When any organized group can defy and dictate to a government, democracy ceases to exist and communism or fascism supplants it — The Scene form Shingwauk Farm.

USE OF TETANUS TOXOID ADVOCATED

Death of a youthful Toronto school-boy athlete recently from tetanus — lockjaw — as a result of what appeared to be a minor injury, serves to focus attention during National Immunization Week, September 11-17, on the fact that there is a preventive toxoid for tetanus — a preventive which is just as effective as diphtheria toxoid.

The 14-year-old lad died in hospital two weeks after he had cut his foot on a stone while bathing at a Toronto beach. The cut was less than a quarter of an inch long and was very shallow. He was given immediate attention by lifesavers, and in three days the cut had healed.

The tetanus germ evidently had entered the wound at the outset, however, and in eight days the boy developed lockjaw.

Despite the fact that tetanus is extremely rare, medical men today more and more are advocating the giving of tetanus toxoid. And, to further this program, medical science has developed a triple antigen containing diphtheria toxoid, whooping cough vaccine and tetanus toxoid — thus giving three-in-one protection at one time. Also available is a combination of diphtheria and tetanus toxoids — and a combination of whooping cough vaccine and diphtheria toxoid.

In some parts of Canada, official health departments are supplying health units, medical officers of health, etc. with the means to provide this three-way protection free of charge.

EARLY IMMUNIZATION ADVISED BY MARTIN

It is a parent's responsibility to provide his children with protection against diphtheria, whooping cough and smallpox, it is stated by Hon. Paul Martin, Minister of National Health and Welfare, in a special National

"School For Leaders" of Women's Missionary Society Held At Whitby

The sixteenth session of the "School for Leaders" of the Woman's Missionary Society of the United Church of Canada, Bay of Quinte Conference Branch, convened during last week at the Ontario Ladies' College, Whitby. Delegates numbering 145 were present from each of the seven presbyteries—Belleville, Cobourg, Kingston, Lindsay, Peterborough, Oshawa and Renfrew.

The programme committee was composed of the following: Dean, Mrs. W. L. Smyth; Vice-Dean, Mrs. F. W. K. Harris; Registrar, Mrs. E. S. Denyes; Treasurer, Mrs. W. F. Foy; Rooms, Mrs. R. T. Rehill; Youth, Miss Nettie Brownlee, Mrs. R. B. Hanscom, Miss Constance Wagar.

A welcome was extended to the delegates by Mrs. W. L. Smyth, who also introduced Dr. and Mrs. Stanley Osborne. The former Principal of the College extended a most cordial welcome and expressed the wish that the delegates would have a pleasant and profitable stay at the College. Other guests introduced were Miss Frances Bonwick, Literature Secretary of Toronto; Miss Anamma Thomas, M.A., B.D., of Travenco, India; Mrs. C. Maxwell Loveys, Executive Secretary for Home Missions, and Mrs. F. W. K. Harris, Vice-Dean and President of the Bay of Quinte Conference Branch. Secretaries of the various departments were also introduced.

During the busy five-day session, delegates and leaders alike were inspired as ways and means were sought for advancement in every phase of missionary enterprise under the Woman's Missionary Society of the United Church of Canada. Looking forward to the twenty-fifth anniversary of church union, we must advance with more prayers and study, more reading, more organizations, more members, more money and more missionaries. Great stress was laid on the latter, as the dire need for more young men and women to enlist for full time service in missionary work at home and abroad, was pressed home; more teachers, nurses, doctors, etc. With this end in view, the "Home Missions" period each day under Mrs. C. Maxwell Loveys was listened to with increased interest and enthusiasm.

Miss Frances Bonwick and Mrs. C. R. Carscallen directed the attention of the delegates to "Books—What To Read and How to Read Them". Mrs. W. W. Gibson, Candidate Advisor, presented the needs of her department and how vital it was that young men and women be enlisted for service. A panel discussion of the new Book-of-the-Year, "Growing With the Years", by Dr. K. J. Beaton, was led by Miss F. Bonwick and Mrs. D. J. O. Scotches.

The Literature room was a busy place from morning until night, Miss

Bonwick and Mrs. P. J. Moore being in charge. The Auxiliary Group had capable leaders in Mrs. F. W. K. Harris and Miss Constance Wagar, C.G. I.T. Groups learned ways and means for "Advance" under the secretary, Mrs. A. E. Blair and Miss Beryl Hart. Mission Band group was directed by Mrs. D. J. O. Scotches and Mrs. G. Haywood. Baby Bands, Mrs. J. A. Hawtin and Mrs. Dunk. Daily Book Reviews were given by Mrs. R. J. Moore.

The Handi-Crafts for Juniors department was a busy place as, daily, Mrs. H. D. Gilmour taught the leaders of younger groups many new and interesting methods and many finished products were on display such as "Church Bells Calling", "The Flying Umbrella" and many clever bits of handiwork.

The Baby Band Department also had a fine display such as coloured plasticine models of various churches around the world.

Each afternoon for one hour, the gymnasium called to young and not so young, as Mrs. R. H. Seymour led in games and songs.

The Daily Devotions, each morning, led by Mrs. W. L. Smyth, were, as usual, a source of spiritual strength for direction during the day, the theme being "A Living Faith".

Visual Aids came in for much discussion and a moving picture made in China by Rev. Anson Moorehouse, entitled "The House of Wang", was shown.

A Twilight Service of worship, arranged and led by Miss Constance Wagar, brought spiritual blessing, as did the Annual Vesper service, presented by Miss Netta Brownlee and her assistants.

A distinct highlight of the School was the message brought by Miss Anamma Thomas, a foreign student from India, who told the history of her native land and her church, and made a stirring appeal for more missionaries for India, young men and women not having the spirit of adventure, but the spirit of the living Christ with the humble desire to serve.

Said Miss Thomas, "When you want your daughter and your son, not your neighbour's to go, then there will be more missionaries."

On the closing morning of the School, the various secretaries presented their reports and the following Programme Committee was appointed for 1950:

Mrs. F. W. K. Harris, Miss Netta Brownlee and Miss Constance Wagar, of Peterborough; Mrs. J. H. McKinney, Brooklin; and Mrs. W. F. Young, Brockville, with Mrs. W. L. Smyth, Dean of the School, in an advisory capacity.

All were delighted to learn that, as a result of attending the School this year, two girls offered themselves as candidates for mission work; one girl

in High School, the other in her final year as nurse-in-training.

In Hymen's Bonds

MAYBEE—COLE

Miss Esma Leona Cole, daughter of Mr. and Mrs. C. D. Cole, Wooler, became the bride of George Edward Maybee, B.S.A., of Belleville, son of Mr. and Mrs. Clarence Maybee, of Smithfield, on Saturday, Sept. 3rd, at 2 p.m., in Wooler United Church. Rev. W. G. Fletcher officiated.

Pink and white gladioli effectively decorated the church.

The wedding music was played by Mrs. Frank Potts. Mrs. George McElwain, of Ottawa, sang "Because" while the guests were assembling and "I'll Walk Beside You" during the signing of the register.

Given in marriage by her father the bride wore a gown of white satin with yoke and insets of Brussels lace, made in princess style with hoop skirt. The floor length veil of embroidered net was held in place by a beaded head-dress. She carried a shower bouquet of red roses and bouvardia.

Miss Pearl Cole, sister of the bride, was bridesmaid. She was gown in coral pink nylon marquisette over taffeta with a headress of sequins and a pink fingertip veil. She carried a nosegay of pink and white roses.

Ronald Ireland, nephew of the bride, wearing a white satin Eton suit was ring-bearer.

Shirley Ireland, niece of the bride, wearing a turquoise taffeta frock, was flower girl. She carried a nosegay of various colored rosebuds.

Mr. George McElwain, of Ottawa, ably performed the duties of groomsmen. The ushers were Lorne Cole, brother of the bride, and Geoffrey McDowell.

The reception was held at the Dutch Mill Inn, Trenton. The bride's mother received in a grey crepe and lace frock with navy accessories and corsage of red roses. She was assisted by the groom's mother, who was gown in green with a corsage of Tallisman roses.

For a wedding trip to Adirondack Mountains, the bride's travelling costume was a navy suit with burgundy accessories and a corsage of red roses. Upon their return they will reside in Belleville.

Funeral of The Late Christopher Burkitt

The funeral of Christopher Burkitt was held Friday afternoon from his late residence, 11th line of Rawdon. The service in Springbrook United Church and at Mount Nebo Cemetery was conducted by Rev. M. Beare and was under the auspices of Springbrook Oddfellows Lodge, No. 419. The bearers were, Brothers John McKeown, Chas. Lough, Percy Bateman, B. Cassidy, Reg. McKeown and Roy Shortt.

The service was largely attended and there were many floral tributes. At the Church Service Mrs. (Rev.) Beare sang "In the Garden".

The impressive I.O.O.F. graveside ceremony was conducted by Noble Grand Frank Cosbey, assisted by the Chaplain, Ronald Brown and Marshall, Thos. H. Prest. A number of visiting Brethren were in attendance from Stirling Lodge.

Rylstone

Roy Shortt had the misfortune to give his right thumb a bad gash, requiring medical attention, while he was repairing his corn binder Thurs-

Finest Quality Tea

"SALADA" ORANGE PEKOE

day.

Miss Evelyn Finch returned to Peterboro for a few days' visit with her cousins, Marie and Elizabeth Sheppard, who have been holidaying with relatives around Rylstone.

Visitors at the home of Mr. and Mrs. Wilfred Spencer on Sunday were Mr. and Mrs. Alfred Spencer, of Havlock, Mr. and Mrs. Fred Husband, of Napanee and Mr. and Mrs. Clarence Thompson and Brian.

Ralph Heath returned on Tuesday from Perth where he showed his beautiful team of Grey Percherons at the Fair, carrying off well-deserved prizes. Congratulations.

Mr. and Mrs. Jim Palmer, Bobby and Freddie, Mrs. Hattie Jones and Mrs. Thelma Tulloch, all of Stirling, were Sunday visitors of their brother and son, Ellis Jones and Mrs. Jones.

Schools have re-opened for another term. The 9th line School opened with 6 beginners. Mr. Alex Hume, of Burnbrae is the teacher.

Merchants Wise Advertisers.

Remember this: Whenever you run an ad in your newspaper you are extending a cordial and powerful invitation to every reader of your newspaper to become your friend and customer. When you picture or describe your product or merchandise in your newspaper, you are virtually taking your goods right into the home of your "prospects". That's why

"THE 10 GALLON TEST CONVINCED ME!"

JULIUS JEKEL, Accountant
Oakville

"Driving 70 miles a day to and from work, I need a gasoline that gives top mileage and performance. The Ten Gallon Test convinced me that Dynafuel is the gasoline for me! For extra mileage, power and consistent high performance, winter or summer, Dynafuel is unbeatable. I wouldn't drive on anything else."

GERMAINE BEAUDRY
Fashion Designer
Montreal

"Long trips by car are part of my job as a designer of women's hats. I've found those trips easier since I switched to Sunoco Dynafuel after making the Ten Gallon Test. I'm getting more miles of smooth power from every gallon of Dynafuel than from any other gasoline I ever used."

SIDNEY BAILEY, Taxi Driver
Toronto

"I always felt that all gasolines were pretty much alike, until I tried the Ten Gallon Test with Dynafuel. What a difference! I get a surge of pick-up power now that I didn't know my car possessed. I seem to be getting slightly better mileage than with my previous gasoline, too."

FRANK E. MCKENZIE
Foundry Worker
Oshawa

"I tried the Ten Gallon Test with Sunoco Dynafuel out of curiosity. And what a pleasant surprise I got! My car has more pep, starts easier, gives me more miles to the gallon than I ever got with ordinary gasoline. With a difference like that, it's Dynafuel for me every time, now!"

THOUSANDS OF NEW USERS SAY...

"I'LL NEVER GO BACK TO ORDINARY GASOLINE"

SUNOCO DYNAFUEL

AND REMEMBER...

For best results, don't dilute Sunoco Dynafuel with other gasoline. Wait until your tank is nearly empty—then put in 10 gallons of Dynafuel. Compare its action against the best gasoline you ever used.

Make the 10 Gallon Test in your car and prove for yourself... that no other gasoline gives

1. LONGER MILEAGE
2. HIGHER KNOCKLESS POWER
3. FASTER ACCELERATION
4. QUICKER STARTS

10 GALLONS OF SUNOCO DYNAFUEL WILL CONVINCE YOU!

Mr. and Mrs. John Bateman and Mrs. Fred Fletcher, of Belleville, were guests of Mr. and Mrs. N. White on Sunday.

Mr. and Mrs. Clarence Jeffrey and family, of Napanee, Mr. and Mrs. Hiram Mumby and Mariel spent the tea hour on Sunday with Mr. and Mrs. Reg. McKeown and Billie.

Springbrook I.O.O.F. 429 held their annual Decoration Service at Mount Nebo cemetery on Sunday with a number of Oddfellows from neighbouring lodges participating. Stirling Citizens' Band provided music throughout the service.

Mr. and Mrs. Ken Ray, John and Carol, of Stirling, were dinner guests of Mr. and Mrs. Wes. Ray on Sunday and spent the tea hour with Mr. and Mrs. Harper Bateman.

A number of our folk attended the Rylstone anniversary on Sunday. Springbrook choir assisted with the music.

Rosalie and Gail Forsyth, of Sudbury, are visiting their grandparents, Mr. and Mrs. John Forsyth.

Mrs. H. Green and Mrs. Joe McEwen, Belleville, are spending this week at Mrs. Green's home here.

Miss Griffiths, of Boston, Mass., spent a few days last week with Mrs. T. M. Reid.

Sunday guests of Mr. and Mrs. A. D. Rynnalls were Mrs. Hazel Bain, of Trenton, Mr. and Mrs. J. M. Dafeo, of Frankford, Miss Ruth Bain, of Belleville; Mr. Wm. Bain, Denver, Col.; Mr. George Bain, Belleville; Mr. Bill Rose, Frankford and Mr. Ken Bain, Jr., Toronto.

Mrs. Ed. Owens and Wellington Owens, Stirling, were guests of Miss

Ethel Peake, on Sunday.

Mr. and Mrs. Carl Reid and family, Rylstone, were guests of Mr. and Mrs. Emerson Reid and Janet on Sunday. Mrs. Mac Watson and Cheryl, Trenton, Mrs. Jack Ketcheson, Brighton, and Mrs. Thos. Sables, Stirling, called on Mr. and Mrs. Malcolm Mason and family on Sunday.

Mrs. Laura Bateman spent a week recently with Mr. and Mrs. Blair Beck and girls, Hagersville. Mrs. H. Wallace, West Huntingdon, is a guest of her sister, Mrs. Charles Benson and Mr. Benson.

Carmel

Among those who attended the C.N.E. in Toronto last week were Mr. and Mrs. Archie Bailey and Mr. and Mrs. Everett Grills.

Mr. and Mrs. Douglas Pyear spent Sunday with the latter's parents, Mr. and Mrs. Roscoe Robson, Holloway. Mr. and Mrs. Joe Grills and Mrs. Louise Anderson are holidaying with relatives in New York State.

Mr. and Mrs. Frank Bailey visited Mr. and Mrs. Jas. Thompson at Millbrook on Sunday.

Mr. and Mrs. Ray Mitts, Trenton, were Sunday evening visitors of Mr. and Mrs. Arthur Pyear.

Mr. and Mrs. Chas. Bailey and family attended the Dunham-Fleming wedding on Saturday. Mr. Dunham is a brother of Mrs. Bailey.

Mr. and Mrs. Ed. Pyear, Mrs. Helen Neal and Bobby were Sunday visitors of Mr. and Mrs. Douglas Martin, of Corbyville.

Rev. A. M. Lavery, Kingston, conducted the church service on Sunday. Mrs. Frank Keating and Mrs. Roy Keating were hostesses to the W.A. at the latter's home on Thursday afternoon with a good attendance.

Mrs. Florence, Mason, Rochester N.Y., visited relatives here last week. School reopened with Mrs. Steve Armstrong as teacher. Keith Grills and George Grills began their education. Carl Hubel started his studies at Stirling High School.

Bethel

Rev. Beare, of Springbrook, was guest speaker at Bethel United Church on Sunday. Mr. Beare and his mother were dinner guests of Mr. and Mrs. S. J. Elliott.

Mrs. Fraser and daughter, of Winnipeg, arrived Monday and are visiting her sister, Mrs. James Warren and Mr. Warren.

Mr. and Mrs. Seward, of Wallbridge, were Friday guests of Mr. and Mrs. C. Sine and Mrs. Rebecca Sine.

Mr. and Mrs. Harry Morrow and Linda Ann were Sunday guests of Mr. and Mrs. S. J. Elliott.

Mr. and Mrs. Walter Warren, Allyn and Douglas, Mr. and Mrs. James Warren have returned from Papineau Lake where they have spent three weeks at their cottage.

Sunday visitors of Mr. and Mrs. C. M. Sine were Mr. and Mrs. Frank Tummon, Pati and Clark, Mrs. Wanda Sine and Garth, of Foxboro, and Miss June Coulter, of Belleville.

Mr. and Mrs. Vernon Thompson and family, of Trenton, Mr. and Mrs. John McMullen were visitors at Rush Point on Sunday.

Mr. and Mrs. Karl Sine, Mr. and Mrs. Kenneth Hagerman, Douglas and Jimmie, of Campbellford, were Sunday visitors of Mr. and Mrs. Ray Sine and Gordon.

Mr. Charles Barton and daughter, Pearl, were last Thursday visitors of Mr. and Mrs. John McMullen.

St. Paul's Women's Missionary Society Meeting

Mrs. Robert Christie was hostess to the members of St. Paul's W.M.S. on Tuesday afternoon of this week. The devotional and business periods were presided over by Mrs. E. G. Bailey, who called on the different secretaries for the monthly reports. The Community Friendship Circle reported 32 calls made during the holiday. Mrs. J. B. Thompson gave the quarterly financial report and Mrs. A. Armstrong speaking on Christian Stewardship challenged the members to become better stewards. She said God gives us much more than we ask or deserve. Let each remember the verse "God so loved the world that He gave His only begotten son". We cannot begin to match that gift, but we can certainly make better use of our talents, our time and our material possessions.

Miss D. Caldwell read the correspondence and was directed to write three letters of appreciation. Mrs. H. Wells volunteered to assist in directing the Junior Mission Band.

The programme for the afternoon was in charge of Mrs. P. Utman. The worship period was opened with the singing of a hymn, the responsive reading of Psalm 145 and prayer by

Stirling

Mrs. Alex Bush.

The new book for reading and study was introduced by Mrs. A. Armstrong, Mrs. M. Megginson and Mrs. H. Wells. The title of this book is "Growing With the Years", and is a review of the achievements of the United Church in Canada, which celebrates its 25th anniversary in 1950. It tells in narrative, map, chart and picture, the fascinating and challenging story of the work and witness of the United Church of Canada during the first quarter century of its history. The preview of the book was given in a very interesting manner by the above mentioned ladies. Mrs. E. G. Bailey also gave a short article relating to the new study.

A duet by Mrs. R. Stapley and Mrs.

H. West was thoroughly enjoyed, also the true story told by Mrs. G. W. Thompson.

After repeating the benediction, the committee served lunch and everyone enjoyed a short social period. Mrs. H. C. Martin tendered a vote of thanks to the hostess and committee in charge.

Several new people were welcomed to this September meeting and everyone was especially glad to welcome Mrs. A. Andrews who had not been able, due to illness, to attend the meetings for the past 10 years.

You can't beat a full cellar and a big woodpile for social security.

Lunch Served

Hello Homemakers! Sweet, fragrant, juicy grapes are on the market once again. Enjoy them "as is" but also provide flavour and goodness in grape jelly on toast, on meats and on crackers for in-between snacks.

Grapes make preserves other than jelly, namely Grape Jam and Grape Conserve. This tart fruit jells quickly but must be watched carefully for the jelly stage before skins turn bitter and tough. The jelly stage is reached when two drops dropped from a spoonful run together and form a "sheet".

Perhaps you know that grape skins stick readily to a pan and therefore must be stirred constantly or else the jam may jell. Stir with a wooden spoon in one hand and test with a silver spoon in the other.

Your time will be well spent in bottling grape juice this year since imported fruit juices have gone up in price. Although it is not equivalent to the vitamin content of citrus fruit it can frequently be served as a true-flavoured fruit juice.

Canned Grape Juice

Wash and stem grapes, place in an aluminum or enamelware kettle. Heat until the juice flows freely and the colour of the skins spreads through the whole mass. Press juice through a jelly bag (piece of unbleached cotton). Heat juice to simmering point (165 degrees) and pour into sterile bottles. Seal with paraffin-lined caps and pasteurize by heating in hot water

bath for 30 minutes at simmering point. Store in a cool dark place for 3 months. If desired, sugar may be added before final processing.

Canned Grapes

Wash and stem grapes and place in sterile jars. Press down with a wooden spoon or masher. Fill jar with boiling water. Seal jars, loosen bands, and place in pre-heated electric oven at 275 degrees for 30 minutes for quart jars. Remove jars, complete seal, wash them and store.

Thyme and Grape Jelly

1 cup boiling water
1 tsp. thyme
2 cups sugar
1 1/2 cups grape juice
1/2 cup liquid pectin

Pour water over thyme. Cover. Let stand 15 minutes. Strain through a fine piece of cheesecloth. Measure infusion and add water to make 1 cup. Mash 1 quart of grapes and cook quickly to extract juice which will make about 1 1/2 cups. Mix sugar, infusion and grape juice. Bring to a high rolling boil for 1 minute while stirring. Remove from electric element and skim. Add pectin and boil again 1 minute. Quickly pour into sterile jars. Cover with paraffin when cool.

Grape Relish

6 quarts Concord grapes
3 large apples
1 pint cider vinegar
5 cups brown sugar
1 tsp. salt

1 tsp. cinnamon
1 tsp. clove
1 tsp. allspice

Skin grapes. Place pulp in saucepan. Cover and simmer for 5 minutes. Strain, combine with skins and apples which have been peeled and finely chopped. Add other ingredients. Cook uncovered, stirring frequently, until thick, about 35 minutes.

TAKE A TIP

1. Salt raw cucumbers at the last minute to prevent sliced pieces from becoming soft.
2. Stewed greenage plums are tasty food for fruit salad when pitted and mixed with cream or cottage cheese.
3. Small amounts of creamed vegetables and mashed potatoes left from dinner are often quite enough to make a delicious soup for the thermos in a lunch box.
4. Cream sauces as well as chocolate and other dessert sauces can be made up in quantity and then used as needed. They should be stored in the electric refrigerator in a covered jar.

THE SUGGESTION BOX

Mrs. N. T. suggests:

MARASCHINO PEAR MEDLEY

3 1/2 cups minced ripe pears
1/2 cup chopped Maraschino cherries
2 tbsps. lemon juice
2 tbsps. chopped candied ginger
6 1/2 cups granulated sugar
1 cup liquid pectin

Measure ingredients accurately. Combine the fruits and sugar. Place over electric element turned to high and stir constantly. Boil hard exactly one minute. Remove from heat and stir in the pectin. Allow to stand back on the element turned off for five minutes, stirring and skimming alternately to prevent the fruit from floating. Pour into sterile glasses and when cool cover with melted paraffin.

This makes 8 glasses.

Mrs. R. W. suggests:

HEAVENLY GRAPE JAM

1 (6-qt.) basket blue grapes
1 1/2 cups sultana raisins
1/2 cup orange juice
1 tbsps. orange rind
8 1/2 cups granulated sugar

Remove skins from grapes. Cook the pulp until transparent and then press through sieve. Add skins and other ingredients to strained pulp. Boil until thick, stirring frequently, about 35 minutes. Test for jelly stage. Pour into sterile glasses and when cool seal with melted paraffin. Makes 7 jelly jars.

Anne Allan invites you to write to her in care of the News-Argus. Send in your suggestion on homemaking problems and watch this column for replies.

Of all the pests which plague farmers there is none to equal the city-slicker who knows how farmers ought to farm but never lifts a pitchfork himself.

When he left for the big pay and short hours, the farm boy, who is now unemployed in the city, never imagined that the old home place could look so good to him.

NEWS FOR THE BUSY FARMER

A WOODLOT CAN BE PROFITABLE

The farm woodlot has proved over and over again to be a good investment, and wherever possible every farmer should have his own reforestation or conservation plan.

Most farmers have an area of rough or strong land that would produce more revenue as a woodlot, if properly cared for, than as rough pasture. It is on record that one farmer who followed good woodlot practice, and who kept records of everything removed, found that the land in bush was producing sufficient revenue to pay the rent of the farm.

In the management of the woodlot, it is important to observe one or two things. Cattle should not be allowed to graze in the bush, because they destroy all the young growth which protects the roots of the trees from drying out. When cutting wood for fuel, it is advisable to remove all dead trees, and in order to find them when snow has fallen in winter, it is a good plan to mark their location during the summer. It is also good practice to remove undesirable species of trees, such as ironwood, which do not produce trunks satisfactory for making into lumber. The same applies to crooked and misshapen trees which occupy space that could be utilized for growing straight trees of good lumber varieties.

ALUMINUM FOIL WRAP FOR BUTTER

Efficient and attractive packaging is an important factor in the merchandising of foods, and is especially so in the case of a perishable product like butter. In the distribution of print butter from creamery to consumer variable conditions of temperature, humidity, exposure to sunlight or artificial light, and storage adjacent to highly flavoured foods may be encountered. Any of these conditions may affect adversely the flavour quality of butter. A good wrapping material for consumer-sized units of butter should therefore protect the product as adequately as possible to prevent the loss of fresh flavour, absorption of foreign odours and flavours from other foods or materials, loss of weight due to moisture evaporation from butter surfaces, and the penetration of light which causes oxidation defects. It should also be grease-proof, tasteless and odourless, and have an attractiveness that will have consumer appeal.

The new aluminum foil wrap for print butter, which has been developed recently in Canada and the United States, consists of a .00045 aluminum foil, treated with a protective coating to prevent pitting and corrosion from brine, and which is laminated to a light weight vegetable parchment.

In studies by the Division of Bacteriology and Dairy Research, Science Service, Dominion Department of Agriculture, the aluminum foil wrap has shown definite advantages over parchment in preventing deterioration of quality in print butter. When stored at 40 degrees F. and 60 degrees F. for 28 days, print butter in aluminum foil maintained better flavour quality at the surface, showed considerably less loss in weight, and retained the original colour much better than prints in the usual parchment wraps. The aluminum foil also inhibited the absorption of odours and flavours from such fruits and vegetables as apples and potatoes, and gave complete protection from light penetration even when butter was exposed to direct sunlight for seven hours. Under the same conditions, butter in parchment showed a definite tallowy flavour after three hours' exposure.

In recent studies in the storage of 40-score print butter wrapped in aluminum foil and parchment at 10 degrees F. and 28-40 degrees F. for 15 to 37 weeks, results show that the aluminum foil wrap prevented loss of grade whereas parchment-wrapped prints deteriorated to second grade due to surface flavour defects. The foil-wrapped prints also showed less loss of weight and maintained better colour than parchment-wrapped butter under usual humidity conditions at 10 degrees F. The use of aluminum foil opens up the possibility of storing high quality print butter for extensive periods at usual cold storage temperatures of 10 degrees F. or lower without loss of grade.

The new aluminum foil wrap can be embossed and printed in various colours, makes an attractive package when neatly wrapped, and has been handled satisfactorily by automatic packaging equipment.

PEONIES MOVE BEST IN SEPTEMBER

September is the best month to divide and transplant peonies, but they should not be moved more often than once in five years, unless there is special reason for doing so. Choose a fine day for digging up the plants and take care not to damage the roots which in a large plant may go down a foot or more. The leaves of the plant should be cut off before starting to dig and the loose earth removed from the roots which should be exposed to the air for a few hours. Wash off all the soil with water.

Examine the root carefully to see where it can be divided with as little damage to the tuber as possible. A very large clump can be divided by forcing a digging fork down into the centre, but smaller ones can be forced apart by hand. Each division must consist of a tuber with two or three eyes, but divisions with six or seven eyes are better for the average gardener.

Before planting, the ground should be well dug and if possible some well rotted manure added and well mixed in. The root should be placed so that there is about two inches of soil above the crown. Too deep planting is frequently the cause of peonies not blooming. A mulch should be put on the first year after the ground has frozen but when the plants are well established no mulch is necessary. The leaves should be cut back each fall and burned in order to destroy any disease germs which may be present.

GILTS OR SOW FOR BREEDING HERD

The question of whether to breed from gilts or mature sows is one on which experimental evidence shows considerable difference of opinion. Some farmers follow the practice of breeding only from the gilts but the majority use mature sows or a balance of mature sows and gilts. Possibly the answer is contained in this relative popularity.

The reasons generally put forward for breeding only from gilts, are their lighter feed consumption, and because if any prove barren, they can be turned off to market before they exceed bacon weights — even though they may be extra heavy. Results at the Dominion Experimental Station, Lacombe, Alta., however, indicate that mature sows wean stronger, heavier pigs and average about one pig more per litter. These are important considerations when economy of production is so closely related to the number of strong, thrifty pigs weaned, says J. G. Strothart, of the Lacombe Station.

More important than the question of gilt or sow, is the quality and capacity of the individual females that make up the herd and the choice of replacements. Some gilts will outyield certain mature sows, and vice versa, but the real problem in developing the breeding herd is to keep only the older sows which have proved themselves and choose gilts that will improve production in succeeding generations. Some farmers say they have not the time to watch the feed bin and compare the relative economy of different litters, but when some pigs go to market and grade high after using 500 to 600 pounds of feed from weaning to market weight, while others use 800 to 900 pounds there is no question as to the litter from which gilts should be retained for breeding. Compromises will be necessary as some litters grade high, but eat a lot of feed, and others eat less but do not grade as well. The gilts saved should be of good type and from litters that were

better than the herd average if improvement is to be expected.

The sows retained in the herd should be those which have demonstrated their ability to produce large thrifty litters of easy feeding, high quality bacon pigs.

ALL TIME HIGH TRAFFIC TOLL

APPEARS LIKELY FOR 1949

A grim total of 489 deaths is Ontario's traffic accident record for the first eight months of 1949. August accounted for 94 deaths, same number as August, '48, but the death toll for the 8-month period is the highest on record.

Death took five at one blow in an end-of-the-month level crossing smash, while two more lives were forfeited in a similar accident the same day. Ten other accidents each accounted for 2 deaths. An unusual number of August's fatal accidents were caused by drivers losing control of their own vehicles.

Children under 15 again contributed to the toll of traffic deaths with no less than 14 young lives wiped out, one every 53 hours throughout the entire month of August. Department of Highways officials are urging all motorists that they are again going to and from school on the streets and highways. Each season of the year has its own special hazards and with peak holiday travel now about finished, it is the youngsters on foot and on bicycles who are most in danger.

Since August ended, death has continued to ride the streets and highways. With 14 lives taken over the Labor Day week end, Ontario faces the unwelcome prospect of chalking up the blackest year on record. Never was there greater need of the constant use of care, courtesy and common sense behind the wheel and on foot.

You can't beat a full cellar and a big woodpile for social security.

BOB'S

"Service With A Smile"

Stirling Women's Institute

[The September meeting of Stirling Women's Institute was held at the Community Hall with a large membership in attendance.] The president, Mrs. H. Cooke, presided and opened with the Ode, the Mary Stewart Collect and the Lord's Prayer. Community singing was enjoyed with Mrs. R. H. Williams at the piano and Mrs. H. Rodgers as song leader. The roll call was answered with different weeds. The treasurer's report was given by Mrs. W. West. It was decided to send a box to Bristol, England, each month. Correspondence was tabled and included an invitation to attend "The Club Girl Stands On Guard" on October 6th and 12th in Dept. of Agriculture Hall. The president asked all the members to attend the joint meeting of the different Branches to be held in Stirling Community Hall on Thursday afternoon, September 29th, when Miss Grace Hamilton, of the Department will conduct a lecture and discussion on "Modern Medicines and Their Uses". The October meeting will be held at the home of Mrs. Louis Rodgers—

the topic, Girls' Work. Mrs. L. Rodgers was chosen as leader for the girls work for another year. At this time a report was given on the girls' work for 1949. Two quilts were quilted for Mrs. H. Tulloch. The same visiting committee will act for October. It was decided to hold a Halloween dance in Stirling Community Hall the last of October.

At this time, Mrs. Geo. Searles took over the program, which included two musical numbers by Evelyn and Helen Cooke; reading by Mrs. Hammond; Mrs. Williams, piano solo.

Mrs. P. Bronson gave a splendid paper on Agriculture and Canadian Industries. The Bata Shoe Company has eight conveyors making shoes and 5 out of eight are putting out 5,000 pairs of shoes a week of all kinds. These shoes are crated with the best of care and shipped all over the world. Mrs. Bronson told of other different industries in Ontario and talked on Agriculture. The tilling, planting and producing of the soil is the oldest occupation invented by mankind. Through these mediums, with the help of God's miracles bringing rain, sunshine, man's body is kept in strength and the world of human beings are fed. Agriculture covers

the greatest area of usefulness. Grass, grain, roots and corn are yielded to feed the livestock, thus in turn these productions add to our food supply. So farming still is the most important occupation and one the world in general must have for food. This paper gave good thought on these two different topics. The meeting closed with God Save the King. The lunch committee served sandwiches, cake and tea. A vote of thanks was tendered to Mrs. Searles, Mrs. Bronson and Mrs. M. Ward for hospitality and programme.

News Items Left Out

Owing to a last-minute rush of advertising copy accounts of meetings of St. John's Ladies' League, Springbrook W.A. and West Huntingdon W.M.S. were omitted but will be published next week.

To Correspondents

We would remind our correspondents that copy reaching this office on Thursday morning is not in time to be published. For several weeks we have received news budgets too late for publication and we ask you to make certain that your budget is mailed in time in future.

Dunham -- Fleming

(Continued from Page 1)
of the bride's parents where bouquets of sweet peas and snapdragons on guests' tables and gladioli and other flowers were arranged throughout the home. The bride's table was centered with the three-tiered wedding cake and candelabra with pink and white candles.

The bride's mother wore a grey crepe dress trimmed with pink lace.

She chose grey accessories and wore a corsage of Talsman roses. The groom's mother chose a black flowered crepe dress and black accessories. Her corsage was of Rapture roses.

The bride's going away costume was a grey gabardine suit and navy accessories. The couple motored to Toronto and points West along the Great Lakes. On their return they will take up residence at Harold, R.R. 2.

Stirling Fair Patrons Treated To Splendid Programme On Saturday

"Best Fair in Years" Is General Consensus — Exhibits And Attendance Increased

With ideal weather conditions prevailing, Stirling Fair, held on Friday and Saturday last, proved one of the best in years from the standpoint of exhibits and entertainment. The attendance on Saturday was well up to the four thousand mark and from one o'clock until well after six o'clock there was not a dull moment on the programme.

President Ray Shortt, vice-presidents Don Heath and Don Campbell, secretary E. D. Ketcheson and the Board of Directors had left nothing undone in an effort to improve the Fair and judging from the many fine compliments heard they were successful with their efforts.

Stirling Citizens' Band, under the baton of Bandmaster M. Bell provided music for the Fair patrons throughout the afternoon.

Members of Parliament

Mr. Elmer Sandercock, M.L.A., for Hastings West, and F. S. Follwell, M.P., for Hastings South, took part in the official opening ceremonies and complimented the directors on the success attending their efforts in making Stirling Fair one of the leading rural fairs in the county.

Large Exhibit In Main Building

The main exhibit building was filled with produce of garden and field, home cooking that made the mouth water, and handwork ranging from large quilts to the smaller items of wearing apparel. The excellence of the farm and garden exhibits, as well as the fancy work, drew many fine compliments from Fair patrons.

Prominent competitors in the ladies' work division and the Domestic Science Branch included Mrs. L. E. Bryant, Miss Gena Spry, Mrs. G. L. Putnam, St. Paul's W.A., Carmel W.A., Wooler, W.A., St. John's Guild, Mrs. Robt. Wheeler, Mrs. M. Wrightman, Mrs. Frank Moon, Mrs. C. B. Rollins, Mrs. V. Elliott, and Mrs. Kenneth Weaver.

In the roots and vegetables class, C. H. Ketcheson, Mrs. W. Vardy, M. Parks and Son, Glenn Bush, Bobby Hopgh, and Mrs. Putnam, were prominent exhibitors, while in the Fruit section Ronald Hadley, Mrs. M. Wrightman, C. H. Ketcheson and M. A. Parks and Son were the chief exhibitors.

School Exhibit

It was in the agricultural building that the work of the junior department stood out. Stirling High School held their achievement day in connection with the fair and there were many fine exhibits of woodworking and other shop work, as well as collections of weeds, insects, vegetables and flowers. In addition there were the regular public school classes in drawing, writing and other school work. This exhibit attracted a great deal of attention and doubtless will continue to be a regular feature of the Fair.

Lands and Forests Exhibit

The main building also had the exhibit of the Lands and Forests Department, which attracted considerable attention, particularly from the children. A young fawn, racoon and beaver as well as owls were shown, while a separate display indicated to fair patrons what the foliage of many Canadian trees appear like at close hand.

School Parade

A feature of the Fair was the School section in which prizes were offered for parading and singing, displays of vegetables, manual training, and writing.

Seven district schools took part in the parade with S.S. No. 8, Rawdon, (Wellman's), Miss Joan Hoad, teacher, being adjudged the winner. Other winning prizes were Eggleton, Miss Gunter, teacher, and Marsh Hill School, Mrs. J. L. Good, teacher.

Pet Show

Another phase of the Fair which

Farmers' Night At Rotary

"Farmer's Night" was held by the local Rotary Club on Tuesday night with each member having a farmer friend as his guest and the attendance was nearly 100 per cent.

Dr. George Faulkner, of Belleville, was guest speaker for the evening and gave a very vivid description of his experiences with the Indian Medical Corps during the recent Japanese campaign in India and Burma.

He related how they had penetrated behind the enemy and caused havoc to supply and communication lines. This was used as an experiment in jungle fighting and proved so successful that it was used later, on a much greater scale.

Rotarian Cliff outlined Rotary in general and an invitation was extended to any farmer who wished to join the Club.

catered toward the youngsters was the children's pet show open to all boys and girls under 12 years of age. Seventy children led, carried or cajoled their best loved pet in the parade, all receiving a crisp dollar bill for their efforts.

Farm machinery sales representatives had complete displays at the fair with W. C. Stapley, of Campbellford, showing John Deere; W. T. Elliott, of Stirling, Case tractors and equipment, as well as Chevrolet cars; Trudeau Motor Sales, Stirling, showing Allis Chalmers tractors and Chrysler products, and Truck and Farm Supply of Belleville with several large international trucks.

There was the usual fine display of cattle with Holsteins, Jerseys and Ayrshires being represented. Jerseys were shown by Garnet Kerr, Campbellford, and Lorne Jarrell; Holsteins by A. McComb, Bonarlaw, and Wesley Finch, Rylstone, and Ayrshires by E. Wood, Crookston and M. A. Parks and Son.

The poultry division had a high quality exhibit with Meighen Rodgers, Mrs. Hugh Jones, Mrs. Will Vardy and F. MacDonnell the main exhibitors.

Wesley Finch and Don Heath were exhibitors in swine and E. McGuire, Don Heath and F. MacDonnell in sheep.

Large Horse Exhibit

The horse exhibit was one of the largest in years and many fine specimens in both the heavy and light classes were shown. Large crowds lined the new judging ring throughout the afternoon to witness the show and it was after 6 p.m. when the show was completed. Prominent among the horse exhibitors were: W. Woods, Tweed, Earl Bonisteel, Frankford, Alvin Heath, Carman Downey, Don Campbell Stirling; J. Vannest, Enterprise; Alex Moynes, Frankford; V. Sweet, Springbrook; Clarence Scott, Stirling; W. Scott, Campbellford; N. Wannamaker, W. R. Bateman, Madoc, in the heavy classes and W. H. Lindsay, Campbellcroft; G. V. Ducette, Foxboro; E. Rabbie and E. Gerow, of Picton; White and Heard, of Peterboro, in the light classes.

Cheese Show

There was an exceptionally fine cheese show with Roy Huffman winning the sweepstake. Other exhibitors were Horace Palmer, Roy Brown, A. Pitt, A. McAllister, Ivan Sine, Murray Heath and Tom Saries.

Excellent Programme

The programme in front of the Grand Stand was one of the best in years, with Barton Haggerty, popular auctioneer, acting as master of ceremonies.

The various racing events and novelty contests were kept moving along at a clip which provided not a dull moment. There was the ladies' nail driving contest, won by Mrs. Reid, Miss Elliott and Miss Emerson, while the boys' and girls' singing contest was won by W. Jackson, W. McCaughen and Jean Noble.

(Continued on Page Eight)

COUNCIL DISCUSSES PARKING AT SPECIAL MEETING

Members of Village Council convened Monday morning at a special session for a full-dress discussion of Stirling's parking problem. The pros and cons of parallel and angle parking were gone into fully and out of it all came the decision to permit angle parking on the north side of Mill and Front Streets, and no parking on the south side of these streets from Stirling Theatre to the corner of Mill and James Streets on Saturdays. Parallel parking will be in vogue at all other times.

Asked for Tenders

A discussion of the fuel for municipal buildings resulted in a motion by Councillors Holt and Bradshaw that tenders be asked for a car of Haisley stoker coal, or its equal in quality.

Let Tenders

The tender of K. Belcour for from 2500 to 3000 feet of sidewalk at 40c per square foot, fill extra, was accepted. The average thickness is to be four inches and the mixture not less than five to one.

On motion of Councillors Bailey and Holt, Sam Bowen was engaged to remove all painted cross lines on parallel parking markings with the exception of those on the ends.

Council adjourned.

Decoration Day

Due to the inclement weather on Sunday, members of Stirling Lodge No. 239, I.O.O.F., held their decoration ceremony in the Lodge room.

Noble Grand Don Heath presided and following the reading of the names of the departed brethren by Bro. Geo. Carlisle, decoration charge was given by Bro. H. R. Tompkins. Bro. Geo. Weaver performed the duties of chaplain.

Following the ceremony members of the Order deposited the floral tributes on the graves of the brethren in Stirling cemetery.

HOME FROM TRIP

Mr. Frank Wood, Ridge Road, returned home Saturday from a six-weeks' trip to Western Canada. While away he visited different parts of the prairie provinces and reports that the crops were excellent.

Former Mt. Pleasant Residents Killed In Accident Sunday Night

Relatives and friends in Stirling and district were shocked to learn of the deaths of Mr. and Mrs. Percy Martin, Leaside, and Mr. and Mrs. Alex Lawrence, of Oshawa, as a result of a transport and car collision about a half mile west of Bowmanville, on Sunday night.

Mrs. Martin and Mrs. Lawrence were daughters of the late Albert Dunkley and Mrs. Dunkley, of Stirling R.R. 3, and in company with their husbands had spent the week end at a cottage at Coe Hill and visiting relatives in Stirling district.

The two women and Mr. Martin were killed instantly while Alexander (Sandy) Lawrence died in Oshawa hospital on Monday night.

GLENN WILSON TAKES AWARD FOR CALVES

Seventeen boys exhibited Holstein Heifer calves in the Stirling Dairy Club competition held in connection with Stirling Fair on Saturday. The calves were of high quality and many fine compliments were heard from the Fair patrons.

The calves this year were shown in the new show ring, after which they were paraded before the grandstand where everyone had a chance to look them over. First place on the calves went to Glenn Wilson, and it was interesting to note that this calf, which was indeed an outstanding individual, was sired by one of the bulls in use at the Artificial Unit. The following is the order in which the boys' calves were placed:

Glenn Wilson, Gerald Bailey, Gerald Cooke, Carl Reid, Bud Heath, Roy Petherick, Bryce Philp, Allan Wallace, John McComb, George Cooke, Ralph Parks, Bob Philp, Jack Morton, Peter Heasman, George Wilson, Jack Haggerty, Gerald Donnan.

In the showmanship contest everyone was quite surprised to see Roy Petherick, a newcomer in club work, take the first prize, followed closely by Bud Heath, Glen Wilson, John McComb, and Allan Wallace, all of whom had had previous showmanship experience.

The boys are to be congratulated on their excellent work and it is hoped that all will continue in club work in 1950.

Gordon MacLeod Ass't. Agric. Rep. Returns To O.A.C.

Gordon MacLeod, Assistant Agricultural Representative in Hastings County since the first of June last, has returned to Guelph to continue his studies at O.A.C.

During his stay in the County, Mr. MacLeod has been particularly active in Junior Farmer work and has met with much success in his work. In appreciation of his valued service and as a token of his popularity among them, the County Junior Farmers presented him with a pen and pencil set on Wednesday last. His many friends join in wishing him continued success in his studies.

In Hospital

Friends of Mrs. P. W. Long will regret to learn that she is a patient in a Kingston Hospital where she was taken by ambulance on Monday.

Breaks Ankle

Friends of Mrs. Ethel Hoad, Gore St., will regret to learn that she suffered a broken ankle in a fall at her home on Monday. She was taken to Belleville General Hospital, where the fracture was reduced.

Bowling Notes

Two rinks of Stirling bowlers competed in the mixed rinks tournament in Belleville yesterday, Dr. and Mrs. E. A. Carleton and Mr. and Mrs. R. E. Fox, and Mrs. R. Burgess, Mr. and Mrs. W. T. Elliott and F. R. Mallory.

Stirling Band In Festival

Stirling Citizens' Band will take part in the Monster Band Festival being presented by the Belleville Municipal Band in Belleville Memorial Arena on Monday evening, September 26th. The programme will consist of parades, form marching, music and solos and will be a real treat for music lovers of the district.

Our Thanks!

The Editor is greatly indebted to those subscribers, who, in response to our appeal for August 11th issues of the News-Argus, returned their copies to this office. We wish to express our sincerest thanks for your kindness and co-operation.

Rally Day At St. Paul's

Parents and pupils are requested to be present at the Rally Day Service in St. Paul's United Church, Sunday, September 25th, at 11 a.m. (Standard Time). Rev. H. G. Steers, of Belleville, will be the guest speaker and special music will be rendered by the choir. The Sunday School pupils are asked to meet in the Sunday School at 10.30 a.m., standard time.

Car Crashes Doors

The doors on the west side of the Community Building were badly damaged on Sunday when a car owned by Alex Bush crashed into them. Apparently the car had been left parked in Mr. Bush's yard without the brakes being applied, and the vehicle rolled down a slight incline against the doors.

Paid Fraternal Visit To Franck Lodge

Several members of Stirling Lodge No. 69, A.F. & A.M., paid a fraternal visit to the Franck Lodge, Frankford, on Monday night. The occasion was the visit of Wor. Bro. Carl Crosby, District Deputy Grand Master of Prince Edward District. The regular meeting was followed by a banquet and the local brethren are loud in their praise of the hospitality of the Frankford brethren. Those attending from here were Messrs. Lorne Watson, Geo. Watson, J. Raine, V. Taylor, Roy Walker and Russell West.

Anniversary At Burnbrae

Anniversary services will be held at St. Andrew's Presbyterian Church, at Burnbrae, on Sunday, September 25th, at 11 a.m. and 7.30 p.m., standard time. The guest preacher for the day will be Rev. Peter Reid, B.A., of Picton.

Special music in the morning will include an anthem by the choir and solos by Miss Marian Wallace and Mr. Alex Cunningham, tenor, of Belleville. At the evening service, Mr. Cunningham will again be heard in two solos, while the choir will render an anthem.

Juniors Qualify For The Finals

Defeated Minto 8 to 7 In Third Game of The Semi-Finals on Monday Night

Stirling Juniors won their way into the finals of the Centre Hastings Softball League on Monday night when they defeated Minto 8, to 7 in a thrilling seven-inning fixture at the Community Recreational Centre. The second game of the series was played on Friday night, when Minto won 9 to 8 to face a third and deciding game.

The winners took a two-run lead in the first inning on runs scored by Wannamaker and Dobson but were held scoreless in the next three innings. However, they broke loose again in the fifth when they put together four hits, one a homer by Dobson, for four runs. They added two in the sixth for their total.

Minto scored one each in the fourth and sixth, and were trailing 8 to 2 at the end of the sixth. However, they threw a scare into the winners in the seventh when with two men out they rallied for five runs and had the tying run on the paths, but Hagerman struck out to end the game. Glen Sine accounted for three runs with a homer.

Faulkner pitched for the winner and I. Potts for the losers and both turned in excellent efforts.

Juniors — Mason, ss; Wannamaker, cf; Langlan, 3b; Dobson, 1b; Wright, c; Rose, lf; Anderson, rf; Bush, 2b; and Faulkner, p.

Minto — Campbell, lf; Geo. Sine, c; Stocker, cf; Potts, p; McInroy, 1b; Glen Sine, 2b; Hagerman, rf; Haslett, ss; B. Sine, 3b.

Umpires — plate, W. Kreh; bases, J. Kane.

Legion Won Over Sidney In Third Game

Stirling Legion won the third and deciding game of the semi-final series with Sidney in the Centre Hastings Rural League last night by a score of 11 to 5. The winners will now meet the Stirling Juniors in the finals, the first game to be on Saturday night at the Community Recreational Centre.

Geldard was on the mound for the Legion for the first six innings and Noble finished up, while Latta and Shorey divided the pitching for Sidney.

Shannon, with a homer, with the bases loaded and Abernethy and Royle were the leading hitters for the winners. For Sidney Sine and Woods hit homers.

COMING EVENTS

RESERVE NOVEMBER 30TH FOR St. John's Guild Annual Bazaar. 47-1

WEEKLY EDITORS MEET AT JASPER

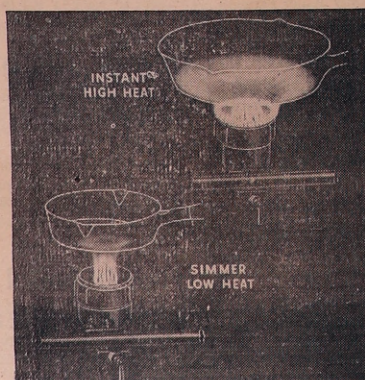

THE newly elected president of the Canadian Weekly Newspapers Association, Roy M. Bean, of Waterloo, Ont., is shown at right in this picture taken on the grounds of Jasper Park Lodge in the Canadian Rockies during the national convention. Left to right are C. J. Allbon, of Springhill, N.S.,

past-president of the association; R. C. Vaughan, C.M.G., chairman and president, Canadian National System; Lang Sands, of Mission City, B.C., 1st vice-president, C.W.N.A.; Walter S. Thompson, director of public relations, C.N.R.; and Mr. Bean.

GET Essotane INTO YOUR KITCHEN NOW!

Have a Gleaming Gas Range to give You Better Meals with half the Work!

- ✓ Essotane lights automatically, gives you instant heat at the touch of a switch.
- ✓ Essotane gives you accurate oven control—for surer cooking results.
- ✓ Essotane gives you a hotter, cleaner flame than you've ever known.
- ✓ Essotane is safe, time-saving and economical!

It will be a proud day for you when you first switch on your own gas range designed for use with Essotane. At a touch of the switch you will have a hot, clean flame you can regulate to any temperature you require. No waiting for full heat. No smoke or fumes. No blackening of pots and pans. You'll have an oven that heats quickly and stays at the temperature you select, an oven big enough to hold a full sized turkey.

Imperial Oil servicemen will simply set up a small steel cylinder outside your home and pipe in the gas through a copper tube. Regular refill deliveries will maintain your supply at all times.

Essotane stove prices—for the 3-burner model \$99.50 up to \$181.50 for table-top models.

Pay only 10% down and the balance in small monthly amounts.

I. L. MOORE,
Principal

44-6

IN THE PAST four years we added more than half a million telephones and installed new equipment in every exchange in Ontario and Quebec. At the same time we were able to make substantial improvements in service. But it took a lot of money, over two hundred million dollars!

There remains much to be done! Many applicants are still waiting for telephone service, and many more subscribers' present service is not adequate to their needs. We intend to meet their wishes, and to continue making the service clearer, faster, better in every way.

This will take more millions for new equipment and buildings. As in the past, this money must come from the savings of thousands of Canadians who are willing to invest in the telephone business.

it's a good idea to have a choice

SUPPOSE you have what you feel is a good opportunity which calls for bank credit. If one bank cannot see it your way, or if you think you can get a better deal elsewhere, you're free to "shop around".

Banks compete to serve the most diversified needs, no matter how specialized any of them may be... personal, business, or farm loans, money transfers, collections—to name just a few.

More than 95 out of 100 bank loan applications are decided "right in the field"—in the branches—by bank managers who take a personal interest in serving their customers' individual requirements.

Rev. and Mrs. Harold Stabbart, of Shawville, Que., spent last week with Mrs. Jos. Rollins.

Mr. and Mrs. Nathan Reid left this morning on a motor trip to Niagara Falls, St. Catharines and Toronto.

Mr. and Mrs. George Wood, Mr. and Mrs. Frank Brough and Mr. and Mrs. Earl McMaster spent the week end in Selwyn, Ont.

Mr. Harper Gay, of Niagara Falls, is visiting his brother, Mr. John Gay.
Mr. Carl Huff who has spent the summer on the S.S. Assinabola has returned home where he plans to spend the winter months.

Miss Gladys Dewy, of Niagara Falls, is the guest of Miss Jayne Gay.

Mrs. John Wright and Miss Margaret Wright were Sunday guests of Mrs. Thos. Rollins, Fuller.

Miss Shirley Fleming, Peterboro Civic Hospital, spent Sunday with her parents, Mr. and Mrs. T. E. Fleming.

Mr. and Mrs. Arthur Green, of King, were recent guests of Mr. and Mrs. Robt. Gay.

Mr. and Mrs. Roy Belshaw and Lorraine spent Sunday with Mrs. Henry Wallace.

Miss Theresa Thompson, of Eldorado, spent the week end with Miss Deneyse Vandome.

Pethericks

Zion Church was filled to capacity both morning and evening last Sunday. Rev. Gordon Adams, of Hilton, gave two very inspiring messages. In the morning his text was "In The Beginning, God" and his evening subject was "The Golden Gates", taken from the Book of Revelations. The choir under the leadership of Mrs. Lidsay Anderson with Miss Bernice Wright, A.T.C.M., as pianist, rendered two anthems, also Mr. F. Stinson, of Cobourg, rendered three solos, which were much appreciated. Quite a number from neighbouring congregations attended, also Rev. Beare, of Springbrook charge and Rev. D. A. Turner, of Burnbrae. The church was beautifully decorated with flowers for the occasion. The thankoffering was the largest on record which was very encouraging to the Board of Stewards.

New windows have recently been installed in Zion Church being in memory of the late Miss Effie Davidson, who left a donation for the church.

While Mr. Albert Tinney was plowing on the farm of Mr. Harry Barnum, his tractor caught fire and it was with much difficulty Mr. Tinney was able to extinguish the fire before much damage was done. The fire started from a short circuited wire.

The recent rains have helped the plowing for the farmers. Mr. Ernest Irwin and Mr. Fred Barnum have each purchased new tractors.

The W.A. met at the home of Mrs. J. Simpson last Wednesday with a large attendance.

Minto

Congratulations are extended to Mr. and Mrs. Harold Holden on the birth of twins, a boy and a girl in Belleville Hospital on Sunday, September 11th.

Mrs. Mary Smith, Tweed, returned home after spending the past week with Mr. and Mrs. Will Joyce.

St. Thomas W.A. held a dinner and quilting in the Orange Hall on Tuesday of last week.

Mr. and Mrs. J. B. Hagerman, Mr. and Mrs. Lorne Hagerman and boys spent Sunday with Mr. and Mrs. Will Wright and Mr. Wm. Hagerman.

Mr. and Mrs. Ernest Sarles were week end visitors of their daughter and husband, Mr. and Mrs. Jack Watson, of Campbellford.

Salem United Church W.A. held their regular monthly meeting at the home of Mr. and Mrs. Orval Jackson on Wednesday of last week.

Mrs. Will Preston, of Wellman's Corners, spent last week with Mr. and Mrs. Will Courtney.

The Harvest Thanksgiving Service of St. Thomas Anglican Church was held on Sunday last. Mrs. Ed. Colden rendered a solo during the service and the Rural Dean J. M. Brownlie, of Marmora, was the special preacher.

Wellman's

Mr. and Mrs. Fred Thrasher spent a few days the past week with Mr. and Mrs. Will Hutcheon, at Burnbrae.

Miss Marlene Haggerty spent the week end with her grandmother, Mrs. Haggerty of Stirling.

Mr. and Mrs. Mel Andrews, Teddy and Rodney, of Norwood, were Sunday guests of Mr. George Haggerty.

Congratulations to the Wellman's School on winning first prize at Stirling Fair.

Mr. and Mrs. Lloyd King and Yvonne spent the week end with relatives in Belleville.

Mr. and Mrs. Don Graham and Joyce and Mr. Bob Johnson, of Campbellford, were Sunday evening visitors of Mr. and Mrs. Ernest Maybee.

Mr. and Mrs. Cecil Johnston, Mrs. Elwood Johnston and son, Danny, of Union Hill, N.Y., and Mrs. Sanford Kellar, of Healey Falls, called Tuesday on Mr. Alex Johnston and Delia.

Fifteen members of the Tabernacle Evening Auxiliary from Belleville journeyed out to the home of Miss Delia Johnston on Wednesday and held their September meeting.

Mr. and Mrs. Jerry Pennie and baby, Judy, Misses Barbara and Lella Johnston and Mr. Colen Radway and Mrs. Chas. Johnston, of Trenton, spent Sunday with Mr. Alex Johnston and Delia.

Mr. and Mrs. Lewis Pauley, Hazel and Cecil spent Sunday with Mr. and Mrs. Harris Dean and family of Fuller, and attended the anniversary there.

Miss Lella Johnston, of Trenton, was a week end guest of Miss Delia Johnston.

Mr. and Mrs. Charles Dunham have moved into their new home at Wellman's Corners.

West Huntingdon

Endeavors Class

The Endeavors Class held their September meeting at the home of Mr. and Mrs. John Moorcroft on Tuesday evening. Mr. Latta, representing the Wearever Aluminum Co., was present and served lunch cooked in the modern health way. He also gave an illustrated address on the advantages of better health by cooking foods similar to the way our grandmothers did. Mrs. Dan Cooke presided over the remaining programme which consisted of the Worship service. Mr. P. Carr led in prayer and Arthur Wilson had charge of Scripture reading. Lois Cooke and Eleanor Wright each contributed piano solos. The special address was ably given by Rev. Morley Clarke. Miss Marilyn Fitchett contributed a solo and this helpful meeting was closed in the usual manner.

Messrs. Frank Wood, Arthur Wilson, Glenn Hammond and Melbourne Moorcroft returned home on Saturday evening and all report a most enjoyable trip through the Western Provinces.

Mr. and Mrs. Melville Donnan, Mr.

Mrs. Frank Finkle, Mrs. Robert Campbell and Mr. Frank Lough were supper guests Sunday evening of Mr. and Mrs. Gilbert Sills, of Centenary.

Funeral of the Late Mrs. Alice Lain

The funeral of the late Mrs. Alice Lain, widow of the late Isaac Lain, was held at Rylstone United Church on Saturday, September 10th, with Rev. Beare conducting the service.

Mrs. Lain was born in England about 63 years ago. She came to Canada at 11 years of age. She was married to Isaac Lain 43 years ago and spent most of her married life on the 12th line near Allan's Mills but for the past year and a half had been living with her daughter, Mrs. George Haggerty, at Wellman's Corners, Mrs. Haggerty (Elsie) predeceased her early this summer.

Left to mourn her loss are three daughters, Mrs. Kenneth McAlpine, (Violet), of Stanwood; Mrs. John Thompson (Reta), of Allan's Mills; Mrs. Melvin Andrews (Beatrice), of Norwood; three sons, John, of Allan's Mills; Frank, of Norwood; and Ross, of Ivanhoe; 12 grandchildren and one great-grandchild. Two brothers also survive in England.

The pall bearers were Messrs. Kenneth McAlpine, John Thompson, Melvin Andrews, Anson Seabrooks and Wes, and Fred McKenzie. Flower bearers were Elwood Haggerty, Wm. and Gerald Burkitt, Densmore and Jack Lain, Gerald Petherick, Roy Fry and Jim Milne.

Salem Women's Association

The ladies of Salem Y.A. met at the home of Mrs. Orval Jackson on Wednesday afternoon, September 14th, with an attendance of twenty-four members and several visitors present.

The president, Mrs. E. Sarles, opened the meeting with the usual worship service. The roll call was responded to with each giving "A Memory of Our Grandmother". Business was dealt with and it was decided to hold a bazaar and tea in November.

The programme was taken by Mrs. Nell Sine and Mrs. Cecil Carter. Those assisting were Mrs. E. Brown, Mrs. Wm. Donald, Mrs. J. B. Hagerman and Mrs. Everett Sine, who gave the topic for the day on the characters of Martha and Mary. Mrs. Geo Sine favoured the meeting with a guitar solo. Mrs. Albert Twiddy gave a short reading and the meeting closed with a contest by Mrs. D. Sine.

Lunch was served by Mrs. Jackson and her assistants and a social time was enjoyed.

Township of Rawdon Council Meeting

Rawdon Township Council met on September 7th, with all the members present. The minutes of the last regular meeting were read and approved on motion of Heath and Walker.

Sarles and McKeown: that Clerk write the Department of Municipal Affairs, accepting with thanks the cheque for \$178.60 equalling to the amount of the 1 mill subsidy received in the year 1948.

McKeown and Heath: that the Department of Health be paid 33c for insulin supplied Mrs. L. Cooper.

Sarles and McKeown: that Don Heath be paid \$30.00 for sheep killed by dogs on completion of affidavits; also Albert Twiddy be paid \$2.00 for valuating.

Heath and Walker: that Council adjourn for Board of Health to meet.

Heath and Sarles: that Council resume.

*Sarles and McKeown: that the

Council as a whole go into a committee or by-laws.

By-law No. 707 was passed to establish a Community Centre at Springfield under the Community Centre Act of 1949.

By-Law 708 was passed to affix the date to be set for Court of Revision on the 1950 Assessment Roll being set for Monday, October 3rd at 11 o'clock.

Walker and Sarles: that Council revert to general business.

Sarles and McKeown: that Road Voucher No. 8 for \$1512.94 for month of August be paid.

McKeown and Walker that Lindsay Pollock, tax collector be paid balance of his salary for the year of \$100.00, plus extra expenses.

McKeown and Heath: that a new Caterpillar D-6 Tractor with angle blade attachment be purchased from Geo. W. Crothers Ltd.

Walker and Sarles: that Council adjourn to meet Monday, October 3rd at 11 o'clock.

Kay Fanning Bride of R. Jackman

On Saturday, September 17th, St. John's Anglican Church was the setting for the marriage of Kathleen Mary Fanning, daughter of Mrs. Fanning, Stirling, and the late John W. Fanning, to Mr. Robert Archibald Jackman, son of Mrs. Jackman, Belleville, and the late Mr. Frederick Jackman. Rev. A. J. Anderson conducted the ceremony.

Given in marriage by her uncle, Mr. Chas. Vance, the bride was gown in white satin and lace with a matching coronet and finger-tip veil. She carried a cascade of gardenias, stephanotis and white roses.

Miss Joan Lederman, of Kitchener, was her attendant. Her gown was of ice blue nylon marquisette and she wore a matching Victorian bonnet and carried a nosegay of sweetheart roses and chrysanthemums.

Mr. Robert Fanning, of Mimico, was groomsmen and Mr. Douglas Patterson and Mr. David Duffin were the ushers.

The wedding music was played by Miss Katherine Wright and Miss Arline Tummson sang "The Lord's Prayer", "Because" and "Bless This House".

The reception was held at Toke's County Gardens, after which the young couple left for a motor trip. They will reside in Toronto.

BACON KEEPS LONGER IF HOGS FED SUGAR

Bacon made from tired hogs does not keep as well as bacon from rested hogs. But the remedy is not more rest but more sugar.

That may sound a little unusual, but food biologists in England report definite findings that bacon made from hogs at the time of killing developed brown colour on the cut surface. This was the result of fatigue and the attending loss of muscle sugar and has brought complaints on the British market.

Friends Signally Honor 35th Wedding Anniversary

On Thursday evening last, the Orange Hall at Wallbridge was the scene of a lovely and very happy occasion, when the sisters, brothers and families gathered to honour Mr. and Mrs. William Johnston (nee Margaret Sharpe), of Rawdon, on their 35th wedding anniversary.

Upon entering the hall, Margaret was presented with a lovely corsage of red roses and Will, with a carnation boutonniere. Mr. Roy Peacock, of Belleville, took a number of pictures of the happy couple, and their family and the brothers and sisters.

At 8.30 supper was served to about 70 guests on tables placed in the form of a "U". The bride's and groom's table was centred with a three-tiered wedding cake on a lacy centre piece with pink flowers around it, flanked by tall pink candles in crystal holders, with pink flowers in glass vases to match the centre piece. The other tables had pink candles and multi-colored autumn flowers.

At the close of the meal the bride and groom of 35 years, graciously cut their cake, after which expressions of esteem and congratulations by some of the older members of both families present were extended.

This was followed by an address by Mr. Elwood Johnston, of Rochester, a nephew, and the presentation by Mrs. Sanford Kellar, sister of the groom, with a number of gifts consisting of a radio, mirror, lace table cloth, china, clock, money and a number of other gifts.

Mr. and Mrs. Johnston were both greatly surprised and graciously thanked everyone for their kindness and thoughtfulness and invited one and all to visit them at any time. "For They Are Jolly Good Fellows" was

Hello Homemakers! Most farmers call out the "boarders" of the year-old poultry flock at this time of year and fatten them for market or kill and store for the family table.

With access to a cold storage locker or a home freezer, you will be advised to consider this method of storing dressed poultry. To prepare fowl for freezing requires no special tools. You clean the bird, exactly as you would for cooking, and then wrap it in moisture-vapor-proof paper.

If your right-hand man is inexperienced in killing poultry the easy way, you can ask for a bulletin on dressing poultry from your agricultural representative. It will save time and last minute preparation for serving the storage bird if it is singed and stuffed before freezing. If sage or thyme is used in the dressing, the amount should be one-third of usual quantity as herbs may permeate the meat if too much is used. Once the bird has been cleaned and prepared, it should be wrapped and frozen at once. If this is not possible, keep in a cold place, preferably under the freezing unit of the refrigerator.

Wrapping meats for freezing requires special paper. Regular butcher

store paper cannot be used, nor can household waxed paper. Poorly wrapped birds dry out in storage and are tough and dry when cooked. They may also become rancid. Ask for waxed-sulphite paper and gummed tape. Alternatives would be aluminum foil or heavy parchment paper. Wrapping materials may be purchased from a locker company, feed store or a district co-operative.

As the prepared chicken is wrapped, fold in one end and smooth the paper to conform to the shape of the bird, thus eliminating air pockets. Seal with long strips of acetate lock tape and label with a black crayon.

Parchment sandwich bags are handy to wrap disjointed pieces of broilers or stewing birds. Then package the quantity you would use in one meal in one parcel and list contents on label. Place in fast freezing space at once. To defrost frozen poultry allow 12 hours at room temperature. However, frozen chicken for roasting or fowl for stewing may be cooked without thawing, but you allow about 15 minutes per pound extra cooking time.

Roast 4 to 6 lb. chicken or turkey at 350 degrees 2 to 2 1/2 hours. Roast 10 to 12 lb. goose or turkey

at 325 degrees, 3 to 4 hours. Roast 14 to 17 lb. turkey at 300 degrees for 4 to 6 hours. Broil halves or sections of chicken 5 inches from top element for 15 minutes on each side.

TAKE A TIP

Government grades indicate quality and finish of table poultry, but homemakers should order the kind of bird to fill their needs. For instance:

A broiler is a two-and-a-half pound tender young chicken, excellent for broiling or frying.

A fryer may weigh up to three-and-a-half pounds and be cooked as a broiler.

A roaster is a young chicken over three-and-a-half pounds.

A Capon is an unsexed young male chicken and is ideal for roasting.

A rooster is a "has-been" roaster, usually ordered as a boiler. A hen is also a broiling or stewing fowl.

Anne Allen invites you to write to her c/o Stirling News-Argus. Send in your suggestions on homemaking problems and watch this column for replies.

West Huntingdon W.M.S.

The September meeting of the West Huntingdon W.M.S. was held at the home of Mrs. W. J. Fitchett with a very good attendance. The president, Mrs. A. Wright, called the meeting together and opened by singing "Sweet Hour of Prayer" and all repeated the 23rd Psalm. The Scripture reading, 1st Kings, was read by Mrs. Bob Gay.

The roll call was answered by 11 members and 3 visitors each one giving their favourite hymn. Minutes

were read and approved, followed by a reading by Joan McCurdy. Marilyn Fitchett favoured with a solo. Mrs. J. Moorcroft took the second chapter of the Study Book, followed by all singing two verses of "When I Survey the Wondrous Cross". Business was then discussed. It was moved and seconded that the W.A. pay \$50 toward the parsonage fund. Mrs. Grant and Mrs. Reid are to prepare the September programme and the meeting is to be held at the home of Rev. and Mrs. Clare, at Thomasburg. Mrs. G. Cooke was made president of the W.A. for the remainder of the year.

The meeting closed by all repeating the benediction and the hostess and her helpers served a very dainty lunch and the usual half hour was spent in a social chat.

START IN FALL TO CONTROL SQUASH BUG

Now is the time to stop the spread of the squash bug, according to the Dominion Entomological Laboratory at Chatham, Ont. This pest goes after squash and pumpkins as well as other members of the cucurbit family such as cantaloupes, cucumbers, melons and gourds.

One of the most important steps in the control of the squash bug is cleaning out and burning all remnants of the crop in the fall. This will destroy the insects in the field and, what is even more vital, will destroy the winter shelters. The squash bug is almost impossible to control during the growing season, so, by doing away with all traces of winter shelter, much of the problem will be solved.

Other control measures, reports the Chatham laboratory, include thorough cultivation and the proper use of fertilizers, hand-picking and crushing or dropping into a mixture of water and coal-oil of the egg clusters and mature insects, placing shingles on the ground and collecting the bugs that have collected under them in the morning, and the use of insecticides on both sides of leaves and the ground.

The squash bug feeds by piercing the vines and the undersides of the leaves, sucking out plant juices without eating any of the leaf itself. It is believed they deposit a toxic substance while feeding since the leaves show light-coloured areas that turn brown and die.

Skinny men, women gain 5, 10, 15 lbs.

Get New Pep, Vim, Vigor

What a thrill! Boys' limbs all out; girls' bodies all up! Look no longer scrawny; body loose half-starved, sickly "bean-pole" look. Thousands of girls, women, men, who never could gain before, are now proud of shapely, healthy-looking bodies. They thank the special vice-building, flesh-building tonic, Oxtrex, its tonic, stimulates, invigorates, iron, vitamin B₁, calcium, enriches blood, improves appetite and digestion so food gives you more strength and nourishment; put flesh on bare bones. Don't fear putting on fat. Stop when you've gained the 5, 10, 15 or 20 lbs. you need for normal weight. Costs little. New "eat aqueduct" size only 8oz. Try famous Oxtrex Tonic Tablets for new vigor and added pounds, this very day. At all druggists.

St. John's Ladies' League

St. John's Ladies' League met last Monday evening at the home of Mrs. Bruce Bell with Mrs. Belshaw, Mrs. Woodbeck and Mrs. Lyons as co-hostesses.

The meeting was opened by Mr. Anderson. The minutes of the June meeting were read and approved and letters of appreciation and thanks from various members were read.

As this was the first meeting of the Fall season and primarily a business one, the accounts were gone over and it was moved by Mrs. M. Tanner and seconded by Mrs. Glenn Morrow that any bills be paid. New proposals and plans were discussed and various projects were clarified and decided upon. Mrs. Edward Kent asked that her resignation from the visiting and sick committee be accepted and Mrs. Glenn Morrow was nominated to replace her.

Mr. Anderson spoke to the League, thanking them for past good work, and of the new programme ahead of them during the coming year. Mr. Anderson particularly commended the willingness and enthusiasm of the League members and again voiced his appreciation of the work done toward renovating the chapel and enumerated the things yet to be done. It was moved by Mrs. John Villetorte and

seconded by Mrs. Ken Morrow that the work on the chapel begun last season be finished this Fall.

The October meeting of the League will be held at the home of Mrs. Harry Morrow. Mrs. Ranger moved a vote of thanks to Mrs. Bell and her co-hostesses for a very successful evening.

Springbrook W.A.

The Springbrook W.A. met at the home of Mrs. Reg. McKeown on September 1st with 28 members and six visitors present.

The meeting opened with the singing of hymn 356, followed by the theme song and W.A. prayer. Lesson thoughts on "The Challenge of Christian Home to Community" were given by Mrs. E. Reid. Psalm 82 was read responsively, led by Mrs. B. Bate-man. After hymn 362, the roll call, "A Mission or a Missionary's Name" was fairly well responded to.

The business part of the meeting was taken care of as briefly as possible as all were looking forward to hearing from the Past District President, Mrs. Harold Elliott, who was the guest speaker. She explained the relation of the home branch to that of Dominion Council and chose as her theme "Make Jesus Real". A brief synopsis of several old and well loved hymns and writers was given and

illustrated with music and variations. In closing, her challenge was, "To-gether in the beginning"; "Thinking together is unity"; and "Working together is success".

A duet, "Whispering Hope" was well rendered by Barbara Melkjohn and Eleanor Thompson. Mrs. Beare gave an excellent paper on Home Missions, telling about the W.M.S. Home at Toolong and eight other such homes across Canada.

Mrs. Laycock, as president of Bethel W.A., brought greetings from her branch. A vote of appreciation and courtesy was ably expressed by Mrs. Cosbey to the guest speaker. Mrs. James Galloway was responsible for a good Bible contest. Two verses of hymn 488 and the Mizpah Benediction climaxed a very instructive and spiritual meeting.

The hostess and committee served a nice lunch and a social half hour was enjoyed.

Mount Pleasant W.M.S.

The September meeting of Mount Pleasant, Rawdon, Women's Missionary Society was held at the home of Mrs. John Hay, on Wednesday afternoon with fourteen members, four visitors and one Baby Band member in attendance.

Mrs. Ross Hoard played quiet music and accompanied the hymns. Mrs. John Holmes presided and based her opening worship on "Labour faithfully for God." The October meeting will be held at the home of Mrs. Roy Thrasher, based on Thanksgiving. Mrs. Herbert Smith and Mrs. Ross Jeffs were appointed delegates to the sectional rally at Grace Church, Trenton.

An invitation to Springbrook was accepted. Articles for the bazaar are to be handed in at the next meeting or sooner.

The offering was dedicated by Mrs. Percy MacMullen and fourteen members answered the roll call with a Bible verse. The temperance and christian citizenship secretary explained the four-fold purpose of this department. Mrs. Roy Thrasher outlined the last of "West of the Gorges." The Chinese church wants missionaries. Christ needs them, the future belongs to those who answer the call now.

Mrs. Herbert Smith arranged the programme and presided over the devotional and she read a poem an "Meditation." The organist played some favourite hymns and all sang the choruses. Mrs. Blake Sharp read the Bible lesson and Mrs. Arthur Phillips based her message on "The Ten Commandments." She said it was just as important to keep these now as it was in the days of Israel. Mrs. Ross Jeffs read "The Value of Rest One Day In Seven."

Mrs. Edgar McKeown and Mrs. H. C. Vaclavik sang "Saviour Lead Me." Mrs. Frank Smith read an article on "Prayer", and Mrs. Malcolm Sharpe rendered an organ solo. The hostess served delectable refreshments and was thanked for her hospitality.

Rylstone

Rylstone United Church celebrated its 52nd Anniversary on Sunday, Sept. 11th. The beautiful fall day was ideal for the occasion and large crowds attended both morning and evening services. Rev. H. C. Vaclavik, Stirling, delivered very interesting and inspiring addresses at both services. The music at the morning service was led by Rylstone choir who sang an anthem, "Living For Jesus," with Mrs. Margaret Spencer and Ruth Milne and Murray Melkjohn singing a trio part. Mrs. Don Stewart gave a solo, "Bless This House" and Mr. Jack Cheyneweth, of Lindsay, sang "Be Still My Heart." The evening music was conducted by Springbrook robed choir, who sang two anthems, and Mrs. Geo. Williams rendered a solo, "Open The Gates of the Temple." Rev. Mr. Whitehorn, of the Seymour Circuit, pronounced the Benediction.

Rev. Mr. Crabbe, of Eldorado, a former minister of Rylstone Church, attended the Anniversary Services on Sunday and visited at the home of Mr. and Mrs. Murray Melkjohn.

Visitors at the home of Mrs. Lily Anderson and Eldon, on Sunday, were Rev. H. C. Vaclavik, Stirling, and Mr. Lorne Anderson.

Mr. and Mrs. Morley Sine, of Marsh Hill, were Sunday visitors of Mr. and Mrs. Chester Melkjohn.

Mr. and Mrs. Alex Stewart called on Alex's parents, Mr. and Mrs. Wm. A. Stewart, on Sunday.

Miss Margaret Spencer spent Sunday with her aunt and uncle, Mr. and Mrs. E. Jones.

Thos. McKeown motored to Huntsville on Sunday and attended the funeral of his aunt, Mrs. James Linn, on Monday.

The September meeting of the Rylstone Women's Institute was held at the home of Mrs. Donald Kerr on Wednesday last.

Mr. and Mrs. Fred Thomson and Gary were Sunday visitors at the home of Mr. and Mrs. Andrew Thomson.

Laird Melkjohn left on Sunday for Toronto where he will enter University on Monday. Laird has been visiting relatives here for two weeks. Mr. Jack Cheyneweth, Lindsay, was a week-end visitor at the home of Mr. and Mrs. Murray Melkjohn.

Visitors at the home of Mrs. John Stewart on Sunday were Mr. and Mrs. Bill Donaldson and Mr. and Mrs. Clarence Anderson, all of Peterborough.

Sunday afternoon callers on Marie Melkjohn were Mrs. Fred Thomson, Miss Leafa Thomson and Mrs. Clarence Thomson.

Trend Is Upward In Hog Marketing

The upward trend in Canadian hog marketings, noticeable in July, became more marked in August, the first month to show an increase over last year. Marketings in August were 7.4 per cent above marketings in August, 1948, while in July they were 6 per cent below (in June, 17 per cent) the same months of 1948.

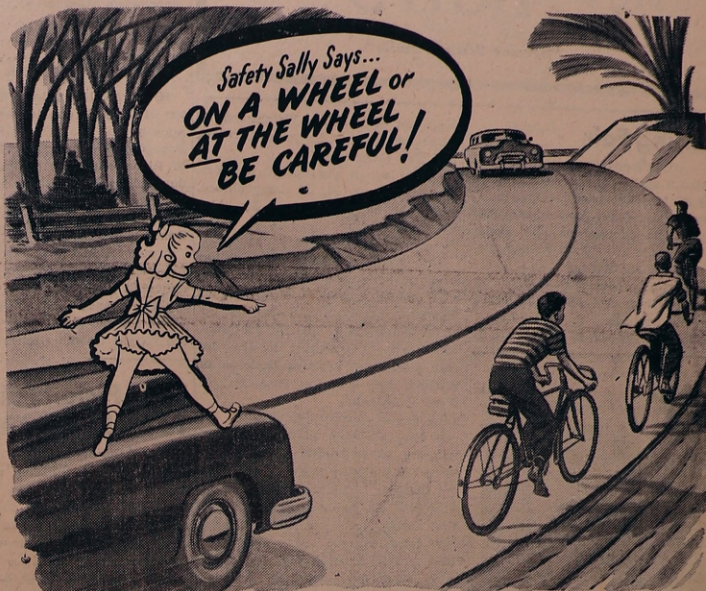

The August marketings in Eastern Canada — 21.9 per cent higher than in August, 1948 — accounted for the increase, as Western Canada, although showing an upward trend, was still 19.7 per cent below last year. Com-

parable figures for the month of July showed Eastern Canada up 10 per cent and Western Canada down 28.5 per cent from July 1948.

While the West as a whole was down nearly 20 per cent from August 1948, the province of Manitoba had an increase of 10 per cent. Quebec, continued to hold the spotlight in the East with 33.6 per cent increase over August last year and Ontario and the Maritimes were each up around 17 per cent.

Nearly 74 per cent of the August marketings were from Eastern Canada.

Newfoundland's Gander airport is about midway between New York and London.

Driving a car, or riding a bike — Requires great care from both alike.

Motorists and bicyclists have an equal responsibility to prevent highway accidents... bicyclists should keep well to the right and avoid weaving or swerving — motorists should slow down and exercise special caution when meeting or passing bicycles.

GEO. H. DOUCETT, Minister

ONTARIO DEPARTMENT OF HIGHWAYS

HW749

Serving Canadians in Town and Country

It's an old saying that if you build a better mousetrap, the world will beat a pathway to your door... but it's only partly true. Unless somebody takes it out and shows it to the people who need mouse traps most of them will never hear about it.

It's the same with farm implements. Even though Massey-Harris has been building better and better farm machines for more than 100 years, thousands of Canadian farmers would still be doing their work the hard way if it weren't for the service of Massey-Harris dealers.

Since the earliest days, the dealer (or "agent" as he was once called) has performed a triple service. He has served his farm customers by

selling them machines that enable them to increase their yearly earnings. He has served Massey-Harris by enlarging the distribution of Massey-Harris products. And, equally, he has served his community, because increased farm earnings result in better business for all merchants, and in better homes, better schools, better churches and hospitals.

The Massey-Harris dealer of today is as modern in his methods as any merchant in town. You find him in an up-to-date building on "Main Street" with a showroom to display his streamlined machines and every facility to serve the needs of mechanized farming. He is one of the key businessmen of the community.

Concert and Dance

A concert in the theatre by Garden Bros. Entertainers, of Toronto, and a dance in the main fair building at night climaxed the day's program. Music for the dance was provided by the "Night Hawk" Orchestra.

1949 Picton Fair To Be Biggest Yet

One of the biggest fairs on record is being planned at Picton on Wednesday, Thursday and Friday, Sept. 28th, 29th, and 30th. Three full days are planned, with vaudeville the first afternoon and horse races the final two afternoons, for \$1,000 in purses.

The night shows will be presented by the Congress of Hollywood Dare Devils, who present 23 thrilling acts with stock cars and motorcycles, including ramp to ramp jump and flaming wall crash. Circus acts and clowns add to the spectacular show, never before given in Eastern Ontario.

Picton Fair has grown to three full days and a dozen new attractions have been added this year.

Local and Personal

Mr. Wm. Vardy, of Maynooth, spent the week end with his wife and family in town and took in the local fair.

Miss Helen Stinson, of Campbellford spent the week end with Marilyn Eggleton and attended Stirling Fair. Mr. and Mrs. Arthur Stinson and Mrs. E. Bradburn and Miss Colleen Rowe, of Campbellford, were guests on Sunday of Mr. and Mrs. Roy Eggleton.

Mr. Gordon Vagan, of the Theological College, of Queen's University, Kingston, was a week end guest of Mr. and Mrs. Clifford Hatton.

Rev. W. H. V. Walker is attending the Executive meeting of Home Mission Board which meets in Toronto

this week.

Mr. and Mrs. John Stiles returned home on Thursday after spending two weeks with Mr. and Mrs. Ward Stiles and David, Ottawa.

Mr. and Mrs. Don Irish, Belleville, spent the week end with the former's parents, Mr. and Mrs. J. Irish.

Miss Ruth Rose has returned to Queen's University after spending the vacation at her home here.

Miss Allee Vardy accompanied her father to Maynooth Sunday night where she will visit relatives and also attend the wedding of her girl friend, Miss Lorna Brose at Maple Leaf.

Mr. and Mrs. Frank Vice, of Oshawa, and Mr. and Mrs. Arthur Dunn, of Bowmanville, were week end guests of Mr. and Mrs. Lorne Wilson.

Mr. and Mrs. Alfred Dault, of Toronto, spent the week end with Mrs. Jennie Donohoe and attended Stirling Fair.

Mr. and Mrs. Fred Kent returned home recently after attending Toronto Exhibition and visiting relatives in Toronto and Montreal.

Dr. C. F. Walt, of Orangeville, was in town for Stirling Fair on Saturday and also attended the I.O.O.F. Decoration Service on Sunday.

Board of Education Authorizes Purchase of Teachers' Supplies

R. W. Meiklejohn Resigns
As Appointee To Library
Board — B. Bell Appointed

The purchase of several reference books for use in Home Economics Department and for teaching English and Agriculture was authorized by the Board of Education at its regular monthly meeting on Monday night.

Chairman C. I. Hatton presided and Dr. E. A. Carleton and Messrs. J. B. Belshaw, Mr. J. Black, H. Donnan, R. E. Fox, R. A. Patterson and H. R. Tompkins were in attendance.

Principal J. L. Good reported an attendance of 125 at the Stirling High School and submitted a list of reference books needed in the Home Economics and Agricultural Departments.

On motion of Messrs. Belshaw and Patterson, the purchase of reference books for Home Economics and Agriculture Departments was authorized. A request from Mr. Garrison, presented by Mr. Good, for \$15 for music, records for teaching of MacBeth and two reference books in English was considered by the Board and on motion of Messrs. Black and Fox, \$10 was allowed for music and the purchase of the reference books authorized.

Mr. Good also reported that Mr. Mahon had purchased 24 hens for the Agricultural Dept. from proceeds of the sale of last year's poultry and eggs and still had a balance on hand for the purchase of feed.

The allotment of a stated sum towards Physical Education equipment was advocated by Mr. Good and after consideration, a sum of \$30 was allotted up to end of 1949.

Principal C. A. Wells, of the Public School reported a ditto roll purchased by the Board in February last had to be replaced; the 'radio-phonograph' ordered some time ago had not arrived, and gave a list of supplies needed by Mrs. Bell for the primary class, and in the shop. He also asked the Board for the purchase of some footballs and a rugby ball for the students.

On motion of R. A. Patterson and Dr. E. A. Carleton, the various requests were granted.

J. M. Black, chairman of the purchasing committee, reported 25 new seats ordered for the public school had not arrived. Chairman Hatton stated he had interviewed a representative of the company in Toronto and thought the seats would arrive before the end of the month.

R. E. Fox, vice-chairman, reported a car of stoker coal being put in the public school and Chairman Hatton authorized placing an order for a car for the High School.

R. W. Meiklejohn tendered his resignation as representative of the Board of Education on the Library Board and on motion of J. B. Belshaw and R. A. Patterson, Mr. Bruce Bell was appointed to fill the vacancy until the end of Mr. Meiklejohn's term in January, 1951.

The following accounts were presented for payment by R. A. Patterson, Chairman of Finance:

Public School
Geo. Noble, \$16.90; B. P. Mayhew, \$3.50; Hatton Hardware, \$11.85; Geo. Carlisle, \$3.00; Stevenson's Ladies' Wear, \$20.57; James Texts, 80c; C. C. Snowden, supplies, \$55.26.

High School
J. M. Mahon, \$194.98; National Geographer, \$6.00; Mrs. Bailey, felt, \$9.40; Dominion Stores, \$1.39; Geo.

Buy Home

Carl Potter has purchased the property of Don McIntosh, John St. The deal was completed this week and the new owner will be taking possession at once.

Locals Win Over Madoc

In the opening game of the Centre Hastings Rugby League played in Madoc on Monday afternoon, Stirling High School squad defeated Madoc High School by a score of 27 to 5.

Staffs Meet Here

Members of the various High Schools in Centre Hastings High School Area met in Stirling High School last night. Following a business meeting, dainty refreshments were served by the local staff and a social hour enjoyed.

Receives Promotion

Mr. Elmer McInroy and family, formerly of North Bergen, N.J., has taken up residence in Kankakee, Illinois, where he will set up the new control and research laboratories for the Gaines Division of the General Foods Corporation. Mr. McInroy previously was employed as a research chemist at Central Laboratories, General Foods at Hoboken, N.J. He is a graduate of Stirling High School and the Ontario Agricultural College, Guelph, and is the son of Mr. and Mrs. Murney McInroy, Bonarlaw.

Welcome Rains

The rains this past week have been welcomed by the farmers in the Stirling district. Owing to the severe drought during the summer months many of the farm wells went dry and some farmers have been forced to draw water for their cattle. A heavy rainfall before the freeze-up is needed to bring the wells up to normal.

Tag Day On Saturday In Aid Of Children's Aid

On Saturday, October 1st, a tag day will be held in Stirling in aid of the Children's Aid Society. Mr. J. L. Good, principal of the local High School, will have charge of the local campaign and citizens are urged to give generously to assist this worthy work.

The Children's Aid Society protects, cares and plans for little boys and girls in this community who, from some cause are temporarily or permanently deprived of their birthright — A Home of Their Own.

Citizens have a sacred responsibility for every child in misfortune. His happiness today and useful citizenship tomorrow is our concern.

Noble, \$32.24; Liquid Air, \$11.23; Telephone, \$3.45; Longman's Green and Co., \$64.80; J. M. Dent, \$9.60; J. L. Good, express, etc., \$8.56; Hatton Hardware, \$2.93; Stirling Lumber Co., \$20.70; Central Scientific Co., \$3.25; C. C. Snowden, \$97.46; W. Sutherland, \$6.00.

Hostess To St. John's Women's Auxiliary

Mrs. J. Whitehead very kindly opened her home for the September meeting of St. John's W.A. There was a good attendance of members and several visitors. Rev. A. J. Anderson opened the meeting with prayer and the Members' Prayer was given in unison. The Scripture Lesson was read by Mrs. Woodbeck. Roll Call was followed by correspondence which included the report of the Board meeting in Kingston, also several letters of thanks for cards received. Mrs. Fred Kent gave the treasurer's report. Mrs. Belshaw reported for the Juniors and Mrs. Ed. Kent, in a very interesting manner, gave a report of her first Board meeting in Kingston.

Mr. Anderson spoke of the success-

ful season at the camp at Lyndhurst. Plans were made for attending the Deanery meeting to be held at Bancroft on Oct. 12th. Several cars were offered for the day.

Mrs. Anderson in a very capable and interesting manner, gave the chapter in the Study Book dealing with the Moslems and their religion called Islam. Mrs. Chard, in her usual pleasing manner, gave two very fine readings on "Thanksgiving".

A delicious lunch was served by Mrs. Whitehead and her co-hostesses. Mrs. Earl Morrow moved a hearty vote of thanks to Mrs. Whitehead for her kind hospitality to those who helped with the lunch, to those who gave the program and to all who made the meeting such a success.

ANNIVERSARY SERVICES HELD IN CARMEL CHURCH

On Sunday the anniversary services of the church were held. The church was beautifully decorated with cut flowers and foliage. Rev. S. A. Delye, of Seeley's Bay was the guest minister and preached two inspiring sermons to a large crowd that filled the church to capacity. The choir, with Mrs. Arthur Pyear at the piano, rendered two anthems at each service with Mrs. Ross Hart and Douglas Pyear singing solos.

Pie Social

On Monday evening, a pie social was held in the church starting with a programme. Rev. W. H. V. Walker, minister of St. Andrew's Church, Stirling, acted as chairman and opened with greetings and appropriate remarks. A vocal trio, Messrs. Albert Hircok, bass, Milton Harper, baritone and Lloyd Stinson, tenor from Cobourg rendered solos and trios and duets. Miss Barbara Farkey gave four readings. Sherwood Reid and Arthur, local boys, filled in with piano and harmonica.

Remembered On 70th Anniversary

The family of Mr. William Henry Scott, Mount Pleasant, gathered at his home on the occasion of his seventieth birthday and during the evening he was presented with an occasional chair.

Mr. Scott has two sons, Murney, of Stirling, and Clarence, at Mount Pleasant, Rawdon, and one daughter, Viola, Mrs. Burleigh Emmons, of Stirling.

Besides the children and grandchildren, the guests included Mr. Scott's only brother and his wife, Mr. and Mrs. Walter Scott, of Wellman's, also Mr. and Mrs. Fred King and family.

The party was a surprise to Mr. Scott, but he thoroughly enjoyed the evening and was the recipient of greetings and gifts.

Refreshments included ice cream and cake.

Buy Service Station At Wooler

Don McIntosh, who has been employed at McIntosh and Wells Garage, Front St., for a number of years, has purchased the White Rose service station in Wooler and will take over the business the first of October. Don is a native of this village, being a son of Mr. and Mrs. Sheldon McIntosh and has a host of friends in the district who will join in wishing him every success in his new business.

Mr. and Mrs. McIntosh moved to their new home today.

Stirling Couple Honoured Prior To Departure

Mr. and Mrs. W. W. Thompson, William St., who are moving to Springbrook next week, were remembered by their friends and neighbours on Saturday last when they were presented with a beautiful table lamp as a token of the high regard in which they were held.

On Monday they were presented with two wall plaques by members of St. John's Church, of which they were staunch and faithful members.

Mr. and Mrs. Thompson are deeply appreciative of the many kindnesses shown them and wish to express their sincere thanks to all their friends and neighbours.

Boy Scout News

On Wednesday, September 21st, the first meeting of the First Stirling Wolf Cub Pack, was held in the High School with 26 members turning out, five of these were new members.

A number of games were played and the Cubs formed into four different Packs and their leaders were appointed.

On Saturday afternoon the Cub Master, Joe Irish, who is replacing Harold Baker, took the boys on a hike to the woods to gather coloured leaves and birch bark and to play some games.

RALLY DAY SERVICE HELD SUNDAY AT ST. ANDREW'S

Rally Day Service was held in St. Andrew's Church last Sunday morning with a good attendance.

During the service Bobbie Eggleton, Billie Fitchett, Jimmie McIntosh and Ray Hermiston sang an appropriate number and a duet was sung by Muriel Devolin and Isabel Fox with Mrs. R. H. Williams at the console.

The superintendent, Mr. Clayton Tummon, assisted in the service and paid tribute to the teachers and officers of the Sunday School. The minister, Rev. W. H. V. Walker, delivered an address on the theme "God Gives the Increase". To see the material harvest we look down and around but to see the spiritual harvest, we must look up to God who gives the increase.

A special offering was taken to assist in the Christian teachings in needy Sunday Schools. Baskets of flowers and ferns which were kindly left from the wedding on Saturday, added much to the service.

Purchased Farm

A real estate deal of interest was completed on Saturday when Walter Savage, of town, purchased the former Wm. H. Tompkins farm, situated on the Stirling-Frankford Highway, from Mrs. Margaret Uber, of Morganston.

Harold Men Seriously Injured

Two construction workers and a Canadian Pacific Railway inspector were injured Wednesday when a 12-inch pipe exploded while they were testing it. The accident occurred in the Cote St. Luc freight yard.

William Gibson, 18, of Harold, Ont., was the most seriously injured. He suffered a possible shoulder fracture and other undetermined injuries.

Ronald McGrath, 23, also of Harold, and E. T. Denenfield, 32, C.P.R., inspector, were less seriously hurt. All three were taken to hospital.

Gibson and McGrath are employees of the H. J. MacFarland Construction Co., of Picton.

Engagement

Mr. and Mrs. W. A. Hume, Campbellford, announce the engagement of their daughter, Marion Jean, to Ronald F. Loucks, son of Mr. and Mrs. W. R. Loucks, Campbellford. The marriage to take place at the home of the bride's parents, on Saturday, October 8th.

BARBARA SARLES HONOURED PRIOR TO MARRIAGE

An enjoyable evening was spent recently when about thirty girl friends gathered at the home of Mrs. Russell Woodbeck to honour Miss Barbara Sarles, a bride of the month. The first part of the evening was spent playing cards, after which the bride was invited to a chair prettily decorated with white and pink streamers. An address was read by Mrs. Doug. Campbell and she was presented with a table lamp, end table and picture.

While Barbara was voicing her appreciation, balloons bursted from the ceiling, showering her with confetti.

A dainty lunch brought the evening to a close.

Cup and Saucer Shower

On Tuesday evening, September 20th at the home of Mrs. Clifford Heath, Mrs. Heath and Mrs. Grant Stapley were joint hostesses at a cup and saucer shower in honour of Barbara Sarles (Mrs. Jack Hagerty), a bride of last Saturday.

About twenty-eight ladies were present. Mrs. Vernon Matthews entertained at the piano and the evening was spent in playing games and various contests. After this, the bride-to-be was given a seat of honour and an appropriate address was read and the presentation of the gifts was made. Barbara very graciously thanked the ladies for their gifts and invited them all to come to see her in her new home.

A delicious lunch was then served and a very enjoyable evening came to a close.

Mr. and Mrs. J. H. Cooke Celebrate Fiftieth Wedding Anniversary

Cheque Artist Active Here

Police are on the lookout for a cheque artist operating in this district who has victimized several persons, including a Stirling businessman, for various amounts of money. The cheque cashed by a local merchant had all appearances of being a bona fide document, bearing the signature of a reputable Belleville firm and a protector stamp, but proved to be a forgery.

Real Estate Deals

Two real estate deals were completed last week when Steve Armstrong purchased the property of Burley Emmons on Church St., and Mr. Emmons in turn purchased the 50-acre farm owned by Jos. Bibby on the 2nd concession of Rawdon. Both deals were made through E. D. Ketcheson, local realtor.

Thos. Milne, Native of Stirling, Died In California

Word was received yesterday by Mr. J. Clinton McGee, of this village, of the death of Thos. Milne, in Los Angeles, Cal., on September 20th. The late Mr. Milne was born in Stirling, the son of the late Mr. and Mrs. James Milne and was 79 years of age. His father was a partner in the firm of Milne and Clute, who carried on a general store in this village, and later he was a partner with his father under the name of Milne & Son. He left Stirling about forty years ago.

Hooked Large Lunge

While trolling on the Trent River on Wednesday afternoon Earl Luery, of this village, hooked a "muskie" forty-two inches in length which weighed 20 pounds.

Name October 10th Thanksgiving Day

Monday, October 10th, has been designated as Thanksgiving Day.

The proclamation under the signature of the Deputy Governor-General Mr. Justice J. W. Estey, of the Supreme Court, said the day was fixed "as a day of general thanksgiving to Almighty God for the blessings with which the people of Canada have been favoured this year."

Bride and Groom Honoured At Madoc Junction

A miscellaneous shower was held at the home of Mr. and Mrs. Murney Kirkey last Thursday evening in honour of Mr. and Mrs. Lloyd McEachern (nee Ferne Reide).

A short programme with Mr. Bruce Stapley as chairman was presented. Mrs. Hugh McMullen, Mrs. Maurice Clacy led in community singing. Six Junior girls sang. Readings were given by Mrs. Bert Reide and Myrtle Wannamaker. Mrs. C. Lansing, Mr. C. Fitchett and Mr. Bert Reide gave brief speeches, wishing the bride and groom much happiness.

Mrs. Warren Harlow read an address signed by Rosella Clancy and Winnie Kirkey. The gifts arranged on the table when unwrapped revealed a lovely array of white and red kitchen ware.

The bride and groom replied to the address. The singing of For They Are Jolly Good Fellows concluded the programme. Lunch was served and a social time enjoyed.

Hastings Boys Capture Trophy

Hastings captured the trophy at Blantyre park Saturday, defeating Port Robinson 13-6 in the deciding game of a best-of-three series to gain the OASA Junior "C" Championship.

Family Gathering Held At Home of Mr. and Mrs. Ever- ett Cooke On Ridge Road

On Tuesday, September 27th, 1949, the home of Mr. and Mrs. Everett Cooke, Ridge Road, Stirling, was beautifully decorated with cut flowers and baskets of yellow mums in honour of Mr. Everett Cooke's parents, Mr. and Mrs. John H. Cooke, who were celebrating their 50th wedding anniversary.

During the evening about a hundred guests gathered to extend greetings to the bride and groom of fifty years.

Mrs. Cooke was formerly Miss Elizabeth Leach, of Winchester, England, and the wedding ceremony took place on September 27th, 1899, at Tuttsville. The Reverend W. V. Sexsmith officiated. The bridesmaid was Mrs. Will Stapley (nee Florence Cooke), sister of the groom and the best man was Mrs. Cooke's only brother, the late Fred Leach, of Hamilton, Ont. Mrs. P. B. Hamilton, of Mountain View, organist at their wedding, was a guest on Tuesday evening.

Mr. and Mrs. Cooke have two sons and six daughters: Everett, of Stirling, Ont.; Charlie, of Belleville; Myrtle, Mrs. Geo. Snarr, Hoad's Station; Dorothy, Mrs. Reg. Dracup, of Belleville, Ont.; Thelma, Mrs. Wm. O'Shea, East Dale, Hamilton, Ont.; Lenora, Mrs. Pete Pomeroy, Trenton, Ont.; June, Mrs. Bill Nelson, Trenton, Ont.; and Hazel, Mrs. Ed. Patzalek, Hamilton, Ont. They also have several grandchildren and two great-grandchildren. Mr. Cooke was the second son of the late Mr. and Mrs. George Cooke, of Madoc Junction.

The parlour was beautifully decorated with yellow and white streamers with a golden bell in the centre of the room. A three-tiered wedding cake and lighted candles adorned the table.

During the evening the family presented their parents with an Electric Range and a bouquet of lovely red roses. They also received numerous gifts from their many friends and neighbours.

Guests were from Belleville, Sidney, Trenton, Frankford and Springbrook. Following is the address, which was read by Mrs. Everett Cooke.

Stirling, Ont.
Sept. 27th, 1949.

Dear Dad and Mother:
We, your children, grandchildren and great-grandchildren have met tonight with you to celebrate your Golden Wedding Anniversary.

We are thankful to the Giver of all good gifts that you have both been spared to celebrate this wonderful day.

We realize how often we have failed to be perfect children and we are very thankful for all your loving kindness and we hope and pray that you will both be spared to us for many, many years to come.

We ask you to accept these gifts and as you use them may you be reminded of the everlasting love of your children.

Signed,
From the Family

Milk Report

The following is the report of the Stirling dairy for the month of August from the Ontario Department of Health:

B. Coll count, 0; Standard Plate count, 21,000; Per cent Butter Fat, 3.4%.

DIES IN BELLEVILLE

Ernest M. Carefoot, 61, central figure in narcotics and fraud charges at Belleville since March, 1946, died Monday night.

Cause of death was reported as coronary thrombosis.

COMING EVENTS

RESERVE THURSDAY, NOVEMBER 17th for St. Paul's W.A. Annual Bazaar. 48-1

HERE — Evangelistic Meetings in Salvation Army Citadel, Tweed, during the week of Sept. 23 to Oct. 3rd; also a Street Meeting in Stirling, on Saturday, Oct. 1st, at 8 p.m. All meetings to be conducted by Major and Mrs. W. Mercer, Toronto. 46-3

Sidney School Area News

Dr. D. McMullen, M.O.H., is carrying out the regular immunization programme that has been in operation for some years in the Sidney Schools. A schedule of visits to the schools has been drawn up, notices of which had been put in the papers and also sent to the parents through the schools. Regular visits will be made to each school every three weeks till the doses are complete. Treatments against small-pox, diphtheria and whooping cough are being given to pre-school children as well as school children where the parents wish to have it done. So far a large number of parents have been taking advantage of this opportunity.

Attendance Higher

Most of the Sidney Schools are experiencing the same difficulty as other communities with the increased attendance. In some instances the number of pupils has increased sharply. This year's attendance will exceed five hundred and fifty. Ways and means were discussed to lighten the numbers in some of the schools. As soon as arrangements can be made they will be put into effect.

Board Meeting

The Board held its regular meeting this month on Monday night in Mapleview School. All members were present. The regular order of business was followed with a good deal of summer correspondence to be dealt with. Mrs. Donaldson, who had been caretaker of Avondale school for several years gave notice of her resignation effective September 30th, as she was leaving the community. The Board regretfully accepted it. It was decided to engage Mrs. G. Denyes as caretaker for the balance of the year, if satisfactory arrangements could be made.

The secretary reported that a cheque for \$26.44 had been received from the Insurance Company covering the full cost of repairing the damage done to the Quintview chimney, roof and electrical system during the severe storm in June.

Summer Repairs

Reports of the progress of the summer repairs were made. Several items had had to be delayed due to difficulty in getting material. These will be finished this fall where possible. A new chimney was built at Mapleview in an effort to overcome the smoke problem. The west side of the Centenary roof, which had been leaking, was shingled. Bayside toilets

were raised by the Caustic Sanitation Company at their own expense to permit better drainage due to the very hard nature of the soil. The Board was fortunate to obtain a supply of used slate blackboards, sufficient to replace those at Turner's and Eggleton's. The softball backstops were delayed due to the difficulty in getting the wire mesh. Swing material is on order to repair those that are not in good working condition.

Stirling Fair

The Board was glad to hear that some of the schools in the vicinity of Stirling were planning to take part in the Fair on Saturday. They offered to co-operate with the officials in whatever way they could, to encourage the pupils to make entries in the school exhibits and enter the school parade. Four Sidney Schools, River Valley, Marsh Hill, Glen Ross and Eggleton's took part in the parade, with Eggleton's and Marsh Hill placing second and third. Congratulations!

In Hymen's Bonds

HASSALL-BARNUM

St. John's United Church, Campbellford, was the scene of a pretty wedding on Saturday, September 17th, 1949, at 2 p.m., when Muriel Aileen, only daughter of Mr. and Mrs. Harold J. Barnum, became the bride of Arthur Samuel Hassall, only son of Mr. and Mrs. J. C. Hassall, West Huntingdon, with Dr. D. M. Smith officiating.

The bride entered the church on the arm of her father to the strains of the Wedding March from "Lohengrin", played by Mr. Charles Howey. She looked charming in a floor-length gown of white slipper satin, with long pointed French lace sleeves, lace pelum and neckline, fitted bodice and a skirt gathered to form a bustle at the back. Her long embroidered French illusion veil was shirred to a beaded coronet. She carried a shower bouquet of American Beauty roses. Her only ornament was a heart-shaped gold locket, the gift of the groom.

Miss Hilda Morrow, of Belleville, was maid of honour; Mrs. Ralph Atkinson and Miss Cozette Archer were bridesmaids. All wore matching floor-length gowns and headdresses of blue,

pink and yellow taffeta and carried pink carnations, yellow and mauve mums.

Mr. Bruce Barnum, brother of the bride, was groomsmen. The ushers were Mr. Ralph Atkinson, of Campbellford, and Mr. Stan Francis, of Belleville.

Before the ceremony, Mr. Francis DeCarroll sang "I'll Walk Beside You" and during the signing of the register, "Through the Years".

Following the ceremony, a reception was held at Villa Trent, where a dinner was served to about fifty guests. The five waitresses were girl friends of the bride: Mrs. Walter Duncan, Mrs. Wayne Gunter, Misses Marcia Qeller, Marion Wallace and Donna Bound.

During the dinner a telegram of congratulations was received from the groom's aunt and uncle of Manchester, England.

The bride's mother received in a dress of black French lace over blue. She was assisted by the groom's mother in a dress of navy blue moire; both wore corsages of pink roses.

Aimed showers of confetti, the happy couple left for Toronto, Niagara, London, Wardsville and points west. For travelling, the bride donned a suit of navy blue gabardine with matching accessories. She wore a corsage of pink roses. On their return they will reside on the groom's farm, West Huntingdon.

Out-of-town guests were:

Mr. and Mrs. Cecil McLean, Mr. and Mrs. Don McLean, Lindsay, Mr. and Mrs. Stan Francis, Belleville, Mrs. Wright and Miss Margaret Wright, Stirling, Mr. Sam Houghton, Mr. and Mrs. Dave Fargey, Mr. and Mrs. Geo. Ashley, Russell and Lindsay Sills, West Huntingdon.

TELEVISION BRINGS FASHIONS TO HOME

Women viewers in and around London have decided that choosing fashions the television way is by far the least tiring. At the latest televised fashion show, the new autumn and winter home and export fashions from many of London's leading dress designers were displayed. Bettie Spurling, who was herself one of Britain's most popular mannequins and "cover

I. L. MOORE,
Principal

Over 54,000 shareholders own the Bell—and put up much of the money needed to give you telephone service. There are more than twice as many of them as ten years ago.

Since the war their accumulated investments in Bell stock have increased by nearly one hundred million dollars.

With thousands of applicants still waiting for telephone service, many million dollars more will be needed for new construction. And this money must continue to come from these and other Canadians who are ready to invest their savings in the telephone business.

Notice To Creditors

In the Matter of the Estate of Annie McIntroy, late of the Township of Rawdon, in the County of Hastings, Widow, deceased.

NOTICE IS HEREBY GIVEN that all persons having claims against the estate of Annie McIntroy, late of the Township of Rawdon, in the County of Hastings, widow, deceased, who died on or about the 4th day of August, 1949, are required to forward their claims, duly proven, to the undersigned, on or before the 10th day of November, 1949.

AND NOTICE IS FURTHER GIVEN that after the said date the Executors will proceed to distribute the estate having regard only to such claims as they shall then have had notice.

DATED at Belleville, Ontario, this 22nd day of September, 1949.

Porter, Payne and Arnott,
219 Front Street,
Belleville, Ontario,
Solicitors for the Executors

International Plowing Match October 11th to 14th

Installation of utilities for the "Tented City", a two million display of farm machinery and equipment, has started at Burford, scene of the 1949 International Plowing Match. The event this year opens on October 11 and continues until October 14. Population of the "city" will reach more than 100,000 inhabitants at the height of the Match.

Clark Young, treasurer of the On-

tario's Plowmen's Association, under whose auspices the Match is held each year, and N. E. MacPherson, representing the Ontario Hydro Electric Power Commission, are supervising staking out of the unusual city. They report it will be the largest community of its kind ever built by the Association and the display of machinery will be the largest in Canada's history.

Burford is situated eight miles west of Brantford and it is on the farm of H. W. Amy, at Burford, that the big Match is taking place. Each year for the past 35 years the Ontario Plowmen's Association has sponsored this world famous match. This year, those in charge say, will outclass all others.

Mr. Young reports that applications for space in the unique miniature "city" have already exceeded last year's requirements by ten percent. Still others are expected in the next few weeks.

The "city" will have nearly a mile and a half of frontage for exhibitors and over half a mile of restaurants and a similar area of educational exhibits by government departments and other agencies.

Hydro power will run down each street and be available to each exhibitor. Fresh water will flow through special aluminum pipes along the entire length of the streets. Adequate supply of water always presents a problem but this has been overcome by the unique driving of sand points through the bottom of a well on Mr. Amy's farm. An excellent supply of water has thus been obtained and under test for several hours has shown a yield of 1,150 gallons of water per hour. Analysis shows the water to be

of top quality according to Department of Health standards.

In a few days more lots to be used by exhibitors will be staked out and from then on this quiet bit of country will literally hum with activity on a par with that of any good sized municipality.

Every facility found in a modern community will be available in the unique "Tented City". The only thing lacking will be paved roadway and sidewalks. However, good substantial surface is being provided for all walks and roadways but the sidewalks will be soft, Mr. Young says.

What Others Say**MUSKOKA CHOSEN FOR WEDDING TRIP**

(Stratford Beacon Herald)
The parsonage of the Evangelical United Brethren Church, Hanover, was the scene of a pretty wedding Thursday evening, September 1st, at 8 o'clock when Rev. Earl E. Pletch, formerly of this city, officiated at a ceremony uniting in marriage, Helen Frances Buckingham, younger daughter of Mr. and Mrs. R. H. Buckingham, Hanover, and Mr. Roy Kenneth Sebben, youngest son of Mrs. Sebben, Shakespear, Rd., and the late Mr. Lorne C. Sebben. The bride wore a suit in Loganberry wine shade with black accessories and corsage of yellow roses. Miss Agnes Buckingham of Waterloo, sister of the bride, as bridesmaid, was wearing a champagne beige suit with wine accessories and Talsman rose corsage. Mr. John Sebben, Shakespear Rd., was groomsmen for his brother.

Following the ceremony a reception was held at Pleasure Valley. The bride's mother received in a navy blue flowered dress in petit point design with accessories in matching shade. Mrs. Sebben, mother of the bridegroom, was dressed in wine faille with black accessories. Later Mr. and Mrs. Sebben left on a wedding trip to Muskoka. They will reside at 244 Erie St., on their return.

The bride is a granddaughter of the late Dr. and Mrs. Frank Zwick.

RAT BLITZ URGED

(Chatham News)
It is scarcely understandable that human beings have remained so tolerant of the rat. The latter has invaded virtually every country in the world except the polar regions.

Even in a country of limited population such as Canada, the depredations of rats cost millions of dollars annually. Occasionally in the larger cities there are campaigns organized to destroy them, but there is no well-sustained organized effort anywhere to eradicate these destructive and dangerous pests.

It is no exaggeration to say that governments could afford to spend large sums of money in efforts to eradicate the rat, and in doing so they would accomplish an economic miracle.

SUCKER IN LIMELIGHT

(Cornwall Standard-Freeholder)
The mullet (no sucker) is slated to be a new food fish if the Department of Lands and Forests has its way. Up in Manitoulin Island, the department is conducting some experiments in filleting and quick-freezing fresh-caught mullet.

The experiment began this Spring when a few hundred sample fillets were distributed among Manitoulin housewives. There was no secret about the identity of the packaged fish nor was there any misunderstanding as to the fact that mullet was really sucker.

The reception of the product was so favourable that it seems likely that dinner tables throughout Ontario may soon be graced by mullet fillets. This will not surprise anyone who has eaten them, fresh-caught, during the season.

FIRST ONES STILL HERE

All the modern conveniences we see in use today belie the fact that this is still a young country. What brings it home to you most forcefully

is the number of people you meet who pioneered this area. — Winfield (Alta.) Gazette.

"Nut That Holds The Wheel" Causes Most Accidents

Unsafe driving habits are the greatest cause of traffic accidents, saw two-thirds of the people polled recently by the Department of Highways in a survey done to find out how much the average driver knows about avoiding accident hazards.

Public and expert opinion don't often agree too closely, but in this instance a group of auto insurance men, highway and municipal officials and driver examiners were polled on the same question: they gave exactly the same answer as the cross-section of drivers. So the consensus appears to rate the "nut that holds the wheel" as the leading villain of traffic tragedies.

Which driving habit is considered safe. The answer is "excessive speed" say both experts and the public. This opinion is proved correct by the statistical accident records of both the Ontario Department of Highways and the National Safety Council, which show "speed too fast for road or traffic conditions" as an accident factor more than any other reported violation.

Compared with the two-thirds who say that "unsafe driving habits" contribute most to accidents, just one-quarter of those polled blame liquor. Less frequent hazards mentioned were pedestrian actions, weather and road

conditions and mechanical condition of cars.

Both groups agree that Saturday and Sunday are the most likely days for accidents and put Friday in third place. However, accident statistics show that Saturday, Friday and Sunday (in that order), are the worst days for accidents. And while both drivers and the expert group say that dusk is the time of day when most accidents happen, actually statistics show that more accidents occur in broad daylight than at any other time.

OLD AGE

Nature has ordained that man should grow mellow and mature as the years go by. But that does not mean that he must fall into decay and become less fit, mentally or physically. On the contrary, there are rich fruits in the later years for the life that has been well lived. Experience is its own reward, and how much profit we take from it lies in our own hands.

FIRE DESTROYS MORDEN CANNERS

Scheduled to close for the season after one more day's operation the Morden Canners canning factory at Wellington in Prince Edward County was completely destroyed by fire shortly after midnight on Friday.

The Morden Canners was a private cannery operated by Mr. Norman Morden, of Wellington, and his son, Ralph. The canning factory was situated on the Morden farm at the edge of Wellington village. Only tomatoes were processed.

— Open for 9 a.m. to 9 p.m. —

On the average, supplies which farmers must buy to carry on their business, have gone up 70.1% in price since 1941. In the same period, Massey-Harris prices for Canadian-made farm implements have gone up only 43.9% ... not much more than half the average rise.

Massey-Harris has held down its prices in the face of a 92.6% increase in cost of raw materials, and an increase of 87% in the average hourly wage rate to its employees.

Demand has been keen in all parts of the world, and Massey-Harris factories have been working at top capacity. High volume has spread the overhead costs over more machines, and enabled the Company to absorb part of the increased cost of material and labor.

Mrs. Fred Campbell spent Thursday
in Brooklyn.

Mount Pleasant

On Sunday evening, September 18,
Mrs. Albert Dunkley and son, Earl, re-
ceived news of the terrible accident
at Bowmanville when Mrs. Dunkley's
daughter, Lillian (Mrs. Percy Martin),
Leaside, and her step-daughter, Teen-
ey (Mrs. Alex Lawrence), Oshawa,
and their husbands were killed en-
route home from a visit over the week
end at Mount Pleasant and at the cot-
tage at Coe Hill. They are survived
by six sisters, Myrtle, Mrs. Harry
Shults; Mabel, Mrs. John Thatcher;
May, Mrs. George Wickens; Jennie,
Mrs. Ray Seamans; Lorene, Mrs. Fred
Taylor; Evelyn, Mrs. Edward Rupert
and two brothers, Earl and Charles.
Deepest sympathy is extended to the
bereaved family, also to the three sons
in the Martin family, who spent part
of their boyhood at Mount Pleasant
and to Mrs. Dunkley, who is ill at her
home.

Mr. and Mrs. Orno Sharp, Mr. and
Mrs. Leonard Sharp and Mr. Norman
McConnell attended the double fun-
eral of Mr. and Mrs. Alex Lawrence
at Oshawa on Thursday afternoon.

Several Mount Pleasant folk catered
on Monday for the auction sale at the
farm of Mr. Ray Williams, Hoards.

Mrs. Tom Saries is recovering from
an attack of quinsy.

Mr. and Mrs. Ernest White and Mrs.
Marguerite McMullen spent a day last
week with Mr. and Mrs. Alex Sharp,
Frankford, on the occasion of Mr.
White's birthday. They also visited
Mrs. Elam Wescott, Oshawa, who is
spending some time at the home of
her daughter, Mrs. Fred Ashby, Sidney.

The regular W.M.S. and Band
Thanksgiving service will be held on
Thanksgiving Sunday, October 9th at
the evening service.

Mr. and Mrs. John Holmes enter-
tained over the week end Mr. and Mrs.

Clifford Holmes, Marilyn and Mel-
bourne, Kingston, Mr. and Mrs. Ken-
neth Holmes, Joan and Beverley, of
Madoc.

Mr. John Mulhern spent Sunday at
Whitby. Mrs. Mulhern and Margar-
et accompanied him home.

On Sunday afternoon, October 2nd
Holy Communion will be celebrated at
Mount Pleasant.

Mrs. John Hay spent a few days at
Warkworth with her daughter, Mrs.
Delbert Mitchell and Mr. Mitchell.

Mrs. Mitchell and baby, Irvin, accom-
panied her home for a holiday.

Mr. and Mrs. Jas. Menzies and Mr.
Jack McEathron, Mount Pleasant, Mrs.
Cecil Nelson and Leslie, Campbell-
ford, spent Friday with Mr. and Mrs.
A. Treneer, Brighton.

The annual Sunday School Rally
was held Sunday morning at Mount
Pleasant based on the theme "He
Shall Have Dominion". Miss Betty
McConnell officiated at the piano and
the Junior choir contributed a num-
ber. Misses Lola and Marilyn Mac-
Connell sang a vocal selection. Rev.
H. C. Vachlavik gave a brief message.

Mr. and Mrs. Ernest White, Mr. and
Mrs. Irvin Potts, Mr. and Mrs. Wil-
bert Hagerman and Harold were
guests at the Hedger-Heagle nuptials
at Wellman's on Saturday afternoon.

Mr. and Mrs. James Menzies and
Mr. Jack McEathron were recent
guests of Mr. and Mrs. Cecil Nelson,
Campbellford.

A large number of Mount Pleasant
folk attended Carmel anniversary and
pie social over the week end.

Mr. and Mrs. Ross Hoard and James
attended the anniversary services at
Sidney Baptist church. The guest
minister was Professor Waters, of Mc-
Master University. In 1912 he was
student minister at Sidney Baptist
church and Mrs. Hoard was the organ-
ist.

Letter of
Thanks
Last week Mrs. Arthur Phillips re-
ceived a letter for her son, Mr. Carle-
ton Phillips, who is now in the West.
The letter was sent by Mr. Eric Chap-
pelle, who is now recuperating in
Sunnybrook Hospital, Toronto. He
wrote a special letter in thanking him
for the burning plane which crashed
at Hoards. The three boys, Messrs.
Carleton Phillips, Ralph Johnson and
Stanley Williams ran across three
fields after the plane crashed and
Carleton pulled the unconscious flyer
from the burning plane.

Miss Annie Holmes, Madoc, spent
a few days with Mr. and Mrs. John
Holmes.

Mrs. Ross Hoard recently attended
a shower at Sidney Baptist church for
Mrs. Harry Reid, whose home was re-
cently destroyed by fire.

Mrs. Allan Bailey has received word
of the serious illness of her only sis-
ter, Mrs. Webster Massey at Vancou-
ver. Mrs. Massey celebrated her 80th
birthday recently.

Mr. and Mrs. Will Potts celebrated
their twenty-sixth wedding anniver-
sary on September 26th. They visited

Mr. and Mrs. Mac Remington, New-
burgh for the day and attended Car-
mel pie social in the evening.

Mr. J. Stewart, Toronto, is holiday-
ing with the Sharpe families at Mount
Pleasant.

About twenty from Mount Pleasant
attended Carmel Pie Social on Mon-
day evening and enjoyed both program
and pie.

Mr. and Mrs. Leonard Sharpe and
Ruth, Mr. Claude Sharpe, Mr. and
Mrs. Orno Sharp and Ray, Mr. and
Mrs. Malcolm Sharpe and Kalvin and
Mrs. James Sharpe attended the 35th
wedding anniversary of Mr. and Mrs.
William Johnston, Mount Pleasant.

The happy event was arranged by the
family and was held in Wallbridge
Orange Hall with about seventy
guests in attendance. Mrs. Johnston
was formerly Miss Margaret Sharpe,
of Mount Pleasant and they have 3
daughters, Alma, Mrs. Ivan Sine;
Helen, Mrs. James Bailey, and Miss
Jessie Johnston and one son, Mrs.
Angus Johnston.

Mr. and Mrs. Leonard Sharpe and
Ruth, Mr. Claude Sharpe, Mr. and
Mrs. Orno Sharp and Ray, Mr. and
Mrs. Malcolm Sharpe and Kalvin and
Mrs. James Sharpe attended the 35th
wedding anniversary of Mr. and Mrs.
William Johnston, Mount Pleasant.

The happy event was arranged by the
family and was held in Wallbridge
Orange Hall with about seventy
guests in attendance. Mrs. Johnston
was formerly Miss Margaret Sharpe,
of Mount Pleasant and they have 3
daughters, Alma, Mrs. Ivan Sine;
Helen, Mrs. James Bailey, and Miss
Jessie Johnston and one son, Mrs.
Angus Johnston.

Mr. and Mrs. Leonard Sharpe and
Ruth, Mr. Claude Sharpe, Mr. and
Mrs. Orno Sharp and Ray, Mr. and
Mrs. Malcolm Sharpe and Kalvin and

River Valley

Congratulations to Mr. and Mrs. Jack Donohoe, Jr., on the birth of a daughter born September 20th.

Mr. and Mrs. Geo. Heasman, Mr. Wm. and Harry Heasman, Miss Alice Heasman, Mr. and Mrs. John Kane, Evelyn and Eleanor Bush attended the Heasman-Doodchenko wedding held in Greenbank United Church on Saturday last.

Sunday visitors at the home of Mr. and Mrs. William Hanna were Mr. and Mrs. Ernest Carr and family, Mr. and Mrs. Wilbur Bateman and family of Tweed.

Mrs. McCullough, of Murray Canal, is visiting at the home of her daughter, Mrs. Roy Irvin and Mr. Irvin.

Mr. and Mrs. Ken Bush and family of 2nd Sidney spent the tea hour on Sunday with Mr. and Mrs. Roy Bush. The September meeting of the River Valley Study Group was held at the home of Mrs. Stanley Irvin with a good attendance, also a number of visitors.

Mr. and Mrs. Bill Coleman, of West-on, spent a few days this week with Mr. and Mrs. Edward Heasman.

Miss Mae Brooks spent a couple of days this week under the parental roof.

REGULATIONS
applying to certain uses of
ELECTRICITY IN ONTARIO

The Hydro-Electric Power Commission of Ontario announces the following regulations made under the Power Commission Act and to become effective October 1st, 1949.

PART I

WATER HEATERS

1. (1) Unless water heaters operated by electrical power are—
 - (a) equipped with thermostatic control; and
 - (b) installed in or on tanks which are thermally insulated with a minimum of 1 inch in thickness of glass wool insulation, or other material having at least the same heat insulating capacity,
- no municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person the electrical power or any part thereof for the operation of water heaters installed or replaced after the date of publication of these regulations in The Ontario Gazette under The Regulations Act, 1944.
- (2) No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1.
- (3) No person shall take any electrical power procured from the Commission and use it for the operation of water heaters in a manner contrary to the provisions of subregulation 1.

PART II

SPACE HEATERS

2. (1) No municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person electrical power or any part thereof for the operation of air-heaters, grates, radiators, boilers or any other device for space heating in hotels, tourist cabins, shops, offices, commercial premises and, except in the case of sickness, residences.
- (2) No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1.
- (3) No person shall take any electrical power procured from the Commission and use it in a manner contrary to the provisions of subregulation 1.
- (4) Subregulation 1, 2 and 3 shall not apply to space heating in—
 - (a) water-pumping-stations;
 - (b) telephone relay- and repeater-stations;
 - (c) radio-beam stations; and
 - (d) municipally-owned electric-substations, where no person is regularly in attendance.

PART III

LIGHTING

3. (1) No municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person electrical power or any part thereof for—
 - (a) subject to subregulation 2, lighting of interiors of shops, show-windows and offices except—
 - (i) not more than 1 watt per square foot of gross floor-area of a shop during business hours, and after cessation of business with the public not more than 1 watt per square foot of the gross floor area of that part of the shop where the staff is actually working;
 - (ii) not more than 10 watts per lineal foot of width of show-windows of shops between 4.30 p.m. and 9 p.m. and only while the shop is open for business;
 - (iii) not more than 2 watts per square foot of gross floor-area of an office during office hours, and after office hours not more than 2 watts per square foot of gross floor-area of that part of the office where the staff is actually working;
 - (iv) for the protection of property after business hours not more than 5 watts per 100 square feet of gross floor-area of a shop or office, or 40 watts per shop or office whichever is the greater;
 - (b) lighting of exterior signs;
 - (c) exterior flood- or outline-lighting for decorative, ornamental or advertising purposes;
 - (d) lighting of out-door Christmas trees;
 - (e) lighting of parking-lots, used-car lots, service stations, out-door industrial premises and out-door playing fields except—
 - (i) not more than 10 watts per 100 square feet of parking-lot space while open for business;
 - (ii) not more than 10 watts per 100 square feet of that portion of used-car lots used for display space while open for business and not more than 5 watts per 100 square feet of the used-car lot after cessation of business;
 - (iii) not more than 40 watts per gasoline pump in a service station, exclusive of lighting not exceeding 25 watts inside the pump-meter compartment, while the service station is open for business;
 - (iv) not more than 10 watts per 100 square feet of that portion of used-car lots used for display space while open for business and not more than 5 watts per 100 square feet of the used-car lot after cessation of business;
- (2) The lighting permitted for shops during business hours under subclauses (i) and (ii) of clause (a) of subregulation 1 shall include the lighting of interior signs, merchandise-displays and show-windows.
- (3) No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1 of regulation 3.
- (4) No person shall take any electrical power procured from the Commission and use it in a manner contrary to the provisions of subregulation 1 of regulation 3.
- (5) Subregulation 1 of regulation 3 and regulations 4 and 5 shall not apply to—
 - (a) (i) lighting of air-ports and transportation terminals;
 - (ii) lighting for police, fire and property-protection services, traffic lights, traffic and warning signs; and
 - (iii) lighting required by law;
 - (b) hospitals;
 - (c) lighting for interior domestic purposes;
 - (d) lighting of a single exterior sign, not exceeding 25 watts, to designate—
 - (i) an office of a medical or dental practitioner, embalmer or funeral director, or pharmaceutical chemist;
 - (ii) an ambulance, telephone or telegraph station; or
 - (iii) premises providing sleeping accommodation for travellers;
 - (e) lands used for the purpose of an exhibition or fair held by or under the auspices of a society as defined in The Agricultural Societies Act, 1939; and
 - (f) the illumination of Niagara Falls for a period of not more than 2 hours between sunset and sunrise on Saturday and holidays.

PART IV

7. Parts II and III shall not apply to the territorial districts of—
 - (a) Algoma;
 - (b) Cochrane;
 - (c) Kenora;
 - (d) Manitoulin;
 - (e) Nipissing;
 - (f) Parry Sound, except the townships of Carling, Christie, Conger, Cowper, Ferguson, Foley, Humphry, McDougall and McKellar, the Town of Parry Sound and the Village of Rosseau;
 - (g) Rainy River;
 - (h) Sudbury;
 - (i) Thunder Bay; and
 - (j) Timiskaming.

PART V

8. In these regulations,
 - (a) "shop" means any building or a portion of a building, booth, stall or place where goods are handled or exposed or offered for sale, or where goods are manufactured and which is not a factory, but shall not include any part of a building used for office purposes; and
 - (b) "office" shall mean a building or part of a building occupied and used for office purposes only.

PENALTY PROVIDED BY THE POWER COMMISSION ACT FOR VIOLATION OF REGULATIONS

Any person refusing or neglecting to comply with any direction, order, regulation, restriction, prohibition or control made or exercised by the Commission under this section shall be guilty of an offence and in addition to any other liability incur a penalty of not less than \$100 and not more than \$500 and a further penalty of not less

than \$100 and not more than \$500 for each and every separate day upon which such refusal or neglect is repeated or continued.

The penalties imposed by or under the authority of this section shall be recoverable under The Summary Convictions Act.

If further clarification is required please contact your local Hydro office.

Hello Homemakers! One of the strangest things about the history of the tomato is that although its origin was South America and Mexico, it was unknown as food in the New World until long after it had been generally accepted in Europe. The Italians, who were the first to eat tomatoes in 1550 for years had considered them an ornamental garden plant, due to a mistaken idea that the tomato, then known as love apple or gold apple, was poisonous. The species does belong to the Nightshade family, some mem-

Fresh tomatoes are a refreshing adjunct to any meal, simply peeled, sliced or quartered and served on crisp greens with a good dressing. Firm quarters of bright red tomato intermingling with tossed salad greens are very tempting even to those men who profess not to like salads. To make a more decorative dish, stuff scooped out centres of tomato with diced celery, chopped chive and minced meat. Broiled tomato slices are delicious with many meats or just served on toast, plain or with cheese sauce. After preparing thick slices, saute in bacon dripping until brown. Add milk slowly to make a gravy, a little grated cheese and pour this over slices of tomato on toast. Serve with crisp bacon.

SAVORY BAKED TOMATOES

4 large tomatoes
1 cup minced celery
1 tsp. chopped onion
1 cup bread crumbs
1 cup chopped parsley
Salt and pepper

Cut slice from stem end of tomatoes and scoop out portion of pulp. Press it through sieve. Combine pulp juice with bread crumbs, celery, parsley, onion and seasonings. Fill cavities of tomatoes and top with buttered crumbs. Bake in electric oven of 375 degrees for 20 minutes.

TOMATOES AND MACARONI

1 pkg. shell macaroni
1 green pepper
1 cup minced pickle
2 tps. lemon juice
1 cup old cheese
2 tps. onion
1 cup flaked salmon
Salt and pepper
6 large tomatoes

Boil one package of macaroni in salted water until tender. Drain and add grated cheese. Set aside to cool, then add chopper pepper, onion, relish, salmon, lemon juice and seasoning. Pile into peeled, hollowed tomatoes. Top with a spoonful of mayonnaise. Garnish with pepper rings and serve on chopped lettuce and parsley.

THE QUESTION BOX

Mrs. R. S. requests ingredients of pie filling made of green tomatoes.

Answer:
MOCK MINCE MEAT
6 green tomatoes
6 apples
1 pound seedless raisins
1 pound seeded raisins
1 cup citron
1 orange rind
1 teaspoon salt
1 teaspoon cloves
1 tablespoon cinnamon
1 cup fruit-juice
1 cup vinegar
1 teaspoon allspice
1 teaspoon grated nutmeg

Chop tomatoes, apples and raisins. Add other ingredients in order given and cook until thick. This amount should make three pies.

Mrs. M. C. asks for good catsup recipe using green tomatoes.

OLD VIRGINIA CATSUP
1 peck green tomatoes
1 peck white onions
3 ounces white mustard seed
1 ounce allspice
1 pound brown sugar
1 ounce cloves
1 cup dry mustard
1 cup water
1 ounce black pepper
1 ounce celery seed
Vinegar

Chop the tomatoes and onions, sprinkle with salt, and let stand three hours. Drain well and put the pulp in a preserving-kettle with the other ingredients. Cover with vinegar, and boil slowly for one hour. Seal in clean, hot jars. Less mustard may be used if a less hot catsup is desired.

Mr. J. A. asks for ingredients of Chow Chow pickle.

CHOW CHOW
18 green tomatoes
8 cucumbers
5 dozen small green onions
1 pound green string beans
7 cauliflower
1 bunch celery
3 chopped red peppers
1 cup salt
2 quarts vinegar
1 cup brown sugar
2 tablespoons tumeric powder
4 tablespoons mustard seed
1 tablespoon cloves
1 tablespoon peppers

Anne Allan invites you to write to her in care of the Stirling News-Argus Send in your suggestions on homemaking problems and watch this column for replies.

Hon Dana Porter Addresses The International Assoc. Of Fire Chiefs

Ontario's method of providing state-aid for municipal fire departments, an innovation on the North American continent, was described at the International Association of Fire Chiefs' 76th Annual Conference here today.

Honorable Dana Porter, K.C., Attorney-General of Ontario, told the oldest national fire service in the United States that increasing fire service costs, which have jumped from \$5,475,079 in 1944 to \$9,858,157 in 1948, necessitated the assistance from the province. More than 1,000 chiefs are attending the four-day conference in New Orleans. Municipal, representing all parts of the United States, as well as Puerto Rico, Panama and South America.

Detailing improvements which have followed the state aid, particularly in better fire service and working conditions for Ontario's firemen, Attorney-General Porter said:

"The grant to our six largest municipalities, each having a population of 70,000 or over, is at the rate of 10 per cent of their fire department costs and amounts to a total of about \$600,000. The grant to 16 cities having between 25,000 to 70,000 population is at the rate of 15 per cent of costs to a total of \$250,000. The grant to 30 cities with populations between 10,000 and 25,000 is at the rate of 20 per cent to a total of \$250,000. There are 435 municipalities with populations under 10,000. Most of these have volunteer fire departments. The grants are paid at the rate of 25 per cent, amounting to a total of \$300,000. To encourage the organization of new fire departments the province pays a further 10 per cent toward the cost of the first pumper."

Before the state grants were effectuated, he said, no fire fighters had less than 72-hour week and many fire fighters had as much as a 144-hour work week. There was one case, Mr. Porter reported, where fire fighters ostensibly were on a 48-hour week, but the members on the two off-shifts were called back to all fires. Chiefs almost invariably worked at least 144 hours a week, and sometimes 168 hours, he said.

"Now only eight departments work a 72-hour week," Mr. Porter said. "The average week now worked by firemen in Ontario is 55 hours and 20 minutes. The average fourth-year-

man receives \$2,757, compared with an average of under \$1,800 before state-aid."

In addition, he reported, the firemen now receive additional benefits — pensions and insurance.

"It is our belief," Mr. Porter concluded, "that this allocation of funds directly to fire departments costs will bring further benefit in the way of greater efficiency and standardization to municipal fire departments throughout the Province."

DOCTORS GIVE NEW THEORIES ON BAD TEETH

The fact that causes of tooth decay are far from being scientifically established, is indicated in two recent papers by reputable dental researchers.

One of the papers was given by Genevieve Stearns, Ph.D., Research Professor of Pediatrics, University of Iowa College of Medicine. Dr. Stearns formed by bacterial action is responsible activity and long-term nutrition had points out that during stress periods increased absorption of calcium, phosphorus, vitamins A, D, S and K might be expected. The stress periods are: infancy and early childhood, adolescence, lactation and the menopause.

Dr. Stearns also questioned the value of reducing carbohydrate (sugar and starch) intake in reduction of caries. Several cases are reported of children treated at the University of Iowa who received strictly controlled diets which included a high percentage of sugar, yet whose dental caries activity was arrested. These cases served to stress Dr. Stearns' point that the state of nutrition, rather than high or low sugar content, was influential in dental caries.

The other new theory mentioned above is advanced by a British scientist, Dr. P. Pincus of the physiology department, Medical School, Middle-

sex Hospital. Dr. Pincus explains that in enamel and dentine, is a protein containing sulphuric acid. Germs in the mouth, known as Gram-negative bacilli, secrete an enzyme called sulfatase. Chemical reaction between tooth protein and the sulfatase released the pure sulphuric acid which then attacks teeth and causes decay according to Dr. Pincus' theory. He also refutes the idea that lactic acid don, with Dr. D. M. Smith officiating, sible for decay at the bottom of the grooves in teeth.

The two recent theories as to cause of tooth decay, while not necessarily contradictory to each other, are much at variance with many prior theories, some of which have been asserted, rather dogmatically.

A driver's bright if he dims his light. More hours of darkness now mean more danger from blinding headlights, warns Ontario Department of Highways. Lower your headlight.

NEWS FOR THE BUSY FARMER

GLUE THAT REPLACES CONSTRUCTION NAILS

Glue, so strong it is replacing nails in preparation of wooden concrete forms in the great Des Joachims power development in Ontario, is expected to revolutionize the construction industry in Canada.

Christened Penacolite—G1131 by its producers, this powerful mucilage

maintains joint strength on all types of wood far greater than the wood itself. It possesses chemical inertness and does not deteriorate under aging, claims an article in the current issue of C-I-L Oval.

The cured glue line is completely resistant to fresh or salt water at any temperature, the magazine article maintains. Molds, fungi, most acids and solvent lubricating oil and grease

do not affect it. The adhesive stands up well under extreme heat or cold. Described chemically as a resorcin resin adhesive, the new glue is expected to save the construction trade thousands of dollars annually in labor, time and material costs. It is also being employed to bind concrete forms to the so-called "Tunnel" development 56 mile northeast of Sault Ste. Marie, and the Pine River project on the Nipigon River.

LONGER SEASONS FOR PARTRIDGE

Dates for the open seasons for grouse, spruce grouse, sharp tailed grouse and ptarmigan were announced recently by the Department of Lands and Forests. Because of the abundance and rapid increase of grouse, this year's dates are longer than any in recent years.

The bag limit of five grouse per day is being retained, however, To compensate for the long open season, the season bag limit has been eliminated and replaced by possession limit. of 10 birds which is the total that may be possessed by any person either during or after the season. All bag limits are in the aggregate of all species. There is no open season on the pinnated grouse, or prairie hen.

The season is open from Oct. 8 to Oct. 29 and again from Nov. 14 to 23 in the counties of Peterborough, Lennox and Addington, Frontenac and Hastings north of No. 7 highway.

In Northumberland, Prince Edward and Hastings south of No. 7 the open season will be from Oct. 8 to Oct. 29.

POTATOES USEFUL LIVESTOCK FEED

While potatoes normally are not grown as livestock feed, each year there is a considerable tonnage of small and off-grade and occasionally surplus potatoes that can be disposed of profitably through livestock. However, if good results are to be obtained, care must be exercised in feeding them. Potatoes stored under favourable conditions can be fed to cattle and sheep but should be sliced or pulverized before feeding to avoid any danger of choking. For pigs the potatoes should be cooked. If the potatoes have sprouted, the sprouts should be knocked off before feeding as they are often poisonous to livestock. Sunburned, frozen, or decayed potatoes should not be fed to any livestock.

Potatoes are about 80 per cent moisture, and low in protein and essential minerals. Frank Whiting of the Dominion Experimental Station, Lethbridge, Alta., reports they should be fed in conjunction with high quality feeds like legume hay and grain or protein mineral supplements added to the ration. Fattening cattle or milking cows should not be fed more than 30 pounds per head daily while lambs and breeding ewes should not be fed

more than two to three pounds per head daily. Pigs may be fed up to six pounds per head daily depending upon the size of the pig. If more than these quantities are fed, severe scouring may result.

Experiments were carried out at the Dominion Experimental Station, Lethbridge, during the past winter to determine the comparative feeding value of potatoes when fed to milking cows and to fattening lambs. Groups of lambs and milking cows that were fed potatoes in conjunction with alfalfa hay and grain were compared to similar groups of lambs and milking cows that received only alfalfa hay and grain. The cows were fed 30 pounds of potatoes per head daily while the lambs received one to two pounds per head daily. The results of these experiments showed that between four to five pounds of potatoes were equivalent to one pound of grain. Some off-flavours were detected in the milk from the cows fed potatoes, even though the potatoes were fed after milking. Apart from this the potatoes proved to be a satisfactory feed.

SCHOOL LUNCH IS A VITAL PROBLEM

One of the most important items of the fall school opening, and one of the countless worries it brings to the homemaker, is the preparation of school lunches. Not only do the lunch-toters demand variety, but they must also have nutritious food.

The Consumers Section of the Dominion Department of Agriculture suggests each school lunch contain milk, some meat, fish, eggs, dried beans or peanut butter; a vegetable or fruit, or both; breads, fats, or sweets to round it out.

If the school child cannot buy milk at school or where lunch is eaten, include it as milk, soup or cocoa in a thermos. The home economists of the Department suggest milk in puddings can be taken along in small mayonnaise jars or waxed paper containers, but be sure the lid is on tight.

To handle the demand for variety, produce odd designs in sandwiches — cut them with cookie cutters or like jigsaw puzzles. Try a new filler once in a while.

MAY ELIMINATE HAND THINNING OF PEACHES

Some time ago, horticulturists at the Dominion Experimental Station, Harrow, Ont., decided they could save time and money for the peach growers of Southwestern Ontario if they could reduce or eliminate the necessity for hand thinning peaches.

But they know whatever process they used could not be attempted before the risk of further crop reduction by frost, blossom blight or poor pollinating conditions had passed. The decision was made to spray in mid-May with sodium dinitro-ortho-cresol,

a chemical solution commonly known as dinitro and which has a toxic — or poisonous — effect on peach blossoms.

Nine reasonably uniform trees from five to seven years old of each of three varieties — Oriole, South Haven and Haleshaven — were picked for the experiment in the Harrow orchard. Each treatment was repeated three times on two varieties, using two concentrations of dinitro — 0.25 per cent and 0.50 per cent by volume in water. The third was a check plot.

The solution was applied with a power sprayer at about 400 pounds pressure per square inch when the variety was judged to be in full bloom, that is with about 90 per cent of the flowers open. Air temperatures at time of application ranged from 60 to 62 degrees Fahrenheit.

Frequent observations were made during the growing season for any possible damage which might be attributed to the use of dinitro. The appearance of the foliage and wood and the amount of terminal growth were taken into consideration in comparing the treated trees with the check trees.

No apparent differences or damage were detected, though there were indications that foliage injury could develop if the dinitro were applied during warm weather with temperatures reaching 70 degrees.

When it came time to hand-thin the three plots of trees, it was found that the dinitro-treated plots could be thinned more rapidly than the untreated or check plot of trees. The check trees required an average time of 22.3 minutes for each tree. The 0.25 dinitro set took an average of 16.7 minutes, while the 0.50 solution cut the time to 10.5 minutes per tree.

Although the dinitro had no apparently adverse effect on the growth or condition of the treated trees, there were marked variations in the yields. The treated trees produced somewhat larger peaches than did the check trees, but there were fewer of them and thus the treated tree yields tended to be somewhat smaller than the check tree crops.

Further tests along these lines are planned by the horticulturists, who consider dinitro to be a promising non-toxic fruit thinning agent.

SLIGHT INJURY TO UNWORKED ORCHARDS

Horticulturists from the Dominion Experimental Station, Harrow, Ont., have found that peach orchards worked several times in late summer and fall after inter-cropping are more subject to winter injury than those that have not been touched at all.

Severe drops in temperatures are not common to Southwestern Ontario but they had one in February, 1948, when the temperature dropped to minus nine degrees, Fahrenheit. It was the lowest recording since 1934.

It was from that experience that the horticulturists made their discovery.

The winter of 1947-48 followed a mild, open fall, but was continuously cold with the result that there was deep frost penetration, particularly where the snow cover was light.

In the spring very little winter injury was apparent on peaches in the district, but as the season progressed the foliage on some trees — mainly young trees, one to three years old — began to turn a distinct yellow. Closer examination showed the bark was dead from about eight inches above ground to about eight inches below.

Altogether, 12 young peach orchards were surveyed in June of that year to find out why some orchards suffered a severe loss in trees while other young orchards were apparently unaffected.

It was found that a loss exceeding 60 per cent of the young trees occurred where the operators had worked the orchards several times in late summer and fall after inter-cropping. Severe injury was also noted where the intercrop was disked down lightly and the area sown to rye.

Six orchards were located in which the intercrop, weeds or the cover crop, was not touched in the fall. Four of these orchards suffered no characteristic injury at all and the injury was only negligible in the other two.

Because of the mild fall, it was thought possible that the late cultivation delayed maturation of the trees and removed plant debris, or trash cover, which would have held snow and provided some insulation against the continuous cold.

The researchers have concluded that, while resting the hogs is definitely a solution, it is not nearly as rapid as feeding sugar to hogs eight to 12 hours before slaughtering.

MOTORISTS DISCOVER ALL GASOLINES ARE NOT ALIKE!

"I WAS SKEPTICAL", — says E. B. Powell, Toronto. "I had my doubts about the claim that Sunoco Dynafuel is different from ordinary gasolines. So I decided to find out, for myself."

"I MADE THE 10 GALLON TEST—and what a surprise I got! The improvement in my car's performance was amazing! I got faster, smoother pick-up, more power... even better mileage. In fact, before I'd finished those first ten gallons of Dynafuel..."

"I WAS CONVINCED... that Dynafuel is superior to any other gasoline I've ever used! You can take it from me—Sunoco Dynafuel IS different, in a way that means better, smoother automobile performance!"

THOUSANDS OF CANADIAN MOTORISTS NOW SAY...

"I'LL NEVER GO BACK TO ORDINARY GASOLINE"

AFTER MAKING THE...

10 GALLON TEST

WITH

SUNOCO DYNAFUEL

Bethel

Recent guests of Mr. and Mrs. Francis Reid were Mr. and Mrs. Albert Reid, Springbrook, Mr. and Mrs. Jim Reid and Juanita, Mr. and Mrs. Carl Reid, Ferne and David, of Campbellford and Mr. Grant Reid, Pembroke. Mrs. John McMullen, of Harold, Mr. and Mrs. Clarence Reid, of Ivanhoe, were recent visitors of Mrs. McMullen's daughter, Mrs. Parr and Mr. Parr, of Hards. Mr. and Mrs. C. M. Sine and Mrs. Rebecca Sine were Sunday afternoon visitors of Mrs. S. A. Murphy, Stirling.

Mr. and Mrs. S. J. Elliott attended the harvest anniversary at St. John's Anglican church Sunday morning and were dinner guests of Mr. and Mrs. Harry Morrow and Linda Ann. Mr. and Mrs. John Brown and Barbara, of Foxboro were guests at the same home. Mrs. James Warren and sister, Mrs. Fraser and daughter, Gladys, were afternoon tea guests of Mr. and Mrs. Leslie Thompson, Tuesday afternoon. Mrs. Fraser and daughter are returning to Winnipeg Thursday morning. Miss Norma Kirkley was a week end guest of Miss Joyce Reid.

Sunday guests of Mr. and Mrs. James Warren were Mr. and Mrs. Edwin Warren and family, Mr. and Mrs. W. Thompson, of Stirling, Mr. and Mrs. W. T. Warren, Kingston, were Thursday guests at the same home.

Oak Lake

Mr. and Mrs. Bert Seales spent a few days with relatives in Haliburton. Mr. and Mrs. Harvey Smith and family and Mrs. Harry Smith, of Haliburton, spent Sunday with Mr. and Mrs. Farley Lindenfield. Mr. and Mrs. Harold Hamblin, of Peterboro, were Sunday guests of Mrs. Wm. Bartindale.

Mr. Wm. Detlor and Mr. and Mrs. Harold Detlor and family, spent Sunday with Mr. and Mrs. Gerald Livingston, Corbyville. Little Miss Patsy Corrigan spent the week end with her parents in Belleville. Mr. and Mrs. Norman Ray, Stirling, were Sunday evening guests of Mr. and Mrs. Jim Campbell. Miss Norma Huyck, Belleville, was a guest of Mrs. F. Clare on Tuesday. Mr. and Mrs. Russell Maxwell spent the week end in Bancroft. Mr. and Mrs. I. Lindenfield, London, and Mr. Ernest Brown, Lethbridge, Alta., spent a few days with Mr. and Mrs. Walter Lindenfield.

Minto

Mr. and Mrs. J. B. Hagerman spent Sunday with Mr. and Mrs. Garnet Grills and attended their anniversary services in Carmel United Church. Mr. and Mrs. John Courtney were Sunday guests of Mrs. G. Leonard, of Marmora. Mrs. Ed. Colden and Miss Edna Tanner spent the week end visiting friends in Peterboro. Mr. and Mrs. George Wood and family, of Ivanhoe, were dinner guests on Sunday of Mr. and Mrs. Will Wright. The sympathy of the community is extended to Mr. and Mrs. Harold Holden in the loss of their twin daughter, Eleanor Irene, on Thursday evening. The funeral was held in the home on Friday afternoon. Rev. Vaclavik conducted the service.

Allan's Mills

Mr. Salter has purchased the farm of Mr. Dickinson and will take possession at once. Dr. and Mrs. Lorne Wellman of Kitchener visited Mr. Dave Wellman and family. Mr. Cox, of Marmora, held a demonstration dinner at the home of Mrs. D. Wellman on Thursday. Mr. and Mrs. Dave Cotton, of Trenton, visited Mrs. T. M. Reid on Sunday and attended the L.O.L. service at St. Mark's Anglican Church.

Marsh Hill

Mr. and Mrs. Dave Hollinger spent a few days recently in Syracuse. Mr. and Mrs. Murney Reynolds, of Foxboro and Mrs. S. Snell, of Toronto, were supper guests of Mr. and Mrs. Fred Campbell on Thursday evening. Several from Marsh Hill attended the anniversary at Foxboro on Sunday. Mr. and Mrs. E. B. Finkle were dinner guests on Sunday of Mr. and Mrs. Clare Finkle. Mr. and Mrs. W. J. Barlow, of Bonarlaw were supper guests of Mr. and Mrs. John Brown on Friday night. Mr. and Mrs. Leslie Finkle, Marilyn and Linda attended the anniversary services Sunday morning at Burnbrae and were dinner guests of Mr. and Mrs. Sam Wallace.

Entered Into Rest

Eleanor Irene Holden, age 11 days, daughter of Mr. and Mrs. Harold Holden, 6th concession of Rawdon township, near Minto, died on Thursday. She was one of twins; the other, a boy, survives. The funeral was held on Friday afternoon. The service in the home and at Stirling Cemetery was conducted by the Rev. H. C. Vaclavik of the United Church at Stirling.

Friends Honour Bride and Groom With Many Gifts

A miscellaneous shower was held in the Sunday School room of the United Church, Wooler, on Monday evening in honour of Mr. and Mrs. George Maybee, of Belleville. Mrs. Maybee was formerly Miss Esma Cole. Rev. W. G. Fletcher was chairman for the program. Following community singing with Mrs. A. G. Austin at the piano there were readings by Mrs. Charlie Nelson, Mrs. George Adams and Mr. H. Ewing; a piano solo by Mrs. L. H. Rowe and vocal solos by Mrs. Lloyd Dorland and Mrs. Hedley Ireland. Many useful gifts were presented to the bride and groom from their Wooler friends who graciously expressed their thanks.

River Valley Missionary Society

The September meeting of the River Valley Missionary Society was held on September 20th at the home of Mrs. Stanley Irvine. There were 8 members present and five visitors. The president opened the meeting with a few lines of poetry. Hymn 488 "Come Let Us Sing of a Wonderful Love" was sung, followed by a prayer given by the president.

The minutes were read and approved and the various secretaries gave their reports. One home call was reported and three cards had been sent during the month. It was decided to send for the new Study Book "Growing With the Years". The October meeting will be held at the home of Mrs. Beatty, with Mrs. W. H. Hanna as programme convenor and Mrs. Sager to prepare the Study Book.

Mrs. Alex Bush presided over the programme which opened with quiet music by Mrs. Chard. The roll call was responded to with a verse from the Bible with the word "light in it." Psalm 145 was read responsively. Hymn 252, "For Christ There Is No East or West", was sung. Mrs. Gerald Brooks read the Scripture Lesson, Isaiah 40: 3-5; 9-11. The theme hymn "Herald of Christ Who Bears the King's Command" was read by Mrs. Stanley Irvine. Mrs. Ray Pollock played a piano solo "Star of the East". Mrs. Roy Bush then presented the last chapter of the Study Book, "West of the Gorges" and touched on the new Study Book. The first verse of Hymn 241, "Christ For the World We Sing". The meeting closed with prayer by Mrs. Alex Bush. All enjoyed a dainty lunch and a social hour which followed.

Shower For Newlyweds

The members of the Wellman's Wide-Awake Sunday School Class held their September meeting in the form of a shower for Mr. and Mrs. Jack Dunham, at the home of Mr. and Mrs. Frederick Beckett, on Friday evening.

The living-room was tastefully decorated in pink and white and the bride and groom were given a seat of honour. Mrs. Lorne Watson led in community singing. Appropriate readings were given by Misses Della Johnston, Doris Dunham, Eleanor Graham and Doris Pollock. Craig Watson and Ruth Clancy each sang a solo. Miss Mina Dracup and Mrs. Fred Beckett rendered a duet and Miss Lois Weaver contributed a piano solo. Mr. Fred Beckett read the address and James Rainie presented the young couple with a chenille bedspread. A very dainty lunch was served by the hostesses and a pleasant evening came to an end with good wishes and congratulations to Fay and Jack.

BREEDERS' UNIT WILL BE DOUBLED FOR NEXT YEAR

Due to increased demands on the service the capacity of the Quinte District Holstein Cattle Breeders' Unit at Belleville will be doubled next year, it has been decided by officials. The artificial breeding unit has now nearly completed its second year of activities and general satisfaction is expressed by all farmers taking advantage of the service. In spite of certain difficulties the unit had more cows in June of this year than in the entire season in 1948 and it was this increase that led to the decision to increase the capacity of the unit. This will necessitate more building to house the sires. The financial report showed the organization in good shape and the chief officer, Dr. McLean was voted expenses to visit units in Pennsylvania to learn techniques and exchange ideas with their groups said to be the most successful in the United States.

Major C. Wallbridge Was Madoc Reeve

Widely known throughout this district, Major Campbell Miller Wallbridge died in hospital, at Belleville, Tuesday, at the age of 79. A veteran of the First World War, Major Wallbridge was a native of Belleville. At the time of his death he was associated with Fluospar Iron Mines at Madoc. For many years, Major Wallbridge lived at Madoc, where he took a keen interest in municipal affairs, serving as reeve and councillor at different periods. Major Wallbridge leaves his widow, the former Amy Williams; one son, Major Campbell Lewis Wallbridge, of Belleville; a daughter, Mrs. L. E. Replogle, of New York City; and one sister, Mrs. A. R. Clute, of Toronto.

Local Happenings of Interest About Town

Mrs. Rowan Walker has been a guest at St. Andrew's Manse the past week. Mr. and Mrs. Chas. Vance left today for Kapuskasing, where they will spend a few weeks. Mr. and Mrs. H. R. Tompkins spent the week end guests of Mr. and Mrs. J. R. Lemieux, Ottawa. Mr. and Mrs. Robert Luery and Robert, Jr., were guests of Mr. and Mrs. Geo. Vancombe, Peterborough on Sunday.

Mrs. A. E. Caskey, of Murray Township, and Mrs. Claude Tucker, of Stirling, called on Mrs. Wm. Drewry on Monday afternoon.

Mr. and Mrs. C. H. David spent several days in Ottawa visiting their daughter and son-in-law, Mr. and Mrs. Douglas A. Smith.

Mrs. Mabel McMullen and Mrs. Lorne Bailey, of Harold and Mrs. L. Gummer, of Belleville, were Wednesday guests of Mrs. Janet Utman.

Petty Officer 2/C John Hermiston, of 18th Carrier Air Group, R.C.N., is spending leave with his parents. John has been stationed at U.S. Naval Base, Quonset Point, Rhode Island, for the past 3 months.

Mr. and Mrs. W. G. Jackman and little girls, of Mount Pleasant, spent the week end at their former home, Sixth Line.

Mr. and Mrs. Wm. Maynes, Miss Florence Maynes and Mr. and Mrs. Lorne Wilson spent Sunday with Mr. and Mrs. Harry Maynes, Watertown, N.Y.

Mr. and Mrs. C. I. Hatton, Miss Nellie Montgomery, Mr. and Mrs. J. S. Whitehead and Mr. R. W. Melkjohn were Sunday guests of Mr. and Mrs. Allan Melkjohn, Kingston.

Mrs. Bert McColl and Mrs. Cecil Gainsforth, Mrs. M. Sharp and Mr. and Mrs. Leland Bryant, of Wooler, spent Sunday afternoon with Mr. and Mrs. Wm. Drewry.

Week end visitors at the home of Mrs. Arthur Andrews were Mr. and Mrs. Robinson, Napanee, Mr. H. W. Andrews, of Belleville, and Mr. and Mrs. Alkenbrock, of Yarker, Ont.

Mr. and Mrs. Emory Demorest, Teddy and Jewel, of Belleville and Mr. and Mrs. Luke Grover, of Trenton and Mr. and Mrs. Harold West were Sunday guests of Mr. and Mrs. Sid Demorest and Herbie.

Mr. and Mrs. H. Rodgers, Mr. and Mrs. Frank McGee and family and Mrs. Louis Rodgers attended a shower in Belleville Monday evening in honour of the newlyweds Mr. and Mrs. John Stringer at the home of Mr. and Mrs. Jay Collins, Moira St. West.

Guests on Sunday at the home of Mr. and Mrs. Oliver Stapley and Mr. and Mrs. Grant Stapley were, Mr. and Mrs. Arnold Montgomery, Donald, Betty and Robert, of Tweed; Mr. Geo.

NEVER MIND WEATHER

Agreement as to which season of the year is current at Marmora appears to be unattainable among the vegetable life of the district. With October only just around the corner, wild strawberries are flourishing and Fred Wiggins, of Deloro, has beans in blossom in his garden.
